WILL oil and water mix? How about the Cincinnati alchemy?

OUR Mary Jane says it is always the third party that spoils things.

THIRD parties always were and always will be distasteful to the first and second parties.

A PEOPLE'S Party! Something for everybody. A kind of "forty acres and a mule" arrangement.

BACKUP your city government. A man who won't stand by his home don't deserve to have a home.

IN Robeson court a true bill has been found against D. A. McDougal for the murder of his uncle Simeon Conoly.

It is a picturesque if not a practical plan—that of gathering into a new party all of the kickers from both of the old ones.

THE Secretary of War has made allotments of money to several States for the use of the militia, this State receiving \$10,135.

THE way to harmonize is to take the discordant elements of several parties and fuse them into one harmonious whole. Progress!

It is now reported that Commissioner Raum will tender his resignation to the President and be succeeded by Ex Governor Beaver of Pennsylvania.

L. L. POLK had his head on when he opposed the present formation of a new party. President Polk is a true Alliance man, but he is not going to forget that he is a Democrat, a Southerner and a North Carolinian.

THIS country is making wonderful progress and at wonderful speed. There is a Macedonian call for new men, new measures, new policies, and above all progressive, present-day statesmen and statesmanship. The bourbon is a back number, a stranded wayfarer, an ungraved corpse, an anti-climax, and a relic from a day that is past. Shoot it!—Washington Post.

JACKSON: Forney. Things will get mixed. A poem entitled "My wife and child," written by Gen. Henry R. Jackson, of Georgia, is generally attributed to Gen. Stonewall Jackson; and even so accurate a writer as Gen. William A. Cox, in his admirable address on Gen. Ransauer, gives honors to Gen. John H. Forney that belong to

Gen. William H. Forney. John H. Forney was never in Congress; William H. has been for quarter of a century.

POLITICAL interest now centers in the Peoples' Party, inaugurated by the late Cincinnati convention. The flag of the new party is up, and its followers are showing boundless enthusiasm. The platform is a popular one, much of it being Democratic. It declares that the right to make and issue money is a sovereign power to be maintained by the people for the common benefit. It demands the free and unlimited coinage of silver: the passage of laws prohibiting alien ownership of land; equal rights to all, special privileges to none; that all revenues shall be limited to the necessary expenses of the Government, economically and honestly administered; a just and equitable system of graduated tax on incomes; national control and supervision of the means of public communication and transportation; the election of President, Vice President and United States Senators by a direct vote of the people.

NEW ADVERTISEMENTS. Bargain Store—Ribbons. J. J. Tolson—Just received. Howard—Are you grieving still. Latham & Burrus—Country merchants, etc.

A movement is on foot to build a Presbyterian church at Pollockville. The Goldsboro School Decennial celebration has been postponed to a later date.

There will be service at Christ Church tonight at half past eight o'clock, when the rite of Confirmation will be administered by Rt. Rev. Bishop Watson.

The colored man, Frank Jones, whose death by accident we mentioned yesterday, was killed by one of the main booms of the hoister breaking. It struck him on the head killing him instantly. G. S. Palmer, New York, yesterday sent the following truck quotations: N. C. cabbage, \$2.00 to \$2.25; Charleston beans, \$2.50 to \$3.00; Norfolk peas 75c. to \$1.25. Stop shipment of strawberries.

The marling of the sidewalk in front of the Presbyterian church and turning of its sides was finished yesterday. It is now without any exception the prettiest piece of sidewalk in the city. What a pity all our walks could not be fixed in a similar manner!

A lot of stock were received at the stables of J. W. Stewart yesterday. Mr. Stewart handles a large number of horses and mules, and has built up a large trade in this section. Right recently he has made sale of three very fine horses, included in which was a beautiful Hambletonian.

Mr. L. A. Coulter, Y. M. C. A. State Secretary, is in the city looking into the feasibility of locating a general secretary here. Any one holding this office gives his whole time and directs in all lines of work. When such a man is employed a marked development is noticed in all of the Association work, including lectures and entertainments and along both social and religious lines. The following cities in our own State now employ such an officer: Goldsboro, Wilmington, Durham, Winston-Salem, Charlotte, Greensboro, Henderson, Concord, Reidsville and Asheville. Three years since but two points had general secretaries. This shows conclusively how the issue is growing in favor with business men.

