We were told a short time ago of one shipment of fresh fish being made from but we are informed that Friday's The head lines in all the papers wer supply of fish exceeded that shipment about 50 per cent. A single days catch is enough to sell for several thousand Kerr, of the Democratic State commitdollars in the markets to which they are shipped.

Every available boat around Morehead that is at all suitable is pressed into service and all who go out are and profit.

The Atlantic Express Company Wins! In the case of the Atlantic Express Company vs. the R. & D. and W. & W. Railroads, the Railroad Commission has decided in favor of the Atlantic Express Company-that is, that it shall have equal privileges with the Southern Express Company over those roads. The company deserves and will no

doubt achieve success. It is a North Carolina Company, with the general office in New Berne. Several of its stockholders reside in New Berne and Morehead City. Some of them reside abroad. The ones composing it are sound, enterprising business men, who by their past successful business careers have done much to develop this section. west Point light house tells us that in They are also large exporters. One firm (Mesers. Watson, Daniels & Bell) that is represented in the company pay out about \$30,000 per year in express

charges. The railroad commission has conthe next morning he picked up 79 that ferred some important benefits on the had been killed by dashing against it. If public. It has established lower railhe had been disposed to have caught road fares and lower telegraph rates em he believes he could have secured and now it seems that it will not permit barrel of them. At the Southwest any carrying company to have a mo nopoly when competitors wish to enter the field. We have, previous to this, called attention to high express charges and given the opinion that the companies owe lower rates to the publie, and we believe that if they were lowered to reasonable figures the patage would be so increased that the ofits to the companies would be as eat as before. We hope lower rates
