EDITOR JOURNAL:—The new office erected by Mr. S. H. Gray, agent for the clyde line, which he has just finished and moved in is a perfect marvel of beauty. The ceiling is of wood and is painted a light straw color; the waincoating is quite high, and is of rich charry color; and the fittings are of a superior kind and made of wainut and ash, and are highly varnished. Take it all in all, it is by far the handsomest office we have ever visited in the State.

DUFFY'S CROUP SYRUP. Recipe of the late Dr. Walter Duffy,

DIRECTIONS:

Dose for a child two or three years old, one tenspoonful; for a child three months old, ten drops; for a child six months old, twenty drops; for one twerve months old, nearly half a tenspoonful—repeating these doses frequently if recessary units relief is procured.

requently if the cessary anth relief is procured.

This is to certain that I have used DUFFY'S CROUP SYRUP in my family for over elk months and I believe it to be a most excellent remedy for chap with entitleren, especially as a preventive. Our youngest child had a severe attack of croup about a year ago, insomuch that we felt anxious about its recovery, but was success fully treated by our physician, but to inking it probable that other attacks might follow we frequently used Dutfy's Croup Syrup and the chita has had no marked symptoms of croup since, and I believe it is due to the use of the Croup Syrup, and we may peop a bottle of it at our house at all times and I cheerfully recommend it tout.

Also very effectivel in refleving coughs and colds. Purvated axp sold in I. R. N. DUFFY, New Bern, N. C. Windesale Agent - McKesson & Robbins, 9 Fully n Street - Win, H. Schlefflin & Co., 50 William Street, New York City.
