THERE is no abatement of the flood in Louisiana and much fear is entertained of still greater damage.

"THE McKinley tariff bill should be entitled "An act to increase the public revenue and to suppress American industries."

THE question is raised who will take Mr. Randall's place on the Appropriations Committee? Mills of Texas, and Blount and Crisp of Georgia, are mentioned.

THE President has signed the world's fair bill and also the joint resolution appropriating \$150,000 for the relief of the flood sufferers in the Mississippi valley.

THE elections that bloom in the spring are highly discouraging to Congresses such as the one with which the country is now afflicted.—Louisville Courier-Journal.

TREASURER HUSTON says "the outlook in Indiana is cheering." Mr. Huston is in error. The cheers which he attributes to the outlook really emanate from the throats of the triumphant Democracy.—Philadelphia Record.

WE are indeed much pleased to see it announced that North Carolina will be well represented in Richmond, Va., at the unveiling of the statue of Robert E. Lee, the blameless Knight without a rival.—Wilmington Messenger.

WITH a stolen majority in the lower House of Congress and two stolen Senators the Republicans are secure for the present. Their present power, however, will only make their certain repudiation in 1892 the more humiliating.—Kansas City Times.

WHEN we consider the great disasters to which the rich low lands of Louisiana and Mississippi are liable, we are content to reside in North Carolina and to think the Old North State is a better State to live in than to move from.—News & Observer.

THERE is unrest in the naval circle in Washington, and it all comes out of the fact that there is a vacancy in the Naval Academy from the second district of North Carolina, and the navy officers are disturbed with the fear that Congressman Cheatham, who has the naming of the cadet, will select a colored boy.—Wilmington Star.

MR. PLATT has been over in Washington to urge the President to kick out of the Appraiser's office in this city every Democrat employed therein. There are five assistant Democratic Appraisers in office who have thus far been spared. Their elimination may please Mr. Platt, but the cat will not save Mr. Platt's political bacon. He is doomed.—New York World.

Hood's Sarsaparilla is on the flood tide of popularity, which position it has reached by its own intrinsic, undoubted merit.

LOCAL NEWS.

NEW ADVERTISEMENTS

FOUND—Two keys. J. M. HOWARD—Tennis shirts, etc. W. R. BARRINGTON—Agent for life of Jefferson Davis.

Get ready for School. Tomorrow is the opening of the "Old District School."

The rain on Sunday night and yesterday was much needed. Growing truck enjoyed it very much.

M. P. Holly was nominated by Republicans of fourth ward, last night, as a candidate for Councilman at the approaching election.

All persons taking part in the Song Tournament will please meet at the residence of Mr. C. E. Slover this (Tuesday) evening at eight o'clock.

All cards for publication of a political nature must be paid for. It has always been our custom, but seems to have been forgotten by writers lately.

A handsome dwelling house is being erected on the lot on George street, near Pollock, for Mrs. W. H. Pennell, of Philadelphia. Mr. George Bishop is the contractor.

There was a very slight fall of hail in the city yesterday. But few people noticed it. It was not a "drop in the bucket" to the "shower of ice" in Baltimore on Sunday afternoon.

The walks on the Confederate monument square in Cedar Grove Cemetery are being concreted. The Ladies' Memorial Association is having the work done. It will add to the beauty of the square.

Mr. J. A. Simpson, the contractor, has nearly completed the neat residence for Mr. Perry on the corner of Middle and Johnston streets. Mr. W. M. Watson, jr., has just placed lightning rods on it and says he guarantees its safety from lightning.

Rev. Fred. D. Thomas received a call to a pastorate in Springfield, Mo., and accepted. He left Hampden Sidney Theological Seminary about ten days ago to accept the call. Springfield is a city of about 25,000 population. We are glad to know that Mr. Thomas, as young as he is, and so soon after entering the ministry, has received this flattering call. It is considered one of the best that has been received at the Seminary for sometime, by Dr. Moore, the president.

