IT is said Quay and other Republicans are afraid to pass the invited to attend." force bill because of their investments in the South. It is equally true that they are afraid because of their investments in Congress.

ELLIOT FREELOVE SHEPARD has sent to Washington a double jointed son of Ham named Anderson to represent the Mail and Express. He is arrayed in a blue russet shoes and Gordon sash. He is a regular tacky.

KANSAS is always extraordinary. the middle, and now we have Kansas with a people's party with a state ticket that includes a woman and a negro preacher,

AND now we are told that the late Convention in South Carolina practically settled nothing. The nominating convention in September will be composed of new members, and they will make the platform and nominate candidates. "Much cry and little wool."

THE St. Paul Pioneer-Press one of the best Republican papers in the West says: We tell the Senators plainly that the party is in danger, if they do not assert their tremists of the House. What the Republican party needs today above all things else is a few more rebels in the Senate.

In reply to the Concord Standard's question, 'Is there an orator in North Carolina ? The Wilmington Messenger says: "We should say so. There are many scores. Without particularizing much we ask where are Davis, Ransom, John Long, Waddell, Mason, and many others who are "orators" if not Patrick Henrys and Henry Clays.

the situation will be changed. The September. A good tent has been prepared for the occasion. The public are city seeks to avoid no legitimate responsibility, and will stand by the right whatever it may be.

Yesterday morning the Neuse river We cannot afford to be without was as smooth as glass and vessels electric lights because they are an imseveral miles from the city looked like provement over any other mode. It is 'painted ships upon a painted ocean.' the natural light, powerful, brilliant The water was so calm and placid that and in keeping with the march of prothe shadows of the sails could be seen.

as if reflected by a vast mirror.

E. G. Hill, Esq., had the case of United States vs. R. C. Cieve before him on Friday afternoon. The defendant was charged with obstructing the flannel suit, a white straw hat, U.S. mails by detaining and assaulting the mail carrier, and was bound over to the U.S. District court in the sum of

\$200.

We call attention to the new advertric light has no equal for brilliancy First we had bleeding Kansas, then tisement of the Old Dominion Steamship Kansas with a senator who steals Company, which appears in our adverhis speeches and parts his hair in tising columns today, and which goes into effect September first, 1890. The steamer Manteo leaves Norfolk Monday, September first, 1890, and the steamer Newberne leaves New Berne Tuesday, perfection. September second, 1890.

> Brice Moore, colored, has discovered a new kind of incubator. A few days ago he threw what he thought to be a number of spoilt eggs into a compost the case. which were afterwards hesp, covered up. A few days ago he was digging in the heap when he found two bright little chicks that had hatched from the warmth of the earth.

A New Mail Route.

There is to be a semi-weekly mail be ween New Berne and Swan Quarter. An effort was made several months ago to and we are glad that it has been successright to save it from the tariff ex. ful. It will be advantageous and of considerable benefit to the business interests of this city and to the Swan at the withdrawal of the Hon. F. M. Quarter section.

Bids for carrying the mail by steamer were closed on August 15, and if any one of the proposals is accepted, we understand that the route will be established by September 1.
