**Derangement of the Liver.**  
 RICHMOND, VA., July, 1885.  
 This is to certify that I have known of the superior qualities of JOHNSTON'S VEGETABLE NOLANDINE for the past ten years, and during that time, at intervals, have had occasion to use it in person and in my family, and have always obtained the most satisfactory results, in cases of bilious derangement, indigestion, headache, &c., and a good tonic.  
 L. C. DAVIS,  
 804 North Fifth street.  
**Kidney Affections.**  
 RICHMOND, VA., March 25, 1885.  
 Mr. J. W. Johnston,  
 Care of Dr. J. W. Johnston, Richmond, Va.

Dear Sir—Having suffered for years with a chronic affection of the kidneys, and a general derangement of the liver, and my general system charged with malarial poisons, I found no relief from treatment of medicine until I used Vegetable Nolandine. I am now free from above complaints, and restoration to health. I honestly recommend it to all persons suffering from above diseases.  
 WILLIAM DICKINSON,  
 Superintendent of Coal Mines.

**Bilious Derangement.**  
 RICHMOND, VA., May 1885.  
 I can cheerfully recommend JOHNSTON'S VEGETABLE NOLANDINE to any one suffering from bilious derangement of the system. Its prompt and permanent action in my case affords me pleasure to recommend it to others similarly affected.  
 CHARLES P. SELDEN,  
 Hardware Merchant, formerly with Sizer Sewing Machine Co.  
**A Great Medicine.**

 dear good kind lady:

**Malaria.**  
 OFFICE CHESEBROUGH AND OHIO RAILWAY COMPANY,  
 RICHMOND, VA., March 1, 1885.  
 I lived on lower James river for eight years in the malarial district. My system was thoroughly charged with this deadly poison. I exhausted the usual prescribed and domestic remedies without any benefit. I was induced to try JOHNSTON'S VEGETABLE NOLANDINE, and am now enjoying the best of health. My wife and children derive the same benefits from "Nolandine."  
 J. A. WYATT.

**Chills and Fever.**  
 FLEET, KING AND QUEEN CO., VA., January 31, 1887.  
 I was afflicted with chills and fever during the fall of last year. I could not sleep, and my system was so deranged that it takes me a week to write so much as this first letter. I have written for you in the past year only one or two lines, and I think that good man that nolandine were save my old man and them two boys who is all well and hearty. Your devoted friend,  
 SARAH ANN LAROCHE.

**Dyspepsia and Catarrh.**  
 RICHMOND, VA., April 19, 1886.  
 During the past twelve months I have had frequent opportunities of testing the curative properties of your Vegetable Nolandine in the following diseases, and in not a single case did it fail to accomplish all that you claim for it: Dyspepsia and other Catarrhal affections, affecting the kidneys, catarrh of the bladder, malarial complications and habitual constipation, and as a general tonic and alterative I have found it very efficacious.  
 Yours truly,  
 JAS. H. GARLICK, M. D.,  
 Proprietor of Dowden's Dental Fluid.

**Delicate Females.**  
 412 EAST BROAD ST., RICHMOND, VA.

**Liver Complaint.**  
 OFFICE OF J. W. CALDWELL,  
 RICHMOND, VA.  
 Dear Sir—For the benefit of persons suffering from liver complaint, I beg to call your attention to your vegetable preparation "Nolandine." I regard it as a "chocicogue," combining antiseptic and renovating properties, and in this respect differing from any medicine I have ever taken.  
 The effects of your "Nolandine" in my case, has been on the liver and secretions identical with calomel; at the same time, entirely free from nauseating and debilitating consequences following the use of calomel. I have derived this benefit. Very respectfully yours,  
 H. B. GRUBBS.

**Blood Poisoning.**  
 RICHMOND, VA., July 15, 1887.  
 J. W. Johnston, Proprietor Nolandine.  
 Dear Sir—I have taken your "Nolandine" for bilious derangement of eight years' standing, during which time I have tried many preparations, but I did not receive any relief until I used your preparation, for which I have received immediate and permanent relief. I am now free from all such complications, and am happy to say, enjoying exceptionally good health.  
 Yours truly,  
 J. B. DOWDEN,  
 Proprietor of Dowden's Dental Fluid.

**Torpid Liver.**  
 A VALICABLE MEDICINE.—Under this head the Petersburg Daily Index has the following notice: "Nolandine" is a valuable medicine, and it can also be taken with much efficacy by delicate females. I consider it a valuable family medicine, possessing the advantages of "Mercury" without its injurious effects, and with the pleasure of any associated testimony.  
 Very respectfully,  
 MRS. G. W. FRANCESCO,  
 Richmond, Va.

**Liver Invigorator.**  
 RICHMOND, VA.  
 Dear Sir—I very cheerfully testify to the unequalled efficacy, so far as my experience extends, of "Nolandine" in my own case. It has proven a most efficient remedy, and yet been free from the injurious effects so often following the use of other medicines.  
 F. H. ALFRIEND.
