Baby's Letter.
 A letter from Mr. J. W. Raby, Union City, Ind., says: "I have used your Clarke's Extract of Flax (Papillon) Cough Cure and find it a competent cure for deep-seated cold. It has done more than two of our most skillful physicians. My children had the whooping cough, and with the aid of your Cough Cure they had it very light compared with neighboring children who did not take it. I believe it to be the best cough cure in the market." So it is. A large bottle only \$1.00.

Clarke's Flax Soap for the Skin. It leads them all. Price 25 cent. Cough Cure and Soap for sale by F. S. Duffy, druggist.

If you do not rise early you can never make progress in anything; if you do not set apart your hours of reading, if you suffer yourself or any one else to break in upon you, your days will slip through your hands unprofitable and frivolous, and really unenjoyed by yourself.

Perhaps no local disease has puzzled and baffled the medical profession more than nasal catarrh. While not immediately fatal it is among the most distressing and disgusting of the flesh is heir to, and the records show very few or no cases of radical cure of chronic catarrh by any of the multitude of modes of treatment until the introduction of Ely's Cream Balm a few years ago. The success of this preparation has been most gratifying and surprising.

Thou mayst be sure that he that will in private tell thee of thy faults is thy friend, for he adventures thy dislike, and doth hazard thy hatred; for there are few men that can endure it, every man for the most part delighting in self-praise, which is one of the most universal follies that bewitcheth mankind.

A scrap of Paper Saves Her Life.
 It was just an ordinary scrap of wrapping paper, but it saved her life. She was in the last stages of consumption, told by physicians that she was incurable and could live only a short time; she weighed less than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery, and got a sample bottle; it helped her more, bought another and grew better fast, continued its use and is now strong, healthy, rosy, plump, weighing 140 pounds. For fuller particulars send stamp to W. H. Cole, druggist, Fort Smith. Trial bottles of this wonderful discovery free at R. N. Duffy, Wholesale Druggist. For sale wholesale at \$8 per dozen.

If a man does not make new acquaintances as he advances in life, he will soon find himself alone. A man should keep his friendship in constant repair.

EUPPEPSY.
 This is what you ought to have, in fact, you must have it, to fully enjoy life. Thousands are searching for it daily, and mourning because they find it not. Thousands upon thousands of dollars are spent annually by our people in the hope that they may attain this boon. And yet it may be had by all. We guarantee that Electric Bitters, if used according to directions and the use persisted in, will bring you good digestion and out the demon Dyspepsia and install instead Euppepsy. We recommend Electric Bitters for Dyspepsia and all diseases of Liver, Stomach and Kidneys. Sold at 50c. and \$1 per bottle by R. N. Duffy, Wholesale Druggist, New Berne, N. C. Wholesale rates, \$8.00 per dozen.

If you would avoid the suspicion of your neighbors, never carry your molasses in a demijohn.

Prof. Loissette's MEMORY
DISCOVERY AND TRAINING METHOD
 In spite of admitted imitations which miss the force, and practical results of the Original, in spite of the grossest misrepresentations by various would-be competitors, and in spite of "imitations to rub" of the fruit of his labors, (all of which demonstrate the undoubted superiority and popularity of his teaching), Prof. Loissette's Art of Power Forgetting is recognized today in both Hemispheres as marking an Epoch in Memory Culture. His Prospectus (sent post free) gives opinions of people in all parts of the globe who have actually studied his system by correspondence, showing that his system is used by white, black, Spanish, and other races, that any book can be forgotten in a single sitting, and that any card can be recalled at a single sitting, and that any card can be recalled at a single sitting, and that any card can be recalled at a single sitting.

Prof. A. LOISETTE, 237 Fifth Avenue, N. Y.

No indulgence of passion destroys the spiritual nature so much as respectable selfishness.

Saved From Consumption.
 Several physicians predicted that Mr. Asa E. Rowley, druggist, of Chicago, would soon have consumption caused by an aggravated case of Catarrh. Customers finally induced him to try Clarke's Extract of Flax (Papillon) Cough Cure. He says: "The result was unrepresented. I commenced to get well after the first application and am now, after a few weeks, entirely cured. It will do the same for you. Price \$1. Try Clarke's Flax Soap for the Skin and you will use no other. 25 cents. All of Clarke's Flax remedies are for sale by F. S. Duffy, druggist.

ADVICE TO MOTHERS.
 Mrs. WISLOW'S SOOTHING SYRUP should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. Twenty-five cents a bottle. July
