**DUFFY'S** CROUP SYRUP

Recipe of the late Dr. Walter Duffy DIRECTIONS:

This is to certify that I have used DUFFY'S CROUP SYRUP in my family for over six months and I believe it to be a most excellent remedy for croup with children, especially as a preventive. Our youngest child had a severe attack of croup about a year ago, insomuch that we felt anxious about its recovery, but was successfully treated by our physician, but thinking it probable that other attacks might follow we frequently used Duffy's Croup Syrup and the child has had no marked symptoms of croup since, and I believe it is due to the use of the Croup Syrup, and we now keep a bottle of it at our house at all times, and I cheerfully recommend it to all.

Also very effectual in relieving coughs and colds. Parpared and sold by R. N. DUFFY, New Berd, N. C. This is to certify that I have used DUFFY's R. N. DUFEY, New Bern, N. C.
