MISS MARY LEE remains a Richmond, the guest of Gen. Joseph R. Anderson.

McKinkey's Bill is in as poor a plight as Blair's bill. Both on the from Pitt." way to the poor house.

THE military ball was a great success at Richmond. The receipts exceeded the expenses by \$800.

THE horse-cars of Richmond carried 16,000 passengers, Thursday, the day of the unveiling and 20,000 on Friday, Memorial day.

WE have read with pleasure the speech of Gov. Fowle at the Holthe 30th ult. It was worthy of the Treasurer; Simmons & Gibbs, Attoroccasion, the Governor and the neys; S. R. Street, local agent. great State of North Carolina.

it is reported for his encouragemarried on Friday, was first nominated for Congress on Friday, and was nominated for the Senate on the Senator.

curable insane by sending the harmless incurable insane to their respective counties" says the Progressive Farmer. We trust that this will not be done. The coun- half barrels round selling from \$1.75 to ties are not prepared to receive \$3; wax \$3.50 to \$3; cabbage in heavy him were bound to esteem him for his and properly treat the homeless supply selling from \$1.50 to \$2. Reincurable insane now in the ceipts of potatoes heavy; strictly prime Asylam.

THE JOURNAL having expressed a preference for Dr. Kingsbury as Dr. Mangum's successor at the line, arrived yesterday and sailed later gratified to learn from the Wil. sail Friday afternoon at 4 o'clock. mington Messenger that he "has Personal. no desire for the place and under no circumstances would accept it." It is much easier to fill Dr. Mangum's place as a Professor, than it would be fill Dr. Kingsbury's as an gram requesting him to deliver the adeditor.

THE man whom the South honors to-day is one of the most impressive characters that the world has ever seen. He rose superior to defeat and supreme over disaster and ruin. It does not matter in contemplating such a man as Lee what opinion is held of the cause for which he fought, ran away on the streets yesterday. Mr. This leader was, in the general Stewart drove up to the telegraph office view, greater than the cause. If he had flourished in an earlier and happier period he might have to day the homage of every Amer-toan as he has the homage of the South .- Wash, Star.

Robt. E. Lee, which is to be unveiled walk clearing it of insurance men and at Richmond to-day, evidences the lawyers in a very few moments. In so badly injured that she will die, and strong affection in which the people of the South have enshrined the memory of one who was to them a hero. And even those who neither fought under his banner neither fought under his banner nor shared his convictions will recognize his dauntless courage,

Moore, Mary Chadwick, Alice Jolly, Temp yesterday evening for the purpose of Chadwick; violating chap. 5, sec. 1, attending the Commencement of Mr. city ordinaces by keeping a house of Joseph Kinsey's school at La Grange. ill fame. Each and all of the defendants were found guilty and sentenced to pay ten dollars and the costs in the case, or work on the streets for twenty and there is fair prospects, so Madam

State vs. Isaac W. Eubank. Violation of chap. 5, sec. 1. Renting a house to be used as a house of ill fame. Guilty and fined ten dollars and cost.

The following case was disposed of yesterday:

State vs. Charles Fisher. Charge, disorderly conduct Guilty, cost, \$2 90.

The Baptist Picnic.

The Bantist Sunday-school and a large number of invited friends boarded a day morning at 9 o'clock. There never was more pleasant humor and brighter faces. Everybody seemed inclined to others enjoy themselves. The weather was perfectly delighted-no rain. All vantage of. Some went bathing, some fishing, some surf-bathing, some visited Beaufort and the banks. There was an unusually large attendance. The dinner was abundant and the quality of it sustained the excellent reputation our Baptist friends have for

Capt. W. A. Darden Dead.

antly remembered.

We learn from the Goldsboro Argus that Capt. W. A. Darden is dead. This is a sad loss to Greene county and to the State. He was an excellent man; a man of character and force; an in-Clement Manly, Esq , will deliver an valuable citizen. The Argus of the 3d inst. says:

catering to the wants of the inner man.

The picnic was nothing less than a fine

success. It was a day long to be pleas-

"Just as we go to press we learn, by telegram, of the unexpected death of one of the truest of Democrats and mos chivalrous of men, which occurred ssigned him by the State ng tour farmers' Alliance, of which he was a prominent member.

"Capt. Darden was quiet and unobtrusive in his manner. He was strongly domestic in his habits, and rather inclined to be reserved. Those who enjoyed the privilege of intimacy with sterling qualities and to love him for his many virtues. His leading characteristics were strict justice and firm adherence to principle. Faithful to his convictions, true to his friends, conscientious in the discharge of his duty, he was a man among men-faithful and tender and true-one who could be relied upon in any emergency.

