#### THE FORCE BILL.

The Republican majority in the Senate seem intent on the passage of the Force bill, but there are serious obstacles in the way. The Senate is still a deliberative body, and measure of public importance can pass without the closest scrutiny and criticism.

There is no probability that the rules will be changed. Reed's methods cannot be introduced in the Senate without changing its garden" instead of the most dignified, deliberative body on earth. Men who are proud of senatorial to such degredation.