Seven Springs is coming rapidly into favor as a health and pleasure resort and the owners are making it a very attractive place, and its work will go forward. The Kinston Free Press says that Mr. Jas. A. Bryan of this city was there and with other gentlemen organized a stock company to develop the Seven Springs property, with the following directors: J. A. Bryan, J. W. Grainger, S. H. Lofton, W. B. Mays, W. C. Fields and L. Harvey. Mr. L. Harvey was elected president, and Mr. W. C. Fields secretary and treasurer. This company was duly incorporated by the last legislature. The property will be still further improved, and among other improvements will be nice bath houses.

The Ladies Delighted. The pleasant effect and the perfect safety with which ladies may use the Liquid Laxative, Syrup of Figs, under all conditions make it their favorite remedy. It is pleasing to the eye and to the taste, gentle, yet effective in acting on the kidneys, liver and bowels.

Reconnoitering for the N. W. & C. R. A party of gentlemen came in last night and are stopping at the Hotel Albert, who are taking a tour of observation through the territory in which the Norfolk, Wilmington & Charleston Railroad, for which the last Legislature granted a charter, is to be built. The party consists of Mr. A. S. Cadwallader, a prominent business man of Philadelphia, Major Jno. Runk of Philadelphia, who is chief engineer of the road, Mr. F. L. Pittman, who was formerly chief engineer of the Wilmington & Onslow road, and Mr. W. D. Pender of Norfolk, formerly of Tarboro, who is attorney for the road. The gentlemen drove through the following country: From Tarboro to Greenville (which was the point that the reconnoitering for the road really began) from Greenville on to Snow Hill, Kinston, Pink Hill, Hawlesville, Burgaw and Point Castle, then by rail to Wilmington and back to Burgaw by rail. Then they drove over to Richlands, Comfort, Trenton and Core Creek and then on to New Bern by rail. Their intention was to leave here this morning but we hope they will reconsider the matter and tarry here long enough to mingle with our ablest business men and largest truckers and investigate to some extent our imports and exports, lumber interests, trucking industries etc. We feel assured that the knowledge thus gained would be profitable to them and would redound also to the best interests of New Bern.

Personnel of the Council. The body is one of fine appearance, both of clergy and lay delegates. Conspicuous among the clergy are the venerable Revs. E. M. Forbes, N. C. Hughes, J. C. Huske and Luther Eborn. These are familiar faces to all who have been in attendance upon the Councils of the church for the last twenty-five years. Truly veterans they are, and a life devoted to their Master's service has been to some of them extended to an unusual period.

Then the present Council has exceeded all that have gone before it in the persons of the younger clergy. Prominent among these are Revs. Drane, Strange, George, Arnold, Hughes, Atkinson and Phelps. Between these two extremes there are many, too many to enumerate within the short space allotted this article, but we must not omit Revs. Dr. Carmichael, Houghton, Harding, Skinner and others who have been and are now foremost in the work of the church.

Of the lay members there are several who have seen long service in this branch of the work of the church. Dr. A. J. DeRoset has been regularly in attendance upon the Councils of the church for a series of years embracing nearly three scores; indeed, a son brought up in the faith and fear now sits with him, with a head already bearing honorable blossoms of many summers. Col. J. Wilder Atkinson has been a familiar figure in the Councils, and his voice often raised in the progress of the business of the church for many seasons, and enjoys experience drawn from his beloved father the late Bishop. Col. N. B. Whitfield has been faithful to the duties enjoined upon him by his parish, and no more punctual delegate graces the assembly.

There are many others who might be mentioned, but space—not want of material—forbids.

Personal.

Rev. James Thomas left yesterday morning for Rocky Mount, where he will reside during the summer and have charge of a church there and two others at Asheville and Littleton.

Mr. Chas. Edwards came in on the steamer Neuse of the E. C. D. line, moving back to the city from Norfolk.

Mr. James W. Biddle returned last night from a visit to relatives at Fort Barnwell.

Mrs. Irene Hammond left on the steamer Newberne, of the O. D. line, in company with Mrs. S. T. Hand, jr., to spend a month at Virginia Beach.

Dr. Albert Potter and wife, of Chepachet, R. I., left on the steamer Neuse, of the E. C. D. line, returning home from a visit to Mr. S. K. Eaton and family.

Messrs. C. T. and R. N. Dickinson and Mr. E. W. Simpkins left on the steamer Neuse to engage in the nursery agency business.

Mr. C. J. Schoelky left on the steamer Neuse on a business trip to Norfolk.

DIOCESE OF EAST CAROLINA.

Eighth Annual Council

THIRD DAY.

After morning prayers the Council was called to order by the Bishop.