The Washington Gazette of the 24th, publishes an interview with Mr. Spencer Jones, who, it would seem, was delegated from Hyde county to go to Coisjock as a special detective to learn about a quietly played game by regular appointed patrolmen who had been entrusted to guarding the oyster interests of North Carolina. Can it be true that these men, in whom confidence had been imposed in enforcing the laws of North Carolina, have been unfaithful and disregardful of all honor and integrity? It is hoped not.

It is to be regretted by the people of this section that the Davis military school is to be removed from LaGrange, to Winston. Enterprising Winston-Salem offered the proper inducements, though, and Col. Davis goes no doubt satisfied that he is taking a step that will be of great benefit to his school. Of course LaGrange, a small town, could not offer such financial inducements as Winston-Salem. LaGrange is an excellent location for a large school. It has long been a school center, and we hope that the Davis school will be succeeded by an institution of equal merit and of equal benefit to the town.

Mayor's Court. The following cases were disposed of yesterday:

Julius Williams, col., riotous and disorderly; submitted; taxed with cost. Dallas W. Long, col., riotous and disorderly; submitted; taxed with cost.

Tenth of May. Ladies of the Memorial Association are requested to meet on Tuesday afternoon at 5 o'clock at the residence of Mrs. Vass, to complete arrangements for the celebration of the approaching 10th of May. A full attendance of ladies is desired.

U. S. Court. The United States Court for this district convened at the court house yesterday at 10 o'clock, Judge Seymour presiding. The jurors were not present, they being summoned to appear today. There being no business that could be transacted without a jury, the court took a recess until 10 o'clock this morning. A number of the jurors arrived on the train last night.

A PLEASING SENSE of health and strength renewed and of ease and comfort follows the use of Syrup of Figs, as it acts in harmony with nature to effectually cleanse the system when cative or bilious. For sale in 50c. and \$1.00 bottles by all leading druggists.

A telegram from Pape & Deyo is as follows: NEW YORK, April 28, '90.—Asparagus sold at \$5 to \$6. Peas \$5 to \$3. Cabbage \$3.

Three Interesting Items.

The Attorney General, by direction of the President, has addressed a letter to the U. S. Marshal, in Jacksonville, Fla., notifying him that the processes of the courts must be enforced in that State at all hazards. It is reported that in several counties obstructions have been offered to such processes, and that United States officers are not suffered freely to exercise their lawful functions.

The Republicans of Pittsburg, Pa., celebrated General Grant's birthday Saturday night. A number of prominent members of the party were present, and among them Speaker Reed, who made a poor speech, devoted almost exclusively to abuse of the Southern people.

Thursday night a party of young people met with a shocking accident near Lima, Ohio. Their horses became frightened and ran into a stone wall, killing both horses and dashing the occupants against the stone abutment of a bridge. Minnie and Gertrude Pierce were instantly killed, and Ella Hawkins and Cliff Church were probably fatally injured.

If Your Liver Reminds You Of its existence by dull pain or sharp twinges in the right side, or beneath the dexter shoulder blade, accept the reminder as a warning, and regulate the organ without loss of time, by the use of Hostetter's Stomach Bitters. The above symptoms are usually accompanied by yellowness of the skin, constipation, furred tongue, disorder of the stomach, sick headache and morning nausea. But a reform is promptly instituted by the Bitters, the best possible substitute for calomel, blue pill, and other super potent and hurtful drugs erroneously designated as remedies for biliousness. Appetite and digestion are restored, and the bowels resume activity, when an impetus is given to the functions of health by this sterling anti bilious medicine, which also has the effect of enriching and purifying the circulation, and fortifying the system against malarial infection in air or water. It is also highly beneficial for rheumatism, kidney and bladder troubles.

NORTH CAROLINA NEWS.

From the State Papers

It is reported that Rev. Sam Jones has accepted the invitation to deliver an address at Trinity commencement.

