Second.—It is a Daily Paper for Busy People.

The people of the busy West understand the news of the world's daily doings, but they are too busy to waste valuable time in searching through a mass of blank sheet news paper for the real news of art, literature, science, religion, politics, and the like, and one thing which makes up most news paper. They want news—all the news—but they don't want it scattered in an over-powering mass of trifles and inconsequential news items. The Chicago Daily News is a good example, and it is safe to say its circulation is over a million a copy.

Second.—It is an Independent newspaper.

The people demand a pure, impartial, independent newspaper, which gives all the news, and gives it free from the bias of partisanship. And every political party has its organ, "The Chicago Daily News" has no organ, and it is a good example of what a newspaper should be.

The Chicago Daily News now adds to its popularity by giving a column of news from Europe, and it is safe to say its circulation is over a million a copy.
