DELIGHTFUL, beautiful weather!

REMEMBER that the 27th is Thanksgiving day.

WOOLEN mills in Rhode Island are shutting down.

It is said that ex Secretary Vilas will be made Senator from Wisconsin.

It looks certain now that the Democrats will gain four U. S. Senators.

CHANCELLOR VON CAPRIVI congratulates Milan upon the peaceful prospects of Europe.

THE election of a Democratic Congressman from Montana is now conceded by about 150 majority.

THE Memphis Appeal and the Memphis Avalanche have been consolidated. The paper is to be known as the Appeal Avalanche.

SOME Republican papers are crying out, "Quay must go." Gentlemen, you are late. The auction is over: "Going, going, third and last call; gone."

THE Republicans are chagrined, soured, mad and vindictive. They will pass the Bayonet bill probably in a spirit of retaliation.—Wilmington Messenger.

"SARAH BERNHARDT'S son will fight a duel for her with an editor." Sarah is not as good as she might be and deserves censure, but it is right in her son to defend her.

It is an on year for Democrats—on top. It is an off year for Republicans, because the people want the war taxes off and hands that held bayonets kept off the elections.

OUT of deference to the wish of her father, Mrs. Howe, formerly Miss Butterworth, will not wear mourning for her husband. Ben Butterworth and his daughter are two sensible people.—Wilmington Star.

W. G. EWING, Democrat, claims that he is elected to Congress in the first Illinois district, which, if verified, will give all four of the Congressmen from Chicago to the Democrats.

STEPS are being taken at Raleigh towards having North Carolina properly represented at the Chicago World's Fair. "No such opportunity has ever occurred to raise the curtain which hides North Carolina from the world."

It is indeed a splendid victory. It places Indiana in the front rank of the reform Commonwealths of the nation. It proclaims to the world that she stands on the solid rocks of equal taxation, local self-government and honest methods in politics.—Indianapolis Sentinel.

A THOUSAND thanks to the Republicans of the Fifty-first Congress. They passed the McKinley bill just in time. If they had had the reckless audacity to pass the Force bill also they would probably have been entirely wiped out in this election. In the political history of this county no party ever received a sterner rebuke at the polls.—N. Y. Herald.

Mr. Loge Harris, we take it to be, telegraphs the New York Times that Vance's election is doubtful. He says the Alliance has a majority in the Legislature and may cause trouble. We believe the Alliance members will remain Democratic and be faithful to the distinguished Senator.—Wilmington Messenger.

LOCAL NEWS.

NEW ADVERTISEMENTS.
BIG LIKE—Presents to the ladies.
BOYKIN, CARMER & Co.—Protect your wheat, etc.

COTTON—New Berne market—Sales of 62 bales at 8 1/4 to 95.

Mr. J. W. Rouse informs us that he and some other farmers of Maple Cypress are now manufacturing a nice grade of molasses.

The rush at the box office yesterday for tickets to the Minstrels was probably the greatest since the appearance of Madame Kellogg in New Berne. It was quite difficult for Mr. Bell to please all, so eager were they to obtain the best seats.

Rev. R. A. Willis conducted the prayer meeting at the Y. M. C. A. last night, taking for his subject, "A Man Who Knew His Own Heart." It was an interesting discourse and calculated to do much good. Tonight Dr. Vass will conduct the service. Subject, "Al-moost Ruined by Pride." 2 Kings v: 1-15.

The Y. M. C. A. gymnasium hall is very nearly complete now, and the boys are having a good time. The daily attendance since moving into the new quarters has increased over 100 per cent. At a meeting of the ladies auxiliary yesterday afternoon it was decided to hold a grand social next Friday night.

Henry's Minstrels.
When it was first announced that Hi Henry's Minstrels would visit New Berne, expectations ran high, very high, because their name for a first-class and refined performance had preceded them. Their appearance at the theatre last night sustained the reputation and we believe that expectations were more than met. From beginning to end it was a continual flow of music, mirth and wit. Each character was an artist within himself and the appreciation exercised by the audience was thoroughly attested to by the closest attention and hearty applause. A finer minstrel troupe never came to New Berne.

The entire troupe travel in a private car. It is a miniature traveling palace and was designed and constructed by Mr. Henry at a cost of \$30,000.

The Winona.
We find in the Baltimore Sun the following information in regard to the revenue cutter Winona, soon to be stationed at New Berne:

"The new United States revenue steamer Winona arrived yesterday from Norfolk, Va., where, according to contract, she was delivered by her builders, the Pussey & Jones Company, of Wilmington, Del. The trip from Wilmington to Norfolk was made in 26 hours. Not having a crew on board, she was towed from Norfolk to Baltimore by the revenue steamer Crawford, Captain Baker, and moored at Chase's wharf. The Winona will fit out here for the New Berne station, which has been without a vessel since the old Stevens, now at this port, was withdrawn. The new vessel is an iron hull, twin-screw steamer, 148 feet long and 8 feet beam, with a loaded draught line of 5 1/2 feet. Capt. W. S. Simmons is in command, with First Lieut. John Morrissey as executive officer and Chief Engineer William C. Wheeler and Assistant Engineer E. A. Jack. The Winona is named after the home of Secretary of the Treasury Windom, in Minnesota."

A Wonder Worker.
Mr. Frank Huffman, a young man of Burlington, Ohio, states that he had been under the care of two prominent physicians, and used their treatment until he was not able to get around. They pronounced his case to be Consumption and incurable. He was persuaded to try Dr. King's New Discovery for Consumption, Coughs and Colds, and at that time was not able to walk across the street without resting. He found, before he had used half a dollar bottle, that he was much better; he continued to use it and is today enjoying good health. If you have any throat, lung or chest trouble try it. We guarantee satisfaction. Trial bottle free at F. B. Duffy's drug store.

