STATE EXPOSITION AND WORLD'S FAIR.

County Exhibits—Shall Craven Have One? The Governor's Proclamation.

It is strongly desired by the broad-minded leaders in the development of the State that the North Carolina exhibit at the Inter-State Exposition in Raleigh and at the World's Fair in Chicago be complete and, that every part of the State be properly represented so that the fullest advantages may be derived from both exhibitions.

Looking to the accomplishment of that desire, the Industrial Convention lately held in Raleigh, composed of able delegates from every quarter of the "good old North State" unanimously passed a set of resolutions seeking co-operation from the different counties, as such, through the instrumentality of the county commissioners and justices of the peace. They are requested to make an appropriation for a county exhibit when they meet in joint session to levy taxes for the ensuing year. These officials of Craven county meet at the court house tomorrow at 12 o'clock for that purpose and we commend this matter to their favorable consideration. Counties that make exhibits at the Inter-State Exposition will have those exhibits transferred and exhibited to the World's Fair at Chicago without additional cost. It is an opportunity for bringing our resources into notice that ought to be taken full advantage of.

In accord with the resolutions passed at the State Industrial Convention, our Chief Executive has issued the following:

Whereas, the Southern Inter-State Immigration Bureau has decided to hold, in the city of Raleigh, N. C., during the months of October and November A. D. 1891, an Exposition of Southern products; and

Whereas, the General Assembly of North Carolina has made appropriation for the purpose of displaying the products of the State at the Columbian Exposition in Chicago in 1893.

And in accordance with the request of the progressive North Carolinians in convention assembled in the city of Raleigh, N. C., May 13th and 14th, 1891.

I, Thomas M. Holt, Governor of North Carolina, proclaim to the people of this State the necessity of fully co-operating with the Southern Inter-State Immigration Bureau, and the commissioners in charge of the Columbian exhibit for North Carolina. And I request progressive citizens in each county to meet the justices of the Peace and county commissioners at their respective county seats and urge the appropriation of such a sum of money as may be deemed necessary to have the resources of each county fully shown to capitalists, manufacturers and home-seekers that will visit the Southern Exposition in this city during October and November and at Chicago in 1893. The State appropriation is not sufficient to make such an exhibit as this State is capable of showing. Therefore, I most earnestly urge those county officers having the interest of the people in charge, and all wishing to see this grand State of ours properly exhibited to the world, to give this important matter their most earnest attention.

In testimony whereof, I have hereunto set my hand and caused to be affixed the great seal of the State of North Carolina, at the city of Raleigh, this 23rd day of May, in the year of our Lord, one thousand eight hundred and ninety-one, and in the one hundred and fiftieth year of our American Independence. THOMAS M. HOLT.

Superior Court.
The following are the cases disposed of by court Saturday:

Hahn vs. Spicer; judgment for plaintiff. Case retained by court and account ordered.

Dowd & Bryan vs. Watson; judgment for defendant.

R. G. Mosely vs. James C. Harrison administrator of Lewis Pope, deceased. Verdict for defendant.

Hughes vs. Commissioners of Craven. Order made Feb. term 1891 stricken out and plaintiff's action dismissed according to decision of Supreme Court.

Cherry vs. Cherry; action for divorce; verdict for plaintiff.

The balance of the afternoon was taken up to argue cases of Commissioners of Craven vs. R. P. Williams, H. C. Whitehurst and Caroline N. Gardner, which were decided in favor of the defendant on the ground that the deeds were defective and the action barred by statute of limitation. Appeal taken by plaintiff.

The James City Land Suit.

In the history of jurisprudence in North Carolina no suit has become more famous than the land suit in which Mr. James A. Bryan of this city is the plaintiff, and the inhabitants of James City are the defendants.

The land has been held by the Spaight family and their descendants ever since the days of King George III., and no question of title has ever been raised until within the last two decades.

Judge Conner has given the case three months of careful and impartial consideration, brought all of his great legal talent and learning to bear upon the question, and given judgment for the plaintiff, and we are advised that there is no principle of law or equity upon which the Supreme Court is likely to reverse his decision.

We have ever felt an interest in the termination of this case, and its consequences to the occupants of the land, and we have therefore, in view of the many rumors in circulation to the effect, that the people of James City are to be driven from their holdings, obtained from Mr. Bryan a statement of his views and intentions in the matter, of which the following is the substance: He is willing to give them the use of the ground upon which their school houses and churches stand, so long as they are used for school and church purposes, and for the aged and infirm who are unable to purchase to remain undisturbed upon the place; and is not only willing but prefers to make friendly and amicable arrangements with all parties now on the premises who desire to retain their homes. This statement, we think, ought to put an end to the silly rumors now afloat and satisfy the people of James City that they have nothing to lose but much to gain by a friendly settlement with Mr. Bryan.

SALEM FEMALE ACADEMY.

Magnificent Commencement Exercises
Throng of Visitors.
Grand Concert.

WINSTON, N. C., May 30, 1891.
ED. JOURNAL:—This is a gala time in Salem, it being commencement time in Salem Female Academy, an institution whose history covers the century and whose alumni figures up to ten thousand.

Four hours previous to the opening ceremonies the long train of street cars have been crowded on the electric line between Winston and Salem and as the audience fills the commodious church the scene presented takes even expectation by surprise.

The school has an attendance of pupils amounting to some three hundred and fifty, but some having gone to their homes for the vacation the number now on the great platform sums up about two hundred and fifty, all of whom in this gay time are decked in the varied colors of the rainbow, presenting somewhat the appearance of a gigantic bouquet.

The commencement exercises will extend over six days and from all indications this year will out-strip all former expeditions extending back to the first years of the present century. Universal preparations have been made in the musical department under the direction of Prof. George Markyrafte, a musician thoroughly equipped in the conservatory of Germany, and the grand concert to be given on Wednesday next by the large vocal class, accompanied by the large orchestra and piano and organ combined, is looked forward to as the important musical event of the State.

DUFFY'S CROUP SYRUP.

Recipe of the late Dr. Walter Duffy.

DIRECTIONS:

Dose for a child two or three years old, one teaspoonful; for a child three months old, ten drops; for a child six months old, twenty drops; for one twelve months old, nearly half a teaspoonful—repeating these doses frequently if necessary until relief is procured.

This is to certify that I have used DUFFY'S CROUP SYRUP in my family for over six months and I believe it to be a most excellent remedy for croup with children, especially as a preventive. Our youngest child had a severe attack of croup about a year ago, inasmuch that we felt anxious about its recovery, but was successfully treated by our physician, but thinking it probable that other attacks might follow we frequently used DUFFY'S Croup Syrup and the child has had no marked symptoms of croup since, and I believe it is due to the use of the Croup Syrup, and we now keep a bottle of it at our house at all times, and I cheerfully recommend it to all. E. H. HANFUTZ.

Also very effective in relieving coughs and colds. PREPARED AND SOLD BY H. N. DUFFY, New Bern, N. C. Wholesale Agents—McKessons & Robbins, 91 Fulton Street; Wm. H. Schlemmer & Co., 170 William Street, New York City.
