ALLIANCE.

the 13th instant brings to the schemes can be successfully sas- cured by Dr. Mozley's Lemon Elixir, notice of the readers of that excel- tained." This is the gospel of lent paper the boycot of the Duplin truth, and the gospel of De-Alliance. It is as follows:

"Whereas, certain newspapers in the State of North Carolina, and among them the Wilmington Messenger, have, while professing friendship to the principles of the Farmers' Alliance, scemingly sought every opportunity to mis. an interesting story connected represent the purposes of the Al- with it. Not long ago Miss Butler liance and its efficers.

"Resolved, That Duplin County Alliance recommend to the members of the sub-Alliances in the county not to patronize any newspaper that pursues that course."

The Messenger has made reply. and to none of them do we turn Messenger, for we know that it is tightly tied. reliable, broad, liberal and Demoeratic. We cannot recall a line make the best of it and to have the from the Messenger that is un- by a clergyman. Accordingly, friendly to the farmer or un- last evening Mr. and Mrs. Harris generous to the Alliance. If it is went before the Rev. Clearfield assumed that fidelity to the De. Park of Millville, and, in the pres mocracy is opposition to the Al- ence of a few friends, were reunited liange then the charge of the Duplin Alliance can be sustained by abundant testimony. But the Alliance, as a national organization, has made so few blunders, and the reason for it is to be found in the conservatism of its Southern at the services which marked the element.

The Texas Alliance has already pronounced against the sub-treasnry bill, and many other State in the newspapers as to the per-Alliances will follow the lead of secution of Jews in Russia. Texas, whenever they come to the investigation without prejudice, and in the light of reason assisted by the Constitution and the laws. But suppose the sub-treasury bill shall after due investigation prove to be all right, where is the wrong of subjecting it to fair and legitimate criticism? What is a newspaper worth that does not pronounce its honest judgment upon increasing at a wonderful rate .all questions agitating the public mind and affecting the welfare of the people? That institution, whatever may be its claims, that can't time ulceration sets in the spongy bear criticism cannot pass the ordeal of public opinion. The press must be free, and whatever cringes lent secretions into the throat, someand fears its lash cannot stand the light of day.

Now, the truth of the matter is a powerful and beneficent organization It is composed largely, and principally, of the best element sleeves are of recent origin. A of American society, and is designed sort of nude departure as it were.

for the accomplishment of very great good. In proportion to its ability to accomplish good is its closest investigation. That news- to the sick room, ADVERTISING RATES (DAILY)-One paper which withholds from it its censured, and it is equally true puffer. Locals," 10 cents a line for first, and 5 cents that the paper that does not dare swered the old physician, to criticise its faults is unworthy of "except that smoking induces public confidence and support. drinking; drinking induces in-Honest and fearless dealing with toxication; intoxication induces all public questions is the imperative duty and only life warrant of terminates in death. As you a newspaper. If it cannot meet the sit up there behind your pipe, responsibility of the situation it put that in it and smoke it. must die. The decree is as inexorable as the fiat of fate!

Agricultural papers are not agreed among themselves. The Home and Lemon Elixir. Farm, the great farmers' paper of Lemon Elixir. Kentucky, is in full accord with the author by application at this office and Senator Vance and other leading statesmen. In its issue of September 13th it says: "The principles Lemon Elixir. which should control legislation. and that which the farmers demand of one section of the country, or of one class of citizens for the benefit of others. Whenever the farmers compromise themselves under the druggists. belief that some of 'the swag' will THE MESSENGER AND THE DUPLIN reach the farmers themselves, they have yielded the only ground upon The Wilmington Messenger of which the opposition to these mocracy.

Married Just for Pon.

marriage of Charles F. Harris of and has to be waited on. this city and Miss Nellie Butler, of Norfolk, Va., last evening, has came to Millville as the guest of Miss Eva Paine, and while there she formed the acquaintance of Harris, and, one evening about two weeks ago, the two determined to go through the marriage ceremony "just for fun." A gentleman who was present acted as master That reply is honest, truthful and of ceremonies, and after the supmarly. As an editor it is our duty posed mock ceremony had been to read the newspapers of the day, performed, the couple learned to their asthonishment, that he was a Justice of the Peace, and that with more pleasure than to the the knot had been legally and

However, they concluded to ceremony performed in due shape in marriage,

Why the South is Solid

WASHINGTON, Sept. 8th, 1890. -Democratic magnanimity was assumption is false, and has not strongly contrasted with republithe shadow of truth to rest upon. can selfishness when the Southern The great underlying principles of Senators voted with the norththe Alliance are correct, and pre. western Senators to place binding eminently Democratic; but to say twine on the free list. The great eminently Democratic; but to say grain producting States are the that all the demands of the Alli-largest users of binding twine. But ance are just is absurd. Infalli- when the Southern Senators asked bility is an attribute of Deity and for an amendment to the tariff bill attaches to nothing that is human. placing cotton bagging, which is A great majority of the Alliance is states, on the free list, the in the North and West, among a republican Senators voted solidly people who never understood the against it. That is just the sort Constitution and who seem in- of sectional legislation that has capable of learning the relation of created a "solid South" and as Every one buying Five Tansill's Punch capable of learning the relation of long as the one continues the other long as the one continues the other long as the number of persons at the likely to remain. It is a bad work both ways —Warrenton Herreld.

Banishment of the Hebrews.

London, Sept. 13.—Rabbi Adler opening of the new synagogue in Hammersmith, declared that he had received an unquestionable confirmation of recent statements

ODESSA, Sept 13 .- During the last ten day's, 50 Jewish families have left Berditscheff for England, America and Australia.

It is a noteworthy fact that the increase in the number of spindles in the South during the last year is equal to almost half the number that was in the South ten years ago. This fact shows that cotton manufacturing in the South is Goldsboro Headlight.

THE BREATH of a chronic ostarrh patient is often so offensive that he becomes an object of disgust. After a bones are attacked and frequently entirely destroyed. A constant source of discomfort is the dripping of the purutimes producing inveterate bronohitis. which in its turn has been the exciting cause of pulmonary disease. The brilliant results which have attended its use for years past properly designate simple and clear. The Alliance is Ely's Cream Balm as by far the best and only cure.

Fashion plates show that short
