NATALIE, the ex-Queen is now
an exile. The chivalric students
and gallant citizens were forced to
yield after many had been struck
down in her defense. The end is
not yet.

THE Albany Correspondent of
the Brooklyn Standard-Union says
that "never in his career has David
Bennett Hill been in less favor
than he is today with the Demo-
cratic party."

EXPERIMENTS with the Vesu-
vius' guns on Tuesday and
Wednesday were highly satisfac-
tory, and it is believed that the
Vesuvius is the most formidable

THOSE persons who are afraid
we may become involved in a
grave international controversy by
capturing the Itata need fret no
more. The Itata has "skipped"
and the Charleston is "at sea."

THE Charlotte Chronicle says:
"The State Exposition and North
Carolina's display at the World's
Fair, are objects that are securing
the attention of the State. Capiti-
lists and business men have at
last made up their minds to secure
the development of the State."

THE City of Paris, having been
repaired, is again at sea. Her
fastest time across the Atlantic,
and the quickest recorded, is 5
days, 10 hours, 18 minutes. Carl
Schurz has become an enthusiast
on the subject of cutting down the
time spent on the ocean, and looks
forward to four screws and runs in
four days.

CONGRESSMAN BUCHANAN, of
New Jersey is reported as saying:
"Before I left Washington a can-
vass of the majority of the votes
showed Mr. Crisp's strength to be
much greater than that of the
other aspirants for the position of
Speaker of the next House. Crisp
is practically elected today."

REPUBLICAN leaders hope to win
success through Democratic dissen-
sion. Hence it is that Murat
Halstead, of the Standard-Union,
continues to exasperate the Hill and
Cleveland embroilment. Mr. Hal-
stead makes a fatal mistake in
forgetting that the cardinal doc-
trine of democracy is "Principles,
not Men." Cleveland and Hill
have their advocates, but no man
can stand in the way of the nomi-
nee of the Democratic National
Convention whoever he may be.

THE Chilian war ship Esmeralda
is lying inactive in Mexican waters
because of her inability to procure
coal. A New York special from
Acapulco says it is feared that the
Esmeralda will bombard the forts
and shell the town if not permitted
to take coal. Meanwhile the Char-
leston and the Itata are racing
towards the Chilian coast.

No city is ever able to keep its
streets and sidewalks always in
good order. New Berne comes as
near it as any city. New York is
going to try "moral suasion" to
keep the streets clean, and pledges
are being sent round to house-
keepers binding them not to dump
garbage on the streets. It is said
that not long ago the women of
Cincinnati, provoked by the delay
of the city fathers, organized a
broom and rake brigade and com-
menced the work themselves.

A telegram was received here yester-
day announcing the killing of Frank
Jones, a colored man employed on the
Neuse river improvements that are
being made under the supervision of
Gen. Ransom. No particulars were
given. It is supposed to be accidental
killing where the work was going on
near Broadus' bridge, Neuse river, 7 or
8 miles above Seven Springs. Jones'
home is at Camp Palmer, three miles
from New Berne.

We saw some fine beans yesterday
belonging to Master Luther Taylor, son
of Mr. Henry Taylor. They were
planted March 14th. The vines are
well filled and many of the beans are
ready for the table. He could pick to-

Tuesday, when he expects a good ship-
ment. Mr. P. A. Willis was picking
yesterday afternoon some raised in his
garden. They will be shipped this
morning—the first of the season.

Eighth Annual Council.

FIRST DAY—EVENING SESSION.

At the evening session there was an
able address delivered by Miss Julia C.
Emory, of New York, general secretary
of the Woman's Auxiliary to the Board
of Missions, and also from Rev. Theo.
I. Holcombe, financial secretary of the
Clergyman's Retiring Fund Society.

These are important societies.—Miss
Emory's contributed last year \$350,000
to the missionary fund of the church;
and Dr. Holcombe's looks to the pro-
vision of a support for aged clergymen
and is now doing much in that line
with an encouraging outlook before it.
They both have the endorsement and
commendation of the Council.