Remember the Fair.
Let everybody get ready for the next Fair. The officers are doing their part diligently and wisely and the arrangements will far surpass in completeness and convenience those of any previous year. The next move on hand is the erection of the grand stand. The plan has been drawn up. It will be 87x185 feet and will be so arranged as to seat 1,500 people comfortably.

The races will be a new and attractive feature. As we have already stated, an excellent race track has been constructed and the Fair managers have secured the promise of very fine race horses.

The premium list is now being prepared. It will be very full and liberal and will be issued next month.

Again we say to everybody keep the Fair in mind and not only save, but specially prepare exhibits for it.

Personal.
Hon. F. M. Simmons, Mr. H. L. Gibbs and their families moved yesterday to Winston their future home.

Mr. T. A. Green left to attend the Fireman's convention at Greensboro after which he will visit his daughter, Miss Maud, at the Salem Female College.

Maj. S. D. Pope left for a two weeks tour on insurance business.

Capt. Jno. A. Richardson went up to Raleigh on a business trip.

Miss Minnie Bryan left to attend the Fayetteville fair.

Mr. Geo. V. Sloat, of New York, the Superintendent engineer of the O. D. S. S. Company, came in on the steamer Newberne, of the O. D. line, yesterday on business and returned on the outward trip of the Newberne. Mrs. Geo. H. Roberts and son came on the same steamer from a visit to friends in Suffolk.

A Mysterious Homicide.
GREENVILLE, N. C., Nov. 10.—A young negro man was shot and killed on the public highway, four miles from Greenville today. Several persons working in a field near by heard the pistol but did not see the person who fired the shot. It is a strange occurrence and no clue or motive has been ascertained.

Important Railroad News.
RALEIGH, N. C., Nov. 10.—The Pennsylvania railroad desires to purchase the Seaboard Air Line and is making propositions looking to that end. This was learned here tonight upon high authority.

Barber Defeated.
In the ninth judicial district Thomas Settle, jr., has defeated Barber for solicitor by about 400 votes. Settle is a Republican. It is charged that disaffection on the part of some members of the Farmers' Alliance was the cause of Barber's defeat.

He Was Instantly Killed.
WINSTON, N. C., November 10.—Rev. S. D. Franklin, of the North Carolina Conference, while driving to an appointment in Rowan county yesterday was thrown from his buggy and instantly killed. He was a prominent Mason and was once highly spoken of in connection with the superintendency of the Oxford Asylum.

A Noted Train Robber Captured.
CHICAGO, Nov. 10.—Tonight Post-official Inspector Watkins, of Chicago, will arrive here having in custody William E. Newberry, who is said to be the leader of one of the most daring train robberies of recent years. On June 8th, the Northern Pacific train was stopped at New Salem, N. D., by highwaymen; two masked men climbed upon the engine and having entered the car they compelled the engineer, fireman and postal clerk to cut open the mail pouches and carry the first class registered mail matter to the robbers' houses. About 500 packages, containing \$45,000 in cash was secured. G. E. Bailey, one of the highwaymen, subsequently captured, is now serving term in the North Dakota penitentiary. The search for Newberry has been carried on by the postal authorities ever since, and he was arrested at Plain's, Va., Saturday. Newberry comes of an excellent Virginia family.

THE NORTH CAROLINA SENATE.
ONLY NINE REPUBLICANS AND NONE COLORED—MAD WITH CHEATHEAM.

RALEIGH, N. C., November 10.—The list of members of the new Senate was sent to the Keeper of the Capitol today. Of the fifty Senators only nine are Republicans and none of the latter are colored. This is the smallest Republican strength ever in the Senate.

The white Republicans are in many cases very angry with Congressman Cheatham. They charge him with selling out the Republican candidates to the Legislature and county offices in several counties in his own district in order to make his own election sure.

A New Railroad Project.

The Charleston, Wilmington and Norfolk Railroad has been incorporated with a capital of \$6,000,000. John C. McNaughton, of this city, is president, and the headquarters of the new company, for the present, at least, will be in this city. The railroad is to form a new inside Atlantic coast route, and it is claimed will shorten the distance between Northern cities and Charleston and points further South about one hundred miles compared with existing lines. A meeting of the company was held yesterday, and the purchase of the charters of the Mr. Pleasant, Santee and Little River Railroads in South Carolina, and of the Portsmouth and South Mills Railroad Company, in Virginia, was authorized. These charters, with the company's own, gives it the right to build between Norfolk and Charleston 465 miles and branches. A contract was made with the Carolina Construction Company to build the road, and work has been begun.—Baltimore Sun.

PERHAPS no local disease has puzzled and baffled the medical profession more than nasal catarrh. While not immediately fatal it is among the most distressing and disgusting ills the flesh is heir to, and the records show very few or no cases of radical cure of chronic catarrh by any of the multitude of modes of treatment until the introduction of Ely's Cream Balm a few years ago. The success of this preparation has been most gratifying and surprising.

"Don't Care to Eat."
It is with the greatest confidence that Hood's Sarsaparilla is recommended for loss of appetite, indigestion, sick headache, and similar troubles. This medicine gently tones the stomach, assists digestion, and makes one "real hungry." Persons in delicate health, after taking Hood's Sarsaparilla a few days, find themselves longing for and eating the plainest food with unexpected relish.
