Offers to Sell Counterfit Money. Happy Women Every once in awhile ingeniously What is it that makes women more smiling and happy looking than men ? We meet them on the cars, on the worded letters are received from diffirent points by residents of this city streets, in the country, by the seashore offering counterfit money for sale. always smilling, teeth a glistening, eyes a dancing. Ah ! the secret is they aim to please. It is an effort in many in-The last one we have seen instead of giving it the right name speaks of it as stances for them to smile, and were it "patent medicine" and offers to furnot for a desire to look pleasing and pretty many would "never smile again." Why? Because in a large nish genuine money about ten times the amount of the spurious article, majority of instances they don't feel like smiling. They feel more like cry-ing. With their nervous aches, which it intimates is printed from original plates of which the Governing. With their nervous somes, weakness and bearing down pains, life to them is a burden.
