Duffy's COUGH MIXTURE.

A Prompt and Efficient Remedy for Coughs, Colds, Croup, Bronchitis, Sore Throat, Diphtheria, Catarrh, La Grippe, Etc.

One of the most effectual remedies I have ever known for a cough or cold is Duffy's Cough Mixture. It is indeed a rare combination of valuable medicines, acting at once the progress of a cold and beginning at soothing and heal. Unlike all other cough medicines there is no astringent or any other unpleasant effect experienced in taking it. I am more than pleased to be able to recommend to my friends here and the public at large everywhere such a safe, pleasant and effectual cure for one of the most prevalent complaints to which human flesh is heir.

Mr. R. N. Duffy has called upon me to say something for his COUGH MIXTURE, now being advertised. The least I can say is that it is a certain cure for COLIC, SORE THROAT, and CROUP. I recognize the mixture as being identical with a prescription I have used in my family with unfeigned success, written by one of the most distinguished physicians of North Carolina. I am opposed to patent nostrums, but cheerfully recommend this on account of its scientific origin, and the happy results obtained from its repeated trials in my family.

I have tried DUFFY'S COUGH MIXTURE and take pleasure in recommending it because I believe it will do all that is claimed for it by Mr. Duffy, the proprietor, who is a druggist of long experience and a gentleman of highest integrity. I do not believe he would advertise anything that was not exceptionally good. This remedy has certainly answered the purpose in my case. It cured a cold, an obstinate cough I had, after I had tried a number of the principal cough remedies without benefit.

This is to certify I used one bottle of DUFFY'S COUGH MIXTURE in the case of the "Grippe," and it effected a cure. Can cheerfully recommend it to any one suffering with severe coughs or colds.

Be sure and call for R. N. DUFFY'S COUGH MIXTURE, Corner Pollock and Middle streets.

THE JOURNAL.

SWANBORO ITEMS.

Capt. John Nelson, Schooner Oberoline ready to clear with 95,000 feet lumber to New York from Terry Mill, Sharpie schooner Edwin, Joe. Laster and Flat Nellie B. Capt. E. Sewell, also Sharpie Nellie Hatsell, all cleared this week 15th 16th & 17th for New berne, with naval stores.

Crops around are good so far the finest of seasons as yet, corn silk to be seen plentiful.

The great revival here ended last Wednesday night, even thirty 30 joined the church at M. E. S. South. Rev. J. L. Keen, our pastor, is certainly a good revivalist as well as a good man.

Rev. J. H. Gillespie, of the M. E. Church, preached for us last night to a large congregation, his church will soon be finished here, he preached his first sermon in the new church on Sunday the 7th to a very large congregation and the people like him much.

There are several cases of sickness around but mostly measles and mumps.

One wedding was on the bill for last night 17th, here but was postponed for reasons viz. the to be bride was under age and the parents objected to the marriage.

Snakes are on the boom now, more rattlers around than usual, several have been killed right lately and the largest kind.

Yesterday Jim Harrison, come in town with a 5 1/2 footer tied to his buggy axle just for a show, 14 rattles and 14 inches in circumference the two upper fangs were 2 1/2 inches long each. Mrs. Dr. Farnell killed three in her yard last week all large ones. Not long ago we found one fast in the fence between the rail cracks, he had swallowed a large rabbit then crawled through the fence and swallowed another rabbit, same size after he had got about half through the fence on the other side and as the rabbits couldn't get together Mr. Snake was fast in the fence, we dispatched him easily he was not such a large snake though; only 16 rattles and 2 buttons, 6 1/2 feet long and 3 1/2 inches in circumference between the rabbits.

There are plenty of larger snakes than these around. Dr. Blount our M. D. here saw one a while back, that after being killed and coiled around in side a common flour barrel filled the barrel about half full of pure snake, that was a good sized snake, though there are some much larger around here and hereabouts.

The grand basket picnic mentioned last week, came off as per programme and very successfully too. Mr. and Mrs. G. D. Mattocks know how to cater to the public on such occasions. Mention should be made of Mrs. Katie Lesane, and Misses Mamie Barker, Alice Dennis Annie Foy, Eunice Thomas also Mrs. Capt. Terry, and others we have forgotten, who assisted Mrs. Mattocks in the work. About 300 persons were present and some of the prettiest girls and young ladies. The managers showed skill and energy in getting up the nice dinner; everything that was good and could be gotten from sea and land was there. Lamb, beef chickens ham, turkey and vegetable of nearly all kind from the land, then crabs, conchs, clams, oysters, escallops, fish, and shrimps, from the water and all prepared so nice, and such a plenty and to spare. After dinner speeches by Thos. E. Gilman Esq. Capt. Jas. H. Foy, of Richards were made and listened to by the vast multitude. Cap. Foy was at his best and as he says, pun the whole of it, he wanted to do like some of the rest were doing courting. It was a complete success as picnic.