The minutes of the previous day were read and approved.

Rev. Dr. Huske, on behalf of the committee on memorial of Rev. Israel Harding, made a report which was replete with feelings of the sad bereavement sustained by the Diocese at large and the numerous members of his spiritual charge. Dr. Huske bore testimony to his devotion to the Master's cause in words that were ordered to be spread upon the Journal of the Council together with the report and accompanying resolutions.

Rev. Dr. Carmichael read the report of the committee on the state of the church.

Rev. N. C. Hughes, jr., of the committee on memorial to Rev. R. B. Windley made a report and submitted resolutions which were seconded by Rev. N. Harding in a brief but brilliant tribute to the memory of the deceased. These were also ordered upon the Journal.

Messrs. J. B. Bonner and Fred. Wolfenden, delegates, arrived and occupied their seats in the Council.

Various motions and amendments to canons were offered and discussions of them consumed the remainder of the morning session. About one o'clock a recess till four was taken.

AFTERNOON SESSION.

The routine business of a Council about to close its deliberations were now being pushed through.

Dr. A. J. DeRoset was re-elected Treasurer of the Council, and Hon. H. K. Bryan, Chancellor.

Col. J. W. Atkinson offered the following resolution which was unanimously adopted:

Resolved, That the thanks of this Council are due and hereby gratefully tendered to the rector, wardens, vestry and congregation of Christ church, New Bern, for their thoughtful and kindly considerations for the comfort and convenience of the Council while in session, and also to the citizens generally for the unbounded hospitality which has been accorded to the members of this Council during our sojourn among them.

Rev. T. B. Houghton offered a preamble and the following resolution which were unanimously adopted:

Whereas, We have with us the Rev. E. M. Forbes, the senior Presbyter in the Diocese, now in the 56th year of his ministerial life,

Resolved, That we, the members of the Eighth Annual Council of the Diocese of East Carolina, tender most hearty thanks to Almighty God our Heavenly Father for the good work which He has enabled our reverend Father in God to do and for the preservation of this His servant, and pray that the period of his usefulness may still be extended for some years to come.

Mr. J. B. Bonner, special agent for raising funds for a diocese college, made a report and he was continued.

The Gloria in Excelsis was sung and after collects by the Bishop the Benediction was pronounced and the Council adjourned sine die.

Bell's Hair Renewer and Scalp Cleaner Stands Pre-eminent.

A CONGRESSMAN WRITES.

HARRISONBURG Va. The bearer of this, Hector Bell, Hair Dresser is a worthy man and a good citizen. I have known him for several years and he is regarded by the people of Winchester Va., among whom he was born and raised as a reliable man and is highly respected by them. I think I can with safety commend him to the people with whom he may have dealings. CHAS. T. O'FARRALL, Sept. 7th 1886.

DIED. Will F. Daly, at the home of his father, Mr. J. W. Daly, in Lenoir county, May 16th, 1891.

Few young men are marked by such modesty and energy, and few have more of the genuine principles that make up true manhood. While scarcely a man, in years, the duties and responsibilities of business manager of the Progressive Farmer had been placed upon him. Proving himself equal to the emergency, his reputation was pointing him to fields of greater usefulness, when, on the 2nd day of October, 1890, the day he was 23 years old, he was taken sick. Then like all humanity, he could only patiently await the final result which came May 16, when mortality gave place to immortality and a home with the redeemed.—Kinston Free Press.

Notice to Truck Shippers.

DUFFY'S

CROUP SYRUP.

Recipe of the late Dr. Walter Duffy.

DIRECTIONS:

These for a child of one or two years old, one teaspoonful; for a child three months old, ten drops; for a child six months old, twenty drops; for a child twelve months old, nearly half a teaspoonful—repeating these doses frequently if necessary until relief is procured.

This is to certify that I have used DUFFY'S CROUP SYRUP in my family for over six months and I believe it to be a most excellent remedy for croup with children, especially as a preventive. Our youngest child had a severe attack of croup about a year ago, inasmuch that we felt anxious about its recovery, but was successfully treated by our physician, but thinking it probable that other attacks might follow we frequently used DUFFY'S Croup Syrup and the child has had no more attacks of croup since, and I believe it is due to the use of the Croup Syrup, and we now keep a bottle of it at our house at all times, and I cheerfully recommend it to all. E. H. BAUM.

Also very effective in relieving coughs and colds. PREPARED AND SOLD BY E. N. DUFFY, New Bern, N. C.
