**MURAT HALSTEAD** is a candidate for U. S. Senator from the State of Ohio.

**GOVERNORS** of States generally applaud Gov. Lowry for his conduct in the Sullivan-Kilrain affair.

**MR. WANAMAKER'S** scheme—an office with a suit of clothes—appears to beat the Waterbury watch plan.—Chicago Herald.

**A DETACHMENT** of the New York Volunteers are the guests of the Third Georgia regiment in reunion at Fort Valley in that State.

**THERE** is a strong reaction in favor of Mrs. Maybrick, the American woman on trial in Liverpool, England, charged with the murder of her husband. She is represented in court by Sir Charles Russell.

**THE** grand national monument in honor of the Pilgrims was dedicated at Plymouth, Mass., Aug. 1st., with great ceremony. Hon. William O. P. Breckinridge, of Kentucky was orator of the day.

**THE** New York Star says there is no duty higher than truth. If the Star will go through the War tariff schedule it will find the duty on several other articles, prime necessities many grades higher.—Florida Union Times.

**HON. W. O. WHITNEY**, Secretary of the Navy in the Cleveland Cabinet, has written a letter in which he states that he is not a candidate for the Democratic Presidential nomination in 1892. He is for the best man, whoever he may be.

**EX SOLICITOR GENERAL PHILLIPS**, of North Carolina, is mentioned among many as a successor to Stanly Matthews on the Supreme Bench. Is Mr. Phillips of kin? If not, he cannot go on the family roost.—Charlotte Chronicle.

**VIGILANCE** committees went out of date a quarter of a century ago. Horse stealing, however, has grown so prevalent in the last few months in the country round about Nebraska City, Neb., that a call has been issued to organize a citizens' committee to put down the thieves.

**EDWIN BROWN**, charged with the murder of Col. Roger J. Page, editor of the Times-Register, published at Marion, N. C. surrendered himself on the 1st of Aug. and was committed to jail to await trial at the October term of the Superior court of McDowell county.

**WANAMAKER** takes water. He says his statement was "in the nature of a proposition rather than of a formal or final decision." For eating his own words in order to escape from a ridiculous position there was never the equal of this "Jack the Ripper of American politics."

**A SPECIAL** to the N. Y. World from Charleston says, an application for a charter for the Charleston Cotton Oil Refinery was lodged from here today. The capital stock is to be \$200,000, and the originators have already secured a site on the water front and the promise of all the money needed.

**SULLIVAN** congratulates himself that his punishment in Mississippi will be only a matter of "time or money." John L. Sullivan, Kilrain, Muldoon, and especially Mitchell and Moore, should be both fined and imprisoned at harder labor than they have ever yet performed. Then we shall never hear of prize fighting in this country again.—New York Star.

In less than a week there have been three large mercantile failures in New York city. The cause of these failures is traceable to the mismanagement of the United States Treasury. The money market is growing closest just at the time the West has one of the largest crops on record to move. The United States Treasury is looked to for relief, but the Secretary does nothing to relieve the situation. Bankers are, therefore, obliged to contract mercantile credits.

We have not heard of colored men being appointed to post offices in any of the Northern States. Their vote saved Indiana, Ohio and New York for Harrison, but no recognition has been accorded. Two or three competent colored men appointed in the postal mail service during the last Administration were made an example of by summary removal before the raid was started on the white employees. The department however, sees no objection to appointing incompetent negroes to important offices at the South.—Pittsburg Post.

**LOCAL NEWS.**  
More rain. The city council will be in session tonight.  
Baseball match game at the Fair grounds today.  
John E. Huesey, col., has been given the position of delivery clerk in the postoffice.  
Quite a crowd came up from Morehead City yesterday morning, among them Gov. Fowle on his return to Raleigh.  
Cottage prayer meeting tonight at 8 o'clock at the residence of Mr. Taylor Dunn's on King street, under the auspices of the Y. M. C. A.  
Mr. Jones Spencer, of the Atlantic and Pamlico Railroad has extended the courtesies of the road to the officials of the Atlantic & N. C. Railroad.  
There was but one case before the Mayor yesterday. John Slade submitted to the charge of violating the ordinance in regard to selling on Sunday and paid \$5.00 and cost.  
Capt. C. H. Townsend of the Quartermaster's Department, Washington, D. C., arrived Saturday afternoon and inspected the cemetery road. He pronounced the work highly satisfactory, saying that it is the smoothest new road he had seen. He says he intends making an effort to have the streets of the cemetery paved with the same material.  
Mr. Horace Baxter, who has been in the postoffice for the last four years, has accepted the agency of the Neuse & Trent River Steamboat Co. at this point. The Company could not have made a better selection. Mr. Mark Disoway, the efficient and accommodating delivery clerk, under Mr. Manly as postmaster, has accepted a position with Mr. James Badmond.  
The improvements Mr. Clarke has made at the postoffice for the delivery of mail is very much appreciated, but the need of our new postoffice building is still apparent to all who visit the postoffice in the evening when the Western and Northern mails are being distributed. We hope the appropriation will be made early in the session when Congress convenes, and let work begin on the public building as early as possible. No city in North Carolina needs it more.

