THE Kansas City Times says, "Mr. Cleveland has reason to feel better at this time than ever he did in his life. The cause of tariff reform, of which he is the most conspicuous representative, appears morally certain of fresh conquests throughout the country. The next House of Representatives will in all political probability be Democratic. The next President will be a Democrat if the sentiment of the country continues to grow along the lines of its later development.

Pronounced Hopeless, Yet Saved. From a letter written by Mrs. Ada E. Hurd, of Groton, S. D., we quote: "Was taken with a bad cold, which settled on my lungs, cough set in and finally terminated in consumption. Four doctors gave me up saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles; it has cured me and thank God I am now a well and hearty woman." Trial bottles free at F. S. Duffy's drug store; regular size, 50c. and \$1.00.

L. L. Polk, national president of the Farmers' Alliance, has just returned from a tour through the States of Kansas, Nebraska, Missouri, Iowa, and Illinois, where, he says, the growth of the Alliance is unprecedented. He says alliances have been organized in 35 States, numbering in all 34,000 lodges embracing a membership of 2,000,000. He expects the membership to be increased 500,000 within the next year.

Why continue the use of irritating powders, snuffs or liquids. Ely's Cream Balm, pleasant of application and a sure cure for catarrh and cold in head, can be had for 50c. It is easily applied into the nostrils, is safe and pleasant, and is curing the most obstinate cases. It gives relief at once.

Circumstances are beyond the control of man; but his conduct is in his power.

Eucpepy. This is what you ought to have, in fact, you must have it, to fully enjoy life. Thousands are searching for it daily, and mourning because they find it not. Thousands upon thousands of dollars are spent annually by our people in the hope that they may attain this boon. And yet it may be had by all. We guarantee that Electric Bitters, if used according to directions and the use persisted in, will bring you good digestion and oust the demon Dyspepsia and install instead Eucpepy. We recommend Electric Bitters for Dyspepsia and all diseases of Liver, Stomach and Kidneys. Sold for 50c. and \$1.00 per bottle by F. S. Duffy, druggist.

The hand of little employment hath the daintier sense.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

Genius can never despise labor. Labor is the law of happiness.

THE proprietors of Ely's Cream Balm do not claim it to be a cure-all, but a sure remedy for catarrh, colds in the head and hay fever. It is not a liquid or a snuff, but is easily applied into the nostrils. It gives relief at once. Without labor there would be no ease, no rest. Every tissue of the body, every nerve, bone and muscle is made stronger and more healthy by taking Hood's Sarsaparilla.

Children Cry for Pitcher's Castoria. There Is Probably More Soap Brought to the town of New Bern than any other town in the State. Why is this? Because the people are determined to keep clean, and have everything about them pure and sweet. And right here is the reason I keep Tansill & Co.'s Cigars; they are the purest and sweetest Cigars made, so all good smokers say, and are pleased with them. And don't you forget the \$25,000 to be given away on guesses. You may win money. WM. L. PALMER.