Judge Seymour, of the United States Court, has refused the application of Walter R. Henry, counsel for Cross and White, for a writ of habeas corpus in their favor. This is about the last chance for the bark forgers, who are now serving out their terms on roads.

Raleigh Chronicle: Last evening at 7:15 o'clock Mr. D. S. Waitt, clothier, of this city, filed assignment papers in the office of the clerk of the Superior Court of this county. Mr. J. S. Wynne was designated assignee. There are preferred credits amounting to \$5,552. The total assets have not been estimated, nor have the total liabilities.

THE MISSISSIPPI FLOOD

NEW ORLEANS, April 26.—Bayou Sara dispatches furnish a detailed report of the several great crevasses from the Mississippi flood, which shows that there has been great destruction of property and that a splendid section of country has been overflowed. The stories of suffering and danger and loss of life have been greatly exaggerated, and the loss of stock is nothing like as great as has been reported.

The floods in Texas have indicated great damage throughout the north and west sections. Railway washouts are reported in every direction, and many trains have been indefinitely abandoned. No loss of life is reported, but the damage to crops, railroads and property is enormous, and will run into hundreds of thousands of dollars.

Life of Jefferson Davis.

BEAUVOIR HOUSE, March 22d, '90. DEAR SIR:—In answer to your enquiry I have to respond that the only biography or life of ex-President Davis of which I know anything personally, or in the preparation of which I have assisted in any degree, is the one I am writing. The title is, "Jefferson Davis, Ex-President of the Confederate States, A Memoir by His Wife." It is to be published by subscription by the Belford Publishing Company, 186 18th street, New York city. If you will write to them they will give you all particulars. Believe me yours respectfully.

MRS. JEFFERSON DAVIS.

The above fac simile letter from Mrs. Jefferson Davis speaks for itself, and should put to rest, in the minds of all reasonable persons, the claims made by others that she is assisting in preparing another book than "Jefferson Davis, Ex-President of the Confederate States; A Memoir, by His Wife." [ap28-4d.]

A Shower of Ice.

BALTIMORE, April 27.—A terrible hail storm passed over Baltimore Sunday afternoon about 4 o'clock, causing considerable damage to property and no little harm to persons caught on the streets. The hailstones were the largest ever seen there, it is said, some of them being "as large as a fist." Horses were driven almost mad by the pelting of the hail. Thousands of window panes were broken, and many houses were unroofed by the storm. The damage is estimated at \$100,000. The Baltimore Herald says: "After the elements ceased raging the earth was covered at places an inch thick with the stones, which ranged in size from a quarter of an inch to an inch and a half in thickness."

A Distressing Case and Happy Cure.

"For over a year I have had a breaking out on my leg, which troubled me so bad I could not walk, leg badly swelled, of a purple color, with eruptions so bad that blood would ooze out if I bore my weight on it. I was recommended to try Clarke's Extract of Flax (Papillon) Skin Cure, which I have done. My leg is now well, and I can walk two miles on it without any trouble. Signed, A. D. Hayward.

Clarke's Flax Soap makes the skin soft and prevents chapping. Skin Cure \$1.00. Soap 25 cents. For sale by F. S. Duffy, druggist.

Everybody Knows That at this season the blood is filled with impurities, the accumulation of months of close confinement in poorly ventilated stores, workshops and tenements. All these impurities and every trace of scrofula, salt rheum, or other disease may be expelled by taking Hood's Sarsaparilla, the best blood purifier ever produced. It is the only medicine of which "100 doses one dollar" is true.

ALL medical authorities agree that catarrh is no more nor less than an inflammation of the lining membrane of the nasal air passages. Nasal catarrh and all catarrhal affections of the head are not diseases of the blood, and it is a serious mistake to treat them as such. No conscientious physician ever attempts to do so. It is held by eminent medical men that sooner or later a specific will be found for every disease from which humanity suffers. The facts justify us in assuming that for catarrh at least a positive cure already exists in Ely's Cream Balm.
