The Yacht Club.

The New Perne Yacht Club is perfecting its plans and making arrangements looking to the accomplishment of the purposes for which it was organized. The members will give an enter- tive value of all new comers. This tainment soon, which will be chiefly a year we are growing many that are old musical concert for the purpose of and well worn, as a means of compariraising money. As soon as a sufficient Hereafter we will grow only the new amount is in the treasury they intend ones as they appear annually. We will TRAINED ANIMALS to erect a boat house on the piling at work also in the line of improvement the foot of Broad street as large as the varieties specially adapted to the needs funds raised will permit, which will be of our growers. We want to put our built in such a way that it can be en- selves and our work in close connection larged as the necessity arises for it and with every worker in the State, and as the means come in for doing so. In earnestly request North Carolina farmers to correspond freely with us on exhibit at the annual winter fair. this house both sailing yachts and row every subject which affects our interboats of various styles and sizes, owned ests. We want our farmers, fruit grow bages, but even cabbages wont fine corn, fruits, vegetables, etc. It is by the club, will be kept for the use of ers and truckers to feel that the Station the members who will have the privilege of inviting friends. A row barge times, either by mail or in person, ready 35 feet long, which will carry five oars to render all the help we can .- W. F on each side and is capable of accommodating a good sized party, has already been purchased and is the only boat the club now has.

The parties who are getting up the entertainment will no doubt make it a success, for they have had previous ex- The postal authorities at Montgomery perience at such work, and we know how good an entertainment our New Berne people can give. When it comes off we hope that it will be well attended, and that the club will realize a handsome sum from it.

It is a little strange that we have not had an organization of this kind here before, for the town is finely situated for such delightful recreation, half surrounded as it is by our two beautiful rivers, and our olimate being so mild, that not only in the summer, but also through a great part of the winter s sail or row will be found enjoyable, healthful and invigorating to both mind and body.

Returned from South Carolina.

Dr. H. O. Hyatt returned from Bennettsville, S. C., Tuesday, where he had been for the last two weeks. Dr. Hyatt been for the last two weeks. Dr. Hyatt is giving the eye, ear, nose and throat especial attention, and is well fitted up for the treatment of diseases of those organs. He will remain at home continuously for several months, having as much professional work as he can well attend to here. He keeps a stock of the finest spectacle lenses of American and European manufacture, Whenever he fits a pair of glasses he guarantees the fit and the quality of his lenses, and agrees to refund the price of his glasses whenever they are returned within a reasonable time. This is certainly a square way of doing business.—Kinston Free Press.

HORSES, ATHLETES AND MUD.

FOUR YEOUSAND PROPLE AT THE CIRCUS AT AGRICULTURAL PARK.

There was a tremendous crowd at Washburn & Arlington's crous, at Agricultural park, last night. It rained the weather, and ploughed their way for E. K. Bishop. through the mud to the monster tent in the middle of the park.

The performance last night took place in a huge tent measuring 350x150 fee'. Shortly after 8 o'clock the entire company of men, women and beasts appeared in the arens and paraded round denizens of the wild and woolly West were there, and close on their heels trod several native Indians with the characteristic high cheek bones and camels in the march attracted a good deal of attention, and the horses, which were really a splendid lot of animals, excited universal admiration. The comic element of the parade was supplied by a clown, who rode around in a
