"The price is very low, the form exceedingly handy for a work of reference, and the editing skillful and comprehensive."—*Literary World, Boston.*

"The literary skill and judicious editorship which have characterized the undertaking from the outset have been in no degree relaxed."—*Sun, New York.*

"It is an unabridged dictionary and a storehouse of information on almost every conceivable topic. The more we see of the work the more we are pleased."—*Educational Monthly, Akron, O.*

"The convenient form, the excellence of binding, paper, and illustrations, and the skillful arrangement of articles make this a handy cyclopedia, which will be used ten times where the bulky 'Britannica' would be consulted once. The illustrations are really helpful, and are very numerous. No matter what cyclopedia a writer may have, 'Alden's Manifold' should be upon his shelves."—*The Writer, Boston.*

"It is a remarkably well made book for the price. The peculiar shape makes the book extremely easy to read, which is a valuable thing to the student. The clean cut, heavy faced type used for titles is a good feature and materially lightens the task of the investigator. The accented syllable of every difficult word is plainly marked and the pronunciation, when it offers any difficulties, is set forth phonetically. In a word, this popular work is most carefully edited and neatly and accurately manufactured."—*American Bookman, New York.*

The Real Secret of the unparalleled success of THE CHICAGO DAILY NEWS may be found in two distinguishing characteristics, which more than anything else have contributed to its remarkable growth.

**FIRST**—It is a Daily Paper for Busy People. The people of the busy West appreciate keenly the necessity of an intelligent knowledge of the world's daily doings, but they are too busy to waste valuable time in searching through a cumbersome "blanket-sheet" newspaper for the real news of art, literature, science, religion, politics, and the thousand-and-one things which make up modern civilization. They want news—all the news—but they don't want it concealed in an overpowering mass of the trivial and inconsequential. It is because THE CHICAGO DAILY NEWS is "all wheat and no chaff" that its circulation is over "a million a week."

**SECOND**—It is an Independent, Truth-telling Newspaper. The people demand a fair, impartial, independent newspaper, which gives all the news, and gives it free from the taint of partisan bias. With no mere political ambition to gratify, no "ax to grind," the impartial, independent newspaper may truly be called "guide, philosopher and friend" to honest men of every shade of political faith; and this is why THE CHICAGO DAILY NEWS has today a circulation of over "a million a week."

THE CHICAGO DAILY NEWS now adds to these two comprehensive elements of popularity, a third, in its unparalleled reduction of price to ONE CENT A DAY.

It is always large enough—never too large.

THE CHICAGO DAILY NEWS is for sale by all newsdealers at One Cent per copy, or will be mailed, postage paid, for \$5.00 per year, or 25 cents per month. The farmer and mechanic can now afford, as well as the merchant and professional man, to have his metropolitan daily.

**Notice.**

STATE OF NORTH CAROLINA Superior Court County of Craven, Clerk's Office.

Take Notice That I have this day issued letters declaring Zopher H. Folsom, Charles E. Goodwin and S. C. Hamilton, Jr., and their successors to be a corporation for the purpose and according to the terms prescribed in Articles of Agreement, filed and recorded in said office. The substance of said Agreement is that said parties desire to become incorporated under the name of the Stinson Lumber Company; the principal office and place of business shall be New Bern, Craven county, North Carolina, and its business shall be that of manufacturing, buying and selling lumber, buying and selling timber lands, anywhere in the State of North Carolina, buying, holding and selling real estate in the State of North Carolina, building and operating wood working factories, etc.

The duration of the corporation shall be thirty years.

The amount of the capital stock shall be One Hundred Thousand Dollars, divided into one thousand shares of the par value of one hundred dollars each.

The stockholders of this corporation shall not be individually liable for its debts.

Witness my hand and official seal at office in New Bern, this 20th day of October, 1888.

E. W. CARPENTER,  
Clerk Sup. Court.

"Hello! Tom. Glad to see you, old fellow! It's almost ten years since we were married. Sit down; let's have an experience meeting. How's the wife?"

"Oh! she's so-so, same as usual,—always wanting something I can't afford."

"Well, she'll want something more than we've got. Don't you?"

