

O. MARKS

DOOMING WITH THE BOOM.

We gave no option, but bought outright a Superb Stock of Spring Dry Goods. Every department is loaded down with the latest productions. We have everything which Fashion demands for the season, and we will guarantee our prices

To be as low, and very many instances lower than New York Figures.

We promise reliable goods, honorable dealings, and our prices we will guarantee against the American World.

Facts Worth Remembering:

That O. MARKS is the most reliable, as well as the Cheapest House in the city, for all kinds of Goods. He sells both Retail and Wholesale.

That O. MARKS carries the largest, most complete and comprehensive Stock of Dry Goods, Shoes and Notions in this State.

That O. MARKS is always the first to reduce prices, and sells only the most reliable and honest goods.

That O. MARKS invites the closest scrutiny and comparison of prices and values with those of other houses who imitate his method and try to copy his prices.

That O. MARKS will meet any cut prices made by any reputable house, provided the cut is made in good faith and not as a bait to obtain business, and that he defies competition.

Knock Down Arguments:

Here are a few of the many Knock Down Arguments. Let competitors howl and declare it can't be done, but remember it is money in the customer's pocket.

THE JOURNAL.

TO GEORGE KENNAN.

Unflinching Dante of a later day,
Thou who hast wandered through
the realm of pain,
And seen with aching breast and whirling
brain
Woes which thou wert unable to allay,
What frightful visions hast thou
brought away;
Of torments, passions, agonies, strug-
gles vain?
To break the prison walls, to rend the
chain—
Of hopeless hearts too desperate to pray?
Men are the devils of that pitiless
hell!
Man guard the labyrinth of that nine-
fold curse!
Marvel of marvel! Thou hast lived to
tell,
In prose more sorrowful than
Dante's verse,
Of pangs more grievous, sufferings
more fell
Than Dante or his master dared re-
hearse!
—[Nathan Haskell Dole.

ADVICE TO MOTHERS.

Mrs. WINSLOW'S SOOTHING SYRUP should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. Twenty-five cents a bottle. July

He is no friend who enters your garden to rob it, or your life to worry you.

COMMENDABLE.

All claims not consistent with the high character of Syrup of Figs are purposely avoided by the Cal. Fig Syrup Company. It acts gently on the kidneys, liver and bowels, cleansing the system effectually, but it is not a cure-all and makes no pretensions that every bottle will not substantiate.

He who is afraid to attempt is already defeated.

A Necessity of Health.

It is a prime necessity of health that the action of the bowels should be kept regular. But the way to overcome a temporary fit of constipation, or to remedy chronic constiveness, is not to deluge the stomach and drench the bowels with purgatives of violent and painful action. The happy medium between an inoperative and violent cathartic is Hostetter's Stomach Bitters, which acts just sufficiently upon the bowels to relax them without pain, and which being a wholesome tonic as well as aperient, has the effect of strengthening both them and the stomach, and promoting the well being of the whole internal economy. The removal of bile from the blood, increased activity of the liver, usually dormant in cases of constiveness, and sound digestion follows the use of this beneficent medicine, as thorough and genial in its effects as it is safe and pure in composition. Rheumatism, fever and ague, kidney troubles and debility are also remedied by it.

Death has nothing terrible which life has not made so. Christian fidelity to the duties of this world is the best preparation for the next.

Everybody Knows

That at this season the blood is filled with impurities, the accumulation of months of close confinement in poorly ventilated stores, workshops and tenements. All these impurities and every trace of scrofula, salt-rheum, or other disease may be expelled by taking Hood's Sarsaparilla, the best blood purifier ever produced. It is the only medicine of which "100 doses one dollar" is true.

MARVELOUS DISCOVERY MEMORY

Found in the Newspaper.
From the Creco, Iowa, Plaindealer.
"We have never, as our readers for nearly thirty years in this county can testify, written a 'puff' of any patent medicine. Duty as well as inclination impel us to depart from this studied silence, to say to our readers and the public that, having been completely prostrated with a violent and distressing cold, after three years fighting it with ordinary remedies and getting no relief from their use, we obtained a bottle of Clarke's Extract of Flax (Papillon) Cough Cure, obtaining almost instant relief and a steady improvement under its use." Large bottle only \$1.00. Ask for Clarke's Flax Soap. "Best on earth," 25 cents. Both the above for sale by F. S. Duffy, druggist.

An Eminent Doctor's Prescription.
Dr. C. P. Henry, Chicago, Ill., who has practiced medicine many years, says: Last spring he used and prescribed Clarke's Extract of Flax (Papillon) Skin Cure in 40 or 50 cases, and never knew a case where it failed to cure. "I know of no remedy I can rely on so implicitly." Positive cure for all diseases of the skin. Applied externally.
Clarke's Flax Soap is best for babies. Skin Cure \$1.00. Soap 25 cents. At F. S. Duffy's drug store.

Mrs. Gen. F. Snodgrass, a highly cultivated and estimable lady of Princeton, Ark., writes under date of April 23, 1890: "During the summer of 1887, my eyes became inflamed, and my stomach and liver hopelessly disordered. Nothing I ate agreed with me. I took chronic diarrhoea, and for some time my life was despaired of by my family. The leading physicians of the country were consulted, but the medicines administered by them never did me any permanent good, and I lingered between life and death, the latter being preferable to the agonies I was enduring. In May, 1888, I became disgusted with physicians and their medicines. I dropped them all and depended solely on Swift's Specific (S. S. S.), a few bottles of which made me permanently well—well from then until now."

It Builds up Old People.
My mother who is a very old lady, was physically broken down. The use of Swift's Specific (S. S. S.) has entirely restored her to health.

NOTHING SUCCEEDS LIKE SUCCESS.

The reason RADAM'S MICROBE KILLER is the most wonderful medicine, is because it has never failed in any instance, no matter what the disease, from LEPROSY to the simplest disease known to the human system.
The scientific men of today claim and prove that every disease is CAUSED BY MICROBES,
AND
Radam's Microbe Killer
Exterminates the Microbes and drives them out of the system, and when that is done you cannot have an ache or pain. No matter what the disease, whether a simple case of Malaria Fever or a combination of diseases, we cure them all at the same time, as we treat all diseases constitutionally.

Asthma, Consumption, Catarrh, Bronchitis, Rheumatism, Kidney and Liver Disease, Chills and Fever, Female Troubles in all its forms, and, in fact, every Disease known to the Human System.

Beware of Fraudulent Imitations! See that our trade-mark (same as above) appears on each jug. Send for book "History of the Microbe Killer," given away by
