and was decleared the winner of the day. Magistrate's Court. S. R. Street, Esq , tried two cases yesterday afternoon. The partles in each case were colored

The first was a family disturbance. George Phifer and his father Henry live in a double house at Camp Palmer. Thursday George and his wife ouar relied, and he threatened to kill her On this account she spent the night at his father's. In the morning her husband renewed the trouble and attacked

his brother and father in his efforts to reach her, using a knife and attempting to use a gun in the scuffle. He was says: Polk, Simpson and Willet overpowered, however, and bound by University and the young ladies the his father and brother, brought to the city and turned over to the authorities Mr. Street placed him under a \$100 bond for his appearance at Superior Court, and also under a \$100 bond to keep the peace. Not being able to give bond he was sent to jail.

The other case was a man from Beau fort county, named David Boyd, who Mrs. J. H. Bell, of Washington City. was arrested for disturbing the peace and found to be carrying a pistol. He was sent to jail for thirty days in demembers. Simpson spoke in the fault of \$80 fine for carrying concealed

Establish More Factories.

Mr. J. M. Howard is calling specia attention to Scotland Neck hose which he is selling. They are said by those using them to be comfortable, well cusasion by learned medical men of made, durable and all that is claimed

It is a credit to Scotland Neck to propears to be that there is no royal duce such goods. We rejoice in its success. But how does it look for New The victim of inebriety must cure in putting up manufacturies that give Berne not to be doing more than she is himself. Asylums and physsicians employment to numerous operatives may help him by indulgence, by and require but a moderate amount of aliaying the depressing effects of a capital to establish them, while little sudden change of habits, and by towns only one-eighth her size are improving his general health. But, moving successfully in these lines of industry.

New Berne is better fixed than mos places for becoming a manufacturing being made in a manufacturing line we look for it to continue to increase until our delightful city is as well known for