"Yes; but I guess 'want will be my master.' I started to keep down expenses; and now I'll say I'm mean, and she's tired of saving and not having anything to show for it. I saw your wife down street, and she looked as happy as a queen!"

"I think she is; and we are economical, too,—have to be. My wife can make a little go further than anyone I ever knew, yet she's always surprising me with some dainty contrivance that adds to the comfort and beauty of our little home, and she's always 'merry as a lark.' When I ask how she manages it, she always laughs and says: 'Oh! that's my secret.' But I think I've discovered her 'secret.' When we married, we both knew we should have to be very careful, but she made one condition: she would have her Magazine. And she was right! I wouldn't do without it myself for double the subscription price. We read it together, from the title-page to the last word; the stories keep our hearts young; the synopsis of important events and scientific matters keeps me posted so that I can talk understandingly of what is going on; my wife is always trying some new idea from the household department; she makes all her dresses and those for the children, and she gets all her patterns for nothing, with the Magazine; and we saved Joe when he was so sick with the croup, by doing just as directed in the Sanitarian Department. But I can't tell you half!"

"What wonderful Magazine is it?"

"Demorest's Family Magazine, and—"

"What! Why that's what I'll want so bad, and I'll order it as an extravagance."

"Well, my friend, that's where you made a grand mistake, and one you'd better rectify as soon as you can. I'll take your 'right here, on my wife's account; she's bound to have a change in time for our tin wedding next month. My gold watch was the premium I got for getting up a club. Here's a copy, with the new Premium List for clubs,—the biggest thing out! If you don't see in it what you want, you're only to write to the publisher and tell him what you want, whether it is a tank-hammer or a new carriage, and he'll make special terms for you, either for a club, or for part cash. Better subscribe right off and surprise Mrs. Tom. Only \$2.00 a year will save fifty times that in six months. Or send ten cents direct to the publisher, W. Jennings Demorest, 15 East 14th Street, New York, for a specimen copy containing the Premium List."

MR. PARNELL'S manifesto, which has just made its appearance, is a document of great length. In it the Irish leader boldly defies his enemies, and appeals to the people of Ireland to sustain him in no half-hearted way in the great emergency which confronts them and him.

THE Postmaster-General in his report urges the adoption of Postal Telegraph, and recommends the establishing of postal saving banks in the States having no laws regulating saving banks, and in other states upon petition of a considerable number of residents of any one locality.

With those sharp-sighted politicians who think they discern a split in the Democratic party of the South through the Farmers' Alliance the wish is father to the thought. Democracy is stronger in the hearts of the Southern people than could be any experimental organization that might spring up among them.—*Phil. Record, Dem.*

The pension steal threatens to bankrupt the country. The Herald's Washington correspondent says the deficiency of the pension account will be \$49,000,000. This means \$150,000,000 this year for pensions. The amount appropriated was \$101,000,000. The end of the fiscal year will see the government without a dollar to pay current expenses with.

**THE DEAF HEAR.**

That sounds miraculous, and yet one may become temporarily deaf on account of blood poisoning settling in the ear, and then find quick relief by using B. B. B. (Botanic Blood Balm.)

John W. Weeks, Decatur, Ga. writes: "Six months ago I had a pain in my ear and in a few days it discharged matter. Then I grew deaf and could not hear at all. I began the use of B. B. B. and the running of my ear soon ceased and I now hear, while my health is much improved and I feel full of gratitude to God and to the proprietors of so good a remedy."

S. M. Ellis, Atlanta, Ga., writes: "B. B. B. cured me of most stubborn eczema. I had doctored it without success for twelve years."

W. H. Davis, San Marcos, Texas, writes: "I am rapidly recovering from blood poison by use of B. B. B."

The reason RADAM'S MICROBE KILLER is the most wonderful medicine, is because it has never failed in any instance, no matter what the disease, from LEPROSY to the simplest disease known to the human system. The scientific men of today claim and prove that every disease is CAUSED BY MICROBES, —AND—

**Radam's Microbe Killer**  
Exterminates the Microbes and drives them out of the system, and when that is done you cannot have an ache or pain. No matter what the disease, whether a simple case of Malaria Fever or a combination of diseases, we cure them all at the same time, as we treat all diseases constitutionally.
