stered at the soat office at New north, & O

THE NEW YEAR.

In a few days the old year will have passed, and the new year will be upon us with its hopes and its fears, its duties and its responsibilities.

It will be well if we dedicate the new year to home to country and to God.

The past cannot be changed. Whatever of good is in it we can of this old craft mak-1--llangor embalm in sacred memories, and even the evil we have done may be as beacon lights to protect us from hidden rocks and treacherous satisfactio; over the fact that whirlpools.

rest on sea and land, and the stars because of the passage of Me shine on the evil and the good.

Individual effort, wisely directed, is always blessed, and we trust that Tariff League, a professionist of every one of our readers will realize the brank" sort. He was the prinin the year to come the reward of cipal stockholder in the Ritentheir labors and the fruition of house Manufacturing Co., which their hopes.

her! has entered upon a career tariff act was signed by the Presiof enlightened progress and solid dent the prices of woolen goods prosperity, and her sons and went up. Sales of woolens theredaughters have only to be true to company failed and the rich Mr. her in order to win success in the Ammidown, its principal stockvarious avocations in which they holder, is not so rich as he was by in mineral wealth, her lands bring Jay Gould were a manufacturer of forth abundantly, and the hand of woolens he would not advise the industry is ready to draw from instead of two in order to make mountain fastness and fertile plain both ends meet under the burden treasures to adorn the State and of higher taxation. If they don't make glad her people.

increasing intellectual and moral nearly \$10 per family on an average. elevation of her sons and daughters.

WHAT IS

SCROFULA

It is that impurity in the blood, which, accumulating in the glands of the neck, produces unsightly lumps or swellings; which causes painful running sores on the arms, legs, or feet; which developes ulcers in the eyes, ears, or nose, often causing blindness or deafness; which is the origin of pimples, cancerous growths, or the many other manifestations usually ascribed to "humors;" which, fastening upon the lungs, causes consumption and death. Being the most ancient, it is the most general of all diseases or affections, for very few persons are entirely free from it.

How Can CURED It Be

By taking Hood's Sarsaparilla, which, by the remarkable cures it has accomplished, often when other medicines have falled, has proven itself to be a potent and peculiar medicine for this disease. Some of these cures are really wonderful. If you suffer from scrofula, be sure to try Hood's Sarsaparilla.

"My daughter Mary was afflicted with scrofnlous sore neck from the time she was 22 months old till she became six years of age. Lumps formed in her neck, and one of them after growing to the size of a rigeon's egg, became a running sore for over three years. We gave her Hood's Sarsaparilla, when the lump and all indications of scrofula entirely disappeared, and now she seems to be a healthy child." J. S. CARLILE, Nauright, N. J. N. B. Be sure to get only