"Capt. Darden was in the prime of usefulness and hope, with every indinomination for State Auditor at the next general State Democratic Convention. Yet, in the midst of life he did not forget the 'Beginning, Mean and End of all things-God,' and for years he had been a devout and exemplary member of the Methodist church. Hence it is gratifying to his friends and full of consolation to the loving relatives he leaves behind to know that, though his summons may loving Saviour. An earnest Christian, there can be no doubt that his slumber, though dreamless and endless here, has had a glorious waking beyond."

Terrifle Explosion.

CLEVELAND, June 3 .- At 4 o'clock. this afternoon, during a thunder storm. lightning struck a powder house, one mile east of Marshfield, Ohio, owned by Tracy & Avery, which contained over ive thousand pounds of powder. A terrific e xplosion followed, that was felt distinctly in all parts of the city. direction. Just across the road was was shivered to atoms. One of the children, fifteen months old. was crushed and hurled thirty feet away lifeless. Another, four years old, was juries that will likely prove fatal. A new unoccupied dwelling adjacent to the Roost house, was levelled to the foundation.

The force of the explosion was so terrific that bricks of the powder house were hurled full a quarter of a mile away, the debris sweeping over fields and through adjoining woods, leaving a path like that of a shell sweet battle-

The County Commissioners and Justices of the county were in joint session on Monday last, as required by law, fon the purpose of transacting county business. The tax levy was the same as last year, and the same commissioners were elected, to-wit: C. H. Fowler, Sam'l Campen and Henry Reel, and the same finance committee were also elected, and steps were taken for building a court house, which is much needed

Pamilco Male and Female Institute.

BAYBORO, N. C., June 4, 1890. EDITOR JOURNAL-In your daily Issue of May 21st we notice in your Bayboro items a programme of the closing exercises of the Pamlico Male and Female Institute. I write you to correct it, as your itemizer is in error.

The closing exercises will commence on Thursday, the 19th day of June, at 9 o'clock, a.m., and will consist of a classes, during the day, with music, by the music class, interspersed.

At night on the 19th, at 8 o'clock, O H. Guion, Eeq., will deliver the address strolled along the ocean beach; others before the school, the music class will render music, and some recitations and calisthenic exercises will close the pro-

Dynamite as the Liberator.

CHICAGO, June 2.-Mrs. Parsons, in a speech today at a meeting of the "Arbeiter-Bund," said: "Dynamite was to be the liberator of the human race; not that people would go round with bombs and destroy human life, but that as gunpowder had abolished the power of the feudal barons, so would dynamite, in the hands of the working classes, render the armies of the capi talists useless in a street fight.

Resolutions prepared by Mrs. Parsons were adopted declaring the "finding of dynamite at the Haymarket monu ment to be an attempt upon part of the police to raise an anarchist hue and cry for purposes of their own, particularly to prejudice the case of Fielden, Schwab and Neebee.

Brains and Money.

the christening ceremonies of the town pers the fullest opportunity of reaching of Kimball, on the Tennessee River, markets regularly. thirty miles west of Chattanooga, said that to make an industrial development required nature's gifts, brains and money. The Geologist and every other intelligent person who examined the subject reported the immediate prox imity of timbers, metals, coal, clays stone, and in fact everything that can be well thought of necessary for a manufacturing city are situated right there on the banks of the Tennessee River, the only place where the Tennesse River tonches the Cumberland coal fields. The Colonel also assured parties that ample funds had been provided for it, so that there will be no lack of money; and U. S. Judge Key said that Colonel Roots' statement on such subjects could be relied upon. The Colonel remarked, however, that he was not making assertions as to the brains devoted to the management. When it is known that Colonel Roots is the President of the Company, and that H. I. Kimball, of New England birth and Georgia residence, famed for his management of large enterprises, is the Vice-President and General Manager. the assurance of brains controlling affairs is complete. He who misses being at Kimball on the 10th and 11th of June will certainly miss an opportunity for great pleasure and opportunities for profitable investment.

Fell Dead During an Altercation. CHARLOTTE, N. C., June 2.-Walter Taylor, an employee at Holmes & Miller's factory at Salisbury, dropped dead today during an altercation with a negro boy. He had accused the negro of stealing a watch, and upon the negro's picking up a stone, Taylor struck him and immediately fell dead. Heart failure is ascribed as the cause of his