**Personal.**  
Hon. F. M. Simmons and daughter left for Morehead City last night.

**THE LADIES DELIGHTED.**  
The pleasant effect and the perfect safety with which ladies may use the liquid fruit laxative, Syrup of Figs, under all conditions make it their favorite remedy. It is pleasing to the eye and to the taste, gentle, yet effectual in acting on the kidneys, liver and bowels.

**How They Account For It.**  
The friends of President Bryan assign various reasons for the almost universal opposition to his reappointment as President of the A. & N. C. R. The main explanation that has been relied upon more than any other is that he refused to give everybody who asked for one a free pass. But a correspondent of the News and Observer, writing from New Berne under date of Aug. 1st, says he has found out "the whole and sole causes of this unceasing and senseless persecution of Mr. Bryan," and here it is:  
"He, Mr. Bryan, has by his superior tact and management obtained the presidency of the road when there were other Richmonds in the field; and by his superior skill as a business man obtained what others had failed to do, namely, help from abroad to put the road in splendid order; by so doing he has aroused the jealousy of others, who confidently expect by misrepresentation and political influence to supplant him."

Now is it true that all the opposition to Mr. Bryan's reappointment comes from a spirit of jealousy of his smartness? How many intelligent people believe this? This correspondent himself does not believe it, for further on in his communication he assigns the following cause. Here it is:  
"We have heard it said, and we believe it to be true, that one of the great causes of this senseless opposition to Mr. Bryan arises from the fact that he has about used up in the transportation business a few old worn-out steamboats running between New Berne and Kinston, and partly owned in the latter place; we do know to a certainty that Mr. Bryan is no favorite with steamboat monopolies, and three-quarters of the opposition to him comes from that source."

This sounds a little curious. The people throughout the country have about as much use for railroad monopolies as Mr. Bryan has for steamboat monopolies. But how does the above statement compare with Mr. Bryan's before the board of appraisers? The JOURNAL knows that steamboat competition at Kinston will be as strong if not stronger than ever, while Mr. Bryan says (or did say to the board of appraisers) it is doubtful if the A. & N. C. R. can run another year without outside aid. So instead of using up the old worn-out steamboats, it seems, according to the President's own confession, they have about used up the railroad.

It is nonsensical to think about a small corporation like the A. & N. C. R., destroying competition at Kinston as long as Neuse river remains navigable. Col. Whitford and Mr. Best maintained rates with the steamers at that point and thereby obtained fair compensation for carrying freights and gave satisfaction to shippers. During Mr. Bryan's administration out-throat rates have prevailed and shippers at Kinston were never so dissatisfied.

The JOURNAL would not, under any circumstances, pluck a single laurel from Mr. Bryan's reputation as a railroad man or his tact for beating his opponent in the race for the Presidency; but the idea that he is the only man who could succeed in obtaining a loan to enable the road to discharge its indebtedness and for permanent improvements is simply absurd and preposterous and no intelligent man will for a moment seriously entertain such an idea. True, his immediate predecessors had not done it because the time had not arrived for it to be done. The old mortgage did not fall due until Jan., 1st 1888; so some disposition had to be made of it during Mr. Bryan's administration, and we surely see no extraordinary financial feat in obtaining a loan of \$325,000 at six per cent. interest on property worth in cash near a million of dollars.

**County Commissioners' Proceedings.**  
The board convened at 11 a. m. Present, E. W. Smallwood, Daniel Lane, J. A. Meadows and Wm. Cleve. E. W. Smallwood was elected chairman pro tem.  
W. P. Metts, Asa Jones and Jonathan Havens were appointed cotton weighers for the city of New Berne for the ensuing two years, upon condition that each shall file a bond according to law.  
The bond of W. T. Dunn, of Barington & Daniels ferry, was approved and received upon condition that said Dunn pay for recording the same.  
M. M. Williams, overseer of poor, was allowed \$2.00 additional for the months of August and September.  
J. W. Harrell was allowed to move his place of business from the corner of South Front and Middle streets to east side of Middle street one door above ice house.  
W. M. Watson, list taker of No. 8 township, presented his bill for same, \$120.00, which was allowed.

Considerable time was consumed in hearing discussions on the public roads No. 3 township. The matter was postponed until the next regular meeting.  
Board adjourned to 10 o'clock this morning.

