**NEW BERNE COLLEGIATE INSTITUTE,**  
NEW BERNE, N. C.

Intelligence Pays.

I have kept up with the work of Prof. Adams in this city. It is genuine and thorough. It is education in earnest. With a splendid building, first class teachers and a judicious course of study, his school is a success. The department of his students is the outcome of good government. Bright, orderly and contented, they have learned to apply themselves both as a duty and a pleasure. Learning and Progress are the watch-words of the New Berne Collegiate Institute, and it is an ornament to Eastern North Carolina.  
JOHN S. LONG,  
President of the Board of Trustees of the New Berne Academy.

NEW BERNE, N. C., Feb. 11th, 1890  
The advent of Prof. G. T. Adams to this city marks a new era in the history of its educational interests. Under a contract with the Trustees of the New Berne Academy this gentleman took charge of their school property in September last, for the purpose of conducting a High School; and what was at first regarded by many as a doubtful experiment has in a few short months proved a phenomenal success.  
New Berne Collegiate Institute, under the management of Prof. Adams and a corps of able assistants is rapidly taking rank with the most flourishing schools of the State. Parents and guardians, desiring for their children and wards a thorough preparation for college, could not do better than send them to this institution.