SECOND DAY.

After morning prayer the Bishop
called the Council to order.

At the calling of the roll there were
the following additional delegates
present. J. M. Sitterson, of the Church
of the Advent, Williamston; T. E.
Darden, St. Martin's, Hamilton; John
Harvey, St. Barnabas, Snow Hill; H.
T. Smallbones, St. John's, Wilmington;
John N. Prior, St. John's, Fayetteville;
W. A. Tillinghast, St. Thomas', Cum-
berland county.

THE BISHOP'S ADDRESS

was then read—an important docu-
ment and deeply interesting; especially
so in reference to his observations of
the Army of the Church in England,
which, while employing methods simi-
lar to those of the Salvation Army, yet
do all in and under the authority of the
Church of England.

On motion of Rev. Mr. Arnold that
portion of the Bishop's address relat-
ing to education in the diocese was referred
to a committee of five.

On motion of Col. Atkinson that in
reference to the death of Rev. Israel
Harding was referred to a committee
of two clergymen and one layman; also
that portion referring to the death of
Rev. R. B. Windley was similarly refer-
red. The Bishop appointed Rev. Dr.
Huske, Rev. Mr. Phelps and Col. N. B.
Whitfield on the first, and Rev. N. C.
Hughes, Jr., Rev. N. E. Price and Geo.
H. Roberts on the latter.

On motion of Rev. Mr. Arnold a
minute on the death of Mr. Harding,
prepared by one of his parishioners,
was referred to the above committee.

The whole address was then referred
to the committee on the good of the
church.

On motion of Rev. Mr. Strange, the
report of the executive missionary
committee was made the order for five
o'clock this afternoon.

Hon. J. W. Albertson, from the com-
mittee on elections, reported a resolu-
tion giving to Mr. Abner Nelson, from
St. Paul's parish, Vanceboro, an hono-
rary seat in the Council with the
privileges of a representative.

The committee on canons made a re-
port on the subject of payment of as-
sessments on parishes to the Episcopal
and contingent fund. There were resolu-
tions accompanying the report, which
after debate were laid on the table.

The finance committee then made its
annual report.

The parish of St. Thomas, Cumber-
land county, was admitted into union
with the Council.

A resolution offered by Rev. Mr.
Phelps, in reference to the admission of
new parishes, was referred to the com-
mittee on canons.

A resolution, reimbursing the Bishop
for expenditures on the Episcopal resi-
dence, was offered by Rev. Dr. Carmi-
chael and unanimously adopted.

Elizabeth City was selected as the
next place of meeting of the Council,
and the third Wednesday in May was
subsequently selected as the time.

Recess taken to four o'clock.

THE AFTERNOON SESSION

was called to order by the Bishop. The
Bishop stated that he had a communi-
cation from the Presbyterian General
Assembly in the interest of peace among
nations.

The committee on students aid fund
made a report.

The election of permanent committees
required by canon was now entered
into.

The standing committee was then
elected: Revs. Jas. C. Huske, D.D.,
James Carmichael, D.D., Rev. Robert
Strange, Dr. A. J. DeRosset and Mr.
George H. Roberts.

The committee on canons reported
upon the question of parochial elections,
and the subject was referred to the
next council for action.

On motion, the election of clerical
and lay deputies to the General Council
was passed over until the next meeting
of this Council.

on unfinished business, made a report.

The hour of five having arrived, the
executive missionary committee made
a report through Rev. Mr. Strange, with
a resolution which was adopted, com-
bining the convocation on diocesan
evangelist.

Mr. Josephus Peed, of Chapel of the
Cross at Aurora, and Mr. E. J. Brooks
of St. Mary's, Kinston, arrived and
took their seats.

The finance committee submitted a
report through Rev. N. C. Hughes,
D.D., accompanied by a resolution re-
ducing the arrearages of certain par-
ishes, which was adopted.

