THE race may be between Cleveland and Blaine.

HARRISON has lost his hat and is out in the cold.

CLEVELAND has sent congratulations to Governor Russell.

THE People have repudiated Harrison and his administration.

THE Treasury Department has begun again the purchase of silver.

THE Nashville Argonaut has moved its quarters to Rocky Mount.

BABY McKEE's sashouy. "Farewell, a long farewell, to all my greatness."

THE whipped roosters of Craven are crowing lustily over the general result. Hurrah!

WILL it be the two Cs—Cleveland and Campbell, or the two Ps—Pattison and Palmer?

IT has been demonstrated that iron can be made in the South cheaper than in the North.

MR. GLADSTONE declines the nomination for the Rectorship of the University of Aberdeen.

REED and McKinley are as effectually squelched as it they were drowned in the depths of the sea.

DO you want to see fun? Wait until Reed is on the floor and Crisp in the chair. "Skin the cat" wont be a circumstance to it.

TUESDAY'S election brings Blaine and Allison to the front as the leading Republican candidates for the Presidency.

THE coons didn't stick up to Haskell. Haskell ought to have had more sense than to trust them. Tillman's majority is a large one.

IF McKINLEY is elected, of which there are serious doubts, he will soon be a fit picture of the parrot after the monkey was done with him.

WHERE now are Republican principles? Grandfather's hat mashed; Reed's belly-band busted, and Baby McKee spanked and sent to bed.

HARRISON and Miller went home to vote. While there they had better look after things; have the blinds dusted and the front yards cleaned up.

NO, Craven County didn't roll up a Democratic majority worth a cent, but Craven Democrats are as happy over the general result as any body can be.

continued, and justice and equal rights secured to every citizen.

It is announced that F. M. Simmons and Clement Manly have formed a partnership for the practice of Law in the city of Winston. This is a strong firm. It is composed of lawyers and gentlemen who reflect honor upon every community they enter. New Berne suffers an incalculable loss in the removal of F. M. Simmons and Clement Manly.

LOCAL NEWS.

NEW ADVERTISEMENTS.

THEATRE—Miss Ross Osborne.

COTTON.—New Berne market—Sales of 43 bales at \$14 to \$34.

Mr. Thomas Daniels has been elected vice-President of the New Berne National Bank in place of Mr. L. H. Cutler resigned.

A horizontal and vaulting bar of the latest improved pattern has been put up in the Y. M. C. A. gymnasium, and a trapezoid and climbing rope will be put in. A safety mattress will be used to prevent any accident that might occur.

Under the skillful manipulations of the paint brush in the hands of Mr. Joseph Brinson, the residence of Mr. Wm. Gaskins has put on a fresh and attractive appearance. The body of the house is bright yellow, and the trimmings are chocolate and Indian red.

We regret to know that Rev. Mr. Hundley of South Carolina, recently called to the pastorate of the New Berne Baptist church, cannot accept. Mr. Hundley preached two very fine sermons here a short while since, and impressed those who heard him as a very able preacher.

Two hundred students are now enrolled at the New Berne Collegiate Institute and there are others still to come. Though the school library contains a thousand select, entertaining, instructive volumes, Prof. Adams does not rest satisfied but is moving in the matter of doubling the number with fair prospects of success. He is also increasing the list of periodicals kept in the reading room which affords the students abundant opportunity of familiarizing themselves with the topics that are engrossing the attention of the public. Yesterday afternoon the tariff, an important question in which the whole country feels an interest was the subject of discussion by the pupils of the civil government class. These students that have a connection with the events now transpiring are a marked feature of the school.

At the Theatre Friday Night.

Miss Rose Osborne, an actress well known throughout the South, will appear at the theatre Friday, November 7, in a melo drama entitled Satan. Miss Osborne will be remembered as leading lady for the late C. B. Bishop, and was starred for two years in Bartley Campbell's troupe when that gentleman managed his own company.

The Date Has Been Set.

At a meeting of the directors of the Fair Association it was decided to open the next Exhibition, beginning February 23d to continue one solid week. The premium list this year will be larger than it ever has been, both in the amount of money offered and the variety of exhibits. It is time now that these exhibits should be looked after and especially do we ask the farmers to guarantee a large display of agricultural products, such as Craven and the adjacent counties raise. Be on the lookout now and have something to show the large number of people that are expected and REMEMBER THE DATE.

The Stella Route Wanted.

Mr. P. A. Koonce, living at Stella, Carteret county, was in the city last week and he was anxious that the new railroad, now on the way to New Berne, should tap Stella, and he has good argument favoring that route. In the first place it would be further away from the A. C. Line, and would more equally divide the large territory that has so long remained undeveloped for the want of more rapid and reliable transportation; and at Stella deep water navigation is touched, affording an outlet to the sea, where an extensive shipping trade in lumber, fish and oysters besides other commercial products would be rapidly developed.

The distance over this route would be only about five miles more than the proposed central route and that it would traverse a section that grows large quantities of as fine timber as there is in the State. There will be very little if any poison to go through, and would touch Maysville and other points of interest.

FURTHER REPORTS FROM CRAVEN AND ADJACENT COUNTIES.

The Republicans claim the district for Cheatham by a large majority, but the Democrats have still some hopes for Mewborns.

In Craven thus far seventeen precincts have been heard from and give Cheatham a majority of 682. Four other precincts to be heard from will probably increase it to 850.

Grady in the third district elected by a large majority. Bunn in the fourth has about 4,000 majority. Williams, democrat, in the fifth defeats Brower. Alexander elected in sixth district over Norment by overwhelming majority. Henderson in the seventh and Crawford in the ninth elected. Crawford defeating Ewart, republican.

The eighth district in great doubt; Cowles, democrat, losing in Cleveland and Gaston; Faucette, independent Alliance man, probably elected.

North Carolina legislature about two-thirds democratic. Wake county makes a clean sweep and elects entire democratic ticket by from 600 to 1,000 majority. Thompson, democrat, defeats Upchurch for clerk of court by 500. Pou defeats Argo in the fourth district for solicitor by 5,000 majority. Barbour, democrat, defeats Settle in the ninth district for solicitor by 800 majority. Illinois is very close; both parties claim it.

Latest returns from Kansas say that the peoples' ticket—a fusion of the Alliance and the Democrats—sweep the State, carrying the State ticket, and elect five Congressmen and a majority of the Legislature. This will defeat Ingalls for the U. S. Senate.

The Minstrels are coming. Mr. J. C. Knapp, advance agent and general contracting agent for Hi Henry's Minstrels, arrived here yesterday, and billed his show to appear on November 7. The Charlotte News, commenting on the appearance of the show, there says: A large crowd greeted Hi Henry's Minstrels at the opera house last night, and the audience was treated to one of the best minstrel shows ever seen in this city. A good many new and novel features were presented, and the show throughout was perfectly clean and bright. This show pleased everyone, and they will all be there again tonight. If tonight's programme is as good as that of last night, the show deserves a packed house, and it will doubtless have it. It is a real good show in every respect.—News and Observer.
