Eureka Scalp Cleaner and Hair Purifier. HENDERSON, N. C., March 20, 1890. To whom it may concern: This is to certify that I know of the superior quality of Prof. H. H. Bell's "Eureka' for the hair, having used it for the past six months. When I commenced using it my hair was falling out and scalp seemed to be in an unhealthy condition, but has been cured by "Eureka," and it affords me great pleasure to recom-

mend it to others similarly affected. I have found Prof. Bell polite and courteous in manner, and commend him to all who may be suffering from any disease of the scalp.

Respectully, MRS. J. A. KELLY,

This tonic is prepared by Hector H. Bell, of Winchester, Va. I know its ingredients, and can assure any one desirous of using it, that it contains nothing injurious to the hair or scalp: on the contrary it will be highly beneficial to both. Hector's work will speak for itself if you give him a trial. J. H. MORRISON,