The church building committee was
then elected: Rev. T. M. N. George, L.
L. Williams and John Dunn.

The executive missionary committee
was then elected: Rev. Robt. Strange,
R. B. Drane, Hon. H. R. Bryan, W. H.
Green and E. S. Hoyt.

The Council then adjourned to ten
a. m. tomorrow.

Killed His Cousin.

News was received here yesterday
of a sad occurrence at Maple Cypress,
about twenty miles up Neuse river. A
difficulty between Wm. H. Adams, a
farmer held in esteem by his neighbors,
and Wm. Adams, who had been in his
employ, led to the killing of the latter
by the former, late Wednesday after-
noon.

Wm. Adams had been discharged,
after which he angrily made threaten-
ing demonstrations against his former
employer with a knife, but by persua-
sion of lady members of the family and
another party present was deterred
from violence at the time.

Tuesday afternoon he returned,
armed again—upon which Wm. H.
locked himself up in his house, but Wm.
declared he "would have him anyhow,"
and was entering through the window
when Wm. H. shot him, killing him
almost instantly. It is said the two men
were cousins.

After the lamented act Mr. Adams
sought the proper authorities and de-
livered himself up and was released
under bond.

The dead man seems to have borne a
bad reputation. He was tried at Wash-
ington not long ago for murder and was
discharged for lack of evidence. His
family are in Mississippi whither he
moved when he found suspicion was
directed against him—though he failed
to keep from being apprehended by do-
ing so. He was working ostensibly to
get money for rejoining his family and
the discovery that he was not saving his
money for that purpose is what is said
to have caused his discharge and the
remainder of the trouble.

Jones County Items.

Trenton is looking for a boom in the
near future.

The ladies of the M. E. Church South

Our young people are marrying—so
reports our clever Register of Deeds,
A. Haskins, Esq. There were several
licences issued during the past week.

There is much uneasiness felt among
the farmers relative to their crops—the
stand being very bad, with a scarcity
of cotton seed for replanting and the
grass is growing rapidly. The damage
done by the late frost is much more
serious than was at first imagined.

The sadness of the death of Mrs. M.
C. Giddings at her new home in Samp-
son county filled the hearts of our peo-
ple with sorrow. Mrs. Giddings was
with us and one of us in our little vil-
lage for several years, and by her ex-
emplary life she won the respect and
love of our people. On her grave now
drops the tear of sorrow and we pray
the Lord to deal kindly with the be-
reaved husband and surviving friends.

Railroad Matters—Several Roads Make

Statements Before the Commission.

There was a large gathering of promi-
nent railroad officials in the city yester-
day for the purpose of making state-
ments before the Railroad Commission
—as to their several roads business, &c.
The C. F. & Y. V. which was represent-
ed by Messrs. Gray, Fry and Kyle had
their hearing first and afterwards
Messrs. Elliott, Walters and Emerson
addressed the Commissioners for the
Coast Line, Messrs. Ward and Pickens
for the three C's. Mr. White for the
Warrenton railroad and Mr. Tree for
the W. U. Telegraph Company.

Today the following roads will have
a hearing, The Richmond and Dan-
ville, the Norfolk and Southern, the
Atlantic and North Carolina, the
Lynchburg and Durham, and the Sea-
board & Roanoke—the following
gentlemen will probably appear before
the commissioners: Messrs. Andrews,
Haas, King, Dill and others.—Raleigh
Chronicle of Wednesday.

Texas Town Struck by a Cyclone.

SULPHUR SPRINGS, Tex., May 19.—
Last night the town of Mt. Vernon, the
county seat of Franklin county, was
struck by a cyclone and several houses
completely demolished. The post-office,
a large dry goods store, and several
other large buildings were totally
wrecked. Almost every tree in the city
was leveled, and all the fences blown
down. Reports have been coming in
this city all day today of great de-
struction of property in different parts
of the county.
