

The Convertible Policy

The Convertible Policy issued by **THE MUTUAL BENEFIT Life Insurance Company** includes all the liberal features of the Company, with the addition of a guaranteed Cash Surrender value, which will be paid at any time after two years premiums have been paid, if demanded. Every Policy has endorsed upon it a table showing in plain figures the options granted by the company.

1st option. Cash surrender value.
2d option. Amount that may be borrowed from the company on the policy.
3d option. Extended insurance for full amount of the policy.
4th option. Paid up policy value.

This is the most liberal policy yet offered and is the safest insurance to be had. Every dollar paid gets a dollar's worth of insurance. No loss by lapse.

NOTHING SUCCEEDS LIKE SUCCESS.

The reason RADAM'S MICROBE KILLER is the most wonderful medicine, is because it has never failed in any instance, no matter what the disease, from LEPROSY to the simplest disease known to the human system.

The scientific men of today claim and prove that every disease is CAUSED BY MICROBES, —AND—
Radam's Microbe Killer Extirminates the Microbes and drives them out of the system, and when that is done you cannot have an ache or pain. No matter what the disease, whether a simple case of Malaria Fever or a combination of diseases, we cure them all at the same time, as we treat all diseases constitutionally.

Asthma, Consumption, Catarrh, Bronchitis, Rheumatism, Kidney and Liver Disease, Head Aches and Fever, Female Troubles, in all its forms, and, in fact, every Disease known to the Human System.

Beware of Fraudulent Imitations! See that our Trade-Mark (same as above) appears on each jug. Send for book "History of the Microbe Killer," given away by R. J. GOODING, SOLE AGENT, Corner Pollock and Middle Sts., m30 dwly crnn New Berne, N. C.

THE JOURNAL.

PEARLY GATES.
Where are you going so fast, old man, Where are you going so fast? There's a valley to cross and a river to ford; There's a clasp of the hand and a parting word— And a sigh for the vanquished past, old man, The beautiful, vanquished past.

The way has been rugged and rough, old man, To your feet—has been rugged and rough; But you see a dear being with tender eyes, Who shares in your labor and sacrifice? And this has been sunshining enough, old man— For you and me, sunshining enough.

You are now at the foot of the hill, old man, Of life—at the foot of the hill, The sunshiny city that lies just before— It is only a step to the other shore, Go in through the pearly gates, old man— The beautiful, pearly gates! —Constitution.

Stonewall Items.

In our last correspondence you had some errors in regard to spelling the names of persons mentioned which we regretted very much.

Miss Sue Griffin, daughter of W. J. Griffin, near this place, died at her home on the 9th inst., quite suddenly. She was up, well as usual the day before, and died before day, congestive chill supposed to be the cause of her death.

Mrs. Annie Ferree and daughters, Misses Emily, Ola and Willie, have been spending a few days with their relatives and friends in this place. Mrs. Annie and Miss Willie have returned to your city, their home, and Misses Emily and Ola are to follow them tomorrow.

This morning Miss Ola, accompanied by S. W. Ferree, were in the river crabbing and Sam says all the warning he could give had no effect and the sequence was that the boat being ticklish Miss Ola lost her balance and fell over-board, getting a complete dowsing. No damage, only a wetting of some crinoline.

At the Methodist church in Bayboro, on the 13th inst., Rev. D. A. Watkins officiating, James Sawyer and Miss Rosa Hooker were united in matrimony.

The fodder savers are having a nice time for their business; no rain to prevent their work and if the weather continues good there will be a fine chance saved.

Cotton is being damaged by the rust.

Woe unto ye lazy ones who are idling away this beautiful weather. This Fall you will hum your same old tune, "Hard times."

Capt. Gates, of New Berne, was in our village a few days ago, looking hale and hearty as usual.

The Baptist Sunday school is increasing in membership. We urge all our young friends to come out every Sunday morning. They cannot better spend a short while than by attending Sunday school.

Mev. Mr. Johnson filled his regular appointment at Lane's Chapel last Sunday.

Prof. Adams of New Berne was in the village last week.

BLOOD DISEASES.

Blood diseases are terrible on account of their loathsome nature, and the fact that they wreck the constitution so completely unless the proper antidote is applied. B. B. B. (Botanic Blood Balm) is composed of the true antidote for blood-poison. It never fails to give satisfaction.

Mrs. Laura Hart, Beaufort, S. C., writes: "A loathsome form of blood poison was killing me. My appetite was lost, my bones ached, and parts of my flesh seemed as if it would come off my bones. A friend brought me a bottle of B. B. B. The sores began healing at once, and when I had taken two bottles surprised my friends at my rapid recovery."

W. A. Bryant, Moody, Texas, writes: "I had an agonizing case of Salt Rheum for four years, which medicine I took only seemed to aggravate until I found B. B. B. It cured my hand, which resembles a burnt surface. It also cured my two children of Itch, which had resisted previous treatment."

TAKE S.S.S. IN THE SPRING.

Nature should be assisted in the spring to throw off the heaviness of the sluggish winter circulation of the blood. Nothing does it so well, so promptly or so safely as Swift's Specific.

I have used S. S. S. for a number of years, and consider it the best tonic and blood remedy that I ever used. In fact I would not attempt to enter upon a spring or summer in this climate without it.

AGENTS

JAMES MEANS' \$3 & \$4 SHOES

"Competition is the Life of Trade," and if you have not seen our latest improved goods you cannot imagine how lively trade is, or how hard our competitors have to work to keep within sight of us. Ask your retailer for the James Means' \$3 Shoe, or the James Means' \$4 Shoe according to your needs. Positively none genuine unless having our name and price stamped plainly on the soles. Your retailer will supply you with shoes so stamped if you insist upon his doing so; if you do not insist, some retailers will coax you into buying inferior shoes upon which they make a larger profit.

Such has been the recent progress in our branch of industry that we are now able to affirm that the James Means' \$4 Shoe is in every respect equal to the shoes which only a few years ago were retailed at eight or ten dollars. If you will try on a pair you will be convinced that we do not exaggerate. Ours are the original \$3 and \$4 Shoes, and those who imitate our system of business are unable to compete with us in quality of factory products. In our lines we are the largest manufacturers in the United States.

Shoes from our celebrated factory are sold by wide-awake retailers in all parts of the country. We will place them easily within your reach in any State or Territory if you will invest one cent in a postal card and write to us.
