the Senate.

THE Farmers' Aller so de keeper at Spartaushus .. . C . in. defrauded the Alliance and of between \$15,050 and \$19,000.

THE Republicans percented to have a bayonet behind every voter. and the movement to-sulsed in having Democrats which the votes.

BOB INGERSOLL says the Governor Hill can get more vota 1 mm but he does not think he can pre. times repaid. vent the nomination of "Mr. and Mrs. Cleveland.

It has been said that we have fired on Gov. Fowle. Not a hit of it, Ours was no hostile fusillade, but a regular military salute. We like the Governor; we are proud of him, and we believe that no other Governor could have done better. Indeed he is about the best rounded Governor in the Union.

THE British Empire is pechaps the strongest on earth, and the by religious disabilities they will Mr. Thos. Daniels was the purchaser. know nothing of true liberty. Oa last Tuesday the bill to remove religious disabilities failed to pass its second reading in the Horse of Commons, altho' Mr. Gladstone made a long speech in its favor.

MR. TURNER has offered, in the State Senate, a bill to establish a Geological survey of the State of North Carolina. This should have Texas are very largely indebted to State geologists for their wonderful development. When Professor Tourmey of the University of Personal. Alabama made his report on the coal fields of Alabama, about 1850, few beleived his statemen'; yet the ha!f had not been told.

"CHICAGO papers recall that Secretary Windom once said in a trips to Norfolk. speech there that the first thing be did upon his first visit to that city, in its early days, was to spend 75 cents for a dinner, and he had the pastor at 11 a. m. Subject, "Church always regretted ever since that Membership, its Requirements as he hadn't gone without that dinner Taught by the Word of God." No and invested the amount in Chicago real estate." Now let business men of this day show their wisdom by investing in Eastern Carolina real estate, and especially in the historic city of New Berne.

"SIGNOR CRISPI has been rewithdraw his resignation." Vacilminister. Time and again the have expressed confidence in him. passage of the prohibitory law." Undeniably Crispi is the Statesman of Italy.

IT seems that the dead lock in The City Improvements. the Illinois Legislature is to be New Berne has reached an important man elected to the U.S. Senate. prising citizens are endeavoring to secure a creditable city hall, macadambalance of power, and have sub. drainage. 1000 LARGE SIZE, BRIGHT names of three men from whom the cently appointed by his honor Mayor and face. Ward tried to draw a pistol, but was prevented. Jones' Georgia at that prices. Also a fresh name of trackets and Cakes at Low Phicres average at Rock Bottom prices at caucus nominee, but a man is to be taxpayers, made their report, as our a hasty meeting of citizens, handbills

> of New Jersey, gave his hearty and prepare a bill for the Legislature Sam Jones in his pulpit zeal. assent to the position taken by the these improvements and the matter will rested and placed under bonds of ag-Secretary of State relative to recicome before the board again next pistol. The mayor avows his right to pistol. The mayor avows his right to of \$1,000 to \$5,000 or the State's prison States should have unrestricted trade and commercial union with Legislature whatever is determined to ment further than caning the evange-Canada or it should have no commercial relations with her. The only solution of the problem-a

alution unsought by the United States-was that the people of THE Fortification of Paragraphs and Canada should in their sovereignty have been advancing, or shall we on Pungo river and found nine vessels ask for aquexation, which was the ultimate destiny of Canada.

> be done will be left to a vote of the list. people and the disposal that is made of this matter will have a yast influence on the future of New Berne.

Shall we remain content to go forward at the leisurely pace at which we Washington they went to Bell Haven prouse ourselves and take a prominent that had been engaged in dredging, but position among the best cities of the State? It is a question of momentous oyster law forbidding dredging had importance to the every New Berneau. Pender it thoughtfully, seriously and fully, so that you may be able to deal had passed through Hatters inlet, and with it understandingly and cast the that no dredging was now being done weight of your influence in securing the being done near there. Having used settlement of it in the way that will his best judgment in executing the most ensily secure those things that will increase the prosperity and advance the test interests of the city.

Kinston Free Press and the Fair.

The Kinston Free Press of Thursday shows up the East Carolina Fair handsomely. A whole page conspicuously enumerating the many attractions with several cuts is devoted to it, the regular and race premium lists are published, tion and advocacy given:

Berne Fair" for short, but its real name rain last night, a large audience as- is "East Carolina Fish, Oyster, Game sembled at the theatre to witness the and Industrial Association," and is fittingly termed by the New Berne St. Celilia entertainment, and all were Journal, "an exposition of the re-delighted with it for it was in every sources of Eastern Carolina, the garden spot of the State

The coming Fair will undoubtedly be the very best yet held, and those Mr. Robert Rose sold a pair of fine already held have been the best in the

> Examine the list of premiums and enter something to win some of the many premiums offered.

> The Free Press will be glad to see next Fair, both in exhibits and attendance. The railroad fare will be very low-only one cent a mile-and we believe it would be money well spent for our people to attend. Go and see what Eastern Carolina can show from its waters, lands and factories.

We noticed last night in the window of the bargain store a huge pair of Tinker and family of New York came nary man is tall, measure between five vailing. and six feet around the waist and lack only one inch of measuring three feet liabilities, which are about \$129,000 around the bem. They were made by Clark & Co , manufacturers of and dealers in ready made clothing in this city as a part of their exhibit at the Fair. Now if these gentlemen will only find a man whom they will fit and get him to attend the Fair and wear them, we have no doubt they will be seen by every visitor who comes. these gentlemen take such an interest, it specially delights us to see articles exhibited of home manufacture, for it is to the development of home industries that we must look for prosperity, and seeing what others are doing to ever been attempted. spur others on to similar effort. We hope there will a bountiful display of such exhibits. A Rattlesnake.

Mr. M. Porter, the proprietor of the rattlesnake in a field last September and impaled him on one of the prongs wound, which healed, but it held him long enough for Mr. Porter to place him in a box and fasten him up. He finally put him into a private car and kill & Co., New Berne. has been confined ever since without took him to Rockford to sober up." food or water, but he is still alive and sprightly, seeming not to be at all inconvenienced by his long fast. He will
