Atlantic Sesside: Mr. Thomas Parkins tells us of a new steamboat to run Beaufort to New Berne. It is to be known as the Swansboro Co-operative Company. Joint stock to be \$3,000, con-sisting of thirty shares. Twenty shares have already been taken by the people of Swansboro, and it is hoped remain-ing ten will be taken in Beaufort. It is our opinion that on this line will pay a handsome dividend. The boat is to be 85 feet long, 20 feet beam, 3 feet deep, midship section, and to have a 45 horse power engine. It will carry 85,000 feet

being fitted up for service, at Perkins' ship yard. The Gleopatra will ply between this city and Trenton. It is expected that she will be ready for business sometime next week.

The New Berne Band propose getting up a concert in a week or two to raise money to have their instruments repaired. They will be assisted by Prof. Rogers and will no doubt get up a creditable entertainment. Our band has the reputation of being very liberal with its music and is deserving of patronage from the public.