**Shipping News.**  
The steamer L. H. Cutler will leave for Neuse river landings and Kinston at 4 o'clock this afternoon.  
The steamer Eaglet of the E. C. D. line arrived Sunday night with a cargo of general merchandise.  
The Annie, of this line, sailed yesterday, with lumber and general exports.  
The steamer Newberne of the O. D. line arrived yesterday from Norfolk with a cargo of general merchandise and will sail on return trip today at 12 m. The Manteo of this line arrived this morning and will take an excursion of colored people to Washington today returning Thursday evening.

**The Stevens Game.**  
The old revenue cutter Stevens left on Sunday morning for Baltimore, this time never to return, we suppose.  
Lieut. Hand and other officers and crew of the Stevens carry with them the esteem and respect of a large number of our citizens who made their acquaintance while here. Their gentlemanly deportment and upright conduct while in our midst commanded the respect of all who came in contact with them. The best wishes of New Berne for their future happiness go with them.

**The Game Today.**  
This afternoon at 4 o'clock sharp the Goldsboro Baseball Club and the New Berne Club will play on the Fair grounds.  
The Goldsboro nine is considered one of the best in the State and our New Berne boys are ambitious and will make an earnest effort to "wool 'em." The game will be interesting and we hope to see a large crowd out. The grounds have every convenience for ladies and all classes who attend. The ladies will be admitted free; men will be charged 25 cents admission; boys under sixteen 15 cents.  
Turn out, ladies and gentlemen, and inspire the boys by your presence.

**Another School.**  
Prof. W. R. Skinner, of Vance Male & Female Academy, was in to see us yesterday and informed us that he had made arrangements to move the Academy to New Berne, having secured the Oaksmith building on the corner of East Front and Pollock street.  
Prof. Skinner has taught for several years in the adjoining counties and has made a reputation as a man of energy, push, and a good teacher. He expects to draw considerable patronage from the surrounding country, and will leave no stone unturned to build up a successful school. We extend him a welcome and trust he will realize his highest expectations.

**Miss Elizabeth K. Sloyer.**  
It is with profound sorrow that we chronicle the death of this excellent lady. We have known her from early womanhood. She was an affectionate daughter and sister, and her heart was the indwelling place of every kindly feeling and noble sentiment, but its beatings have now ceased, her mission on earth has now ended, her work is done, and her soul has wended its way to the beautiful city of God, in which there are many mansions, and within their Jasper gates and crystal walls there is no sorrow, and the chilling touch of death and decay can never come again. To the family "whose hopes are withered and whose hearts are crushed," we tender our sincere sympathies, and that Time with healing on its wings will bring consolation to their bereaved hearts is the sincere prayer of  
J. H.

**The Coke Strikers.**  
PITTSBURG, August 3.—The coke strikers are weakening already, and the strike promises to be a failure. Men at Youngtown, Moorewood and the Standard works, numbering 1,000, went back today, and operators say that before the middle of next week the works will all be in operation again. The break has discouraged strikers somewhat, but they still claim that they will make the strike a success, and have all the men out in a few days.

**A Terrible Epidemic.**  
CHICAGO, August 2.—A dispatch from Carthage, Ill., says: A terrible epidemic of bloody flux has appeared at Warsaw in a light form and resembled dysentery, but on Wednesday it assumed a more serious phase, and now fifteen people have died. Four deaths occurred Thursday and four yesterday, the victims being mostly children. One hundred and eighty cases are now reported. Many of them, it is feared, will result fatally. The people are terror-stricken and do not know what to make of the scourge. The disease has also appeared at Hamilton, and it is said to exist in an epidemic form at Canton and Kahoka, Mo.

**Clarke's Extract of Flax Cough Cure.**  
It is a sure cure for whooping cough. It stops the whoop, and permits the child to catch its breath. It is entirely harmless. Good for any cough of childhood or old age. It heals the bronchi and lungs and stops the cough. For winter or bronchial cough this syrup is the best ever discovered. Only one size, large bottles. Price \$1.00 as F. S. Duffy's drug store.

**Clarke's Flax Soap** makes the skin smooth, soft and white. Price 25 cents.

**DIED.**  
In this city, yesterday morning, after a short illness, Miss Elizabeth K. Sloyer. Friends are invited to attend the funeral from the residence of her father this afternoon at 5 1/2 o'clock.

At the residence of Dr. Chas. Duffy, Jr., in this city on Sunday morning, Aug. 4th, 1889, Mrs. Sophia Jones, aged 81 years.

The deceased had been a member of the M. E. Church for about sixty years, and was highly respected for her high Christian character and other good and noble qualities. The funeral services were conducted by Rev. L. W. Crawford of the M. E. Church, on Monday afternoon.

At her home, near Briar Creek, Logan county, Ark., on the 13th of July, 1889, Mrs. Sarah A. Nunn, wife of John E. Nunn, formerly of Lenoir county, N. C.

The husband and four little children have many friends and relatives in Eastern Carolina who deeply sympathize with them in their sad bereavement.