Do You Know How It Feels? Rheumatism. Every one has heard the word. "How's your Mother?" "Oh, she's well except her rheumatism." How carelessly the answer is given. Do you know how it feels to have rheumatism? Oh it's terrible, the swelling and the excruciating pain of ankle, knee, elbow and shoulder, just as if each point was a bundle of irritated nerves, each one seemingly bent on giving more pain than the other. Laying a wake all night longing for daylight, aching too severely to sleep, applying liniment every half hour to temporarily relieve the agony. Praying, cursing, turning, twisting, but no ease, no comfort. What is it that causes rheumatism? Ah, there are a thousand causes. What is it that cures rheumatism? Thank God, there is at least one cure! It is called B. B. B., or Botanic Blood Balm. It has cured more cases of rheumatism than any other known remedy. Try it. Do not suffer longer.

J. H. Laing, Dawson, Ga., writes: "I suffered with rheumatism in my shoulders and general debility. Five bottles B. B. B. improved my health and the rheumatism left me."

J. P. Davis, Atlanta, Ga., (West End) writes: "I consider that B. B. B. has permanently cured me of rheumatism and sciatica."

Jacob F. Spencer, Newman, Ga., writes: "B. B. B. entirely cured me of rheumatism in my shoulders. I used six bottles." For sale by F. S. Duff, Druggist, New Berne N. C.

Electroplex

THE LIFE-WORK OF AN EDUCATED PHYSICIAN, IS AN INSTRUMENT FOR THE CURE OF DISEASE WITHOUT MEDICINE. BASED ON NEW THEORIES OF THE CAUSE AND CURE OF DISEASE, IT DEALS WITH THE ELECTRICAL AND MAGNETIC CONDITIONS OF THE BODY AND THE SPACES SURROUNDING IT IN THE ATMOSPHERE, CONTROLLING THESE CONDITIONS AT WILL. IT IS NOT ELECTRICITY. DISEASE IS simply impaired vitality. The Electroplex constantly adds to the vitality and only assists nature, in nature's way, to throw off the trouble. Nothing is easier of proof than that, with this treatment, cures are made which by all other known means are impossible. ACUTE CASES of all kinds are cured in hours by its random use. One-tenth the intelligence and perseverance devoted to ordinary methods of medication works miracles in all CHRONIC CASES. This is an inexhaustible home treatment. For testimonials from people YOU KNOW and all further information, call on or address ELECTROPLEX, 1425 N. Y. AVE., WASHINGTON, D. C.

Sixty Killed by a Cloud Burst. City of Mexico, June 19.—Latest advices about the cloud burst on last Sunday on Conception Mountain, in the State of hl San Luis Potosi, are to the effect that at least sixty lives were lost.

In the Name of the Prophet, figs! cry the vendors of the fruit in Constantinople. Certainly a "great cry over a little wool." Scarcely less foolish is the practice of those who fly to violent physicing for coarseness. They dose themselves violently, weaken their bowels by so doing, and disable them from acting regularly, so that, verily, the last condition of such people is worse than the first. Hostetter's Stomach Bitters is the safe and effective substitute for such vast expedients. But no, let us not call them expedients, for it is by no means expedient to use them. What is needed is a gentle but thorough laxative, which not only insures action of bowels without pain or weakening effects, which also promotes a healthy secretion and flow of bile into its proper channel. Dyspepsia, debility, kidney complaints, rheumatism and malaria given in to the Bitters.

Earthquakes in India. CALCUTTA, June 19.—Sixty earthquake shocks were experienced throughout the province of Bengal yesterday and many buildings were destroyed.

TAKE S.S.S. IN THE SPRING.

Nature should be assisted in the spring to throw off the heaviness of the sluggish winter circulation of the blood. Nothing does it so well, so prompt or so safely as Swift's Specific.

I have used S. S. S. for a number of years, and consider it the best tonic and blood remedy that I ever used. In fact I would not attempt to enter upon a spring or summer in this climate without it. H. W. COLEMAN, Of Coleman, Ferguson & Co., Dade City, Fla.

DUFFY'S DIARRHOEA MIXTURE

PROPERTIES: Anodyne, Carminative, Antiseptic and Mildly Astringent. It corrects bowel disorders by relieving pain and griping, and by disinfecting morbid matter in the intestinal tract. It is especially useful in diarrhoea and dysenteries after the bowels have been freely evacuated naturally or by the use of simple purgatives. DOSE, for adults, one teaspoonful with water; may be repeated in one hour. For children, see directions.

DUFFY'S CROUP SYRUP.

Recipe of the late Dr. Walter Duffy. DIRECTIONS: Dose for a child two or three years old, one teaspoonful; for a child three months old, ten drops; for a child six months old, twenty drops; for one twelve months old, nearly half a teaspoonful—repeating these doses frequently if necessary until relief is procured.

This is to certify that I have used DUFFY'S CROUP SYRUP in my family for over six months and I believe it to be a most excellent remedy for croup with children, especially as a preventive, our youngest child had a severe attack of croup about a year ago, inasmuch that we felt anxious about his recovery, but was successfully treated by our physician, but thinking it probable that other attacks might follow we frequently used DUFFY'S CROUP SYRUP and the child has had no marked symptoms of croup since, and I believe it is due to the use of the Croup Syrup, and we now keep a bottle of it at our house at all times, and I cheerfully recommend it to all.
