THE JOURNAL.

T- HANCOCK, - Local Reporter. Entered at the Postoffice at New Berns

BROADSTREET says that telegraphic report from the more prominent business centers confirm the analysis of the general trade situa-tion presented last week and point to a widespread check in the movement of staple products. The volume of business on the whole, appears of fair proportions, but smaller than it was two or three wesks ago. West and northwest mild, and at some points quite unseasonable weather has present constitutes an interval prior to an expected rush in the holiday trade.

THE election of Tuesday teaches a lesson that it is not safe to disregard. Wherever the Alliance has figured in politics it has been to the They, more than any other class, are the people. Althrough its exist Sound church, this week; three perpeople." Whenever farmers ormost of its strength from the old in this community. and reliable Democratic party. As a region for pleasure travel it is unsurpassed by the White Mountains. With the general development of the newly discovered resources the tide of emmigration Lemon Elixir must soon set strongly toward this new field. In many respects it is now the most attractive portion of the continent, and its rapid ad- Lomon Elixir. vancement must soon command the attention of the whole land .-Washington Post.

THE ELECTIONS.

At this writting it is impossible druggists. to give full returns of the elections of last Tuesday. So far as results are known there is much over which patriots can rejoice and neys and constipation, I have been cured by Dr. Mozley's Lemon Elixir, nothing to cool the ardor of the and am now a well man. great Democracy.

It is matter of sincere gratification that in the States where the Democrats were united and the fight was between the Democratic and Republican parties, without the interposition of a third party, the Democracy was signally triumphant.

No where was pure Dem .c.acy, uncontaminated with any measure of questionable soundness or doubtful expediency, presented with such potency as in the States of New

in Ohio is matter of the most serious regret. He made a splendid won for himself imperisha-. It is no fault of his if

upon those professed Democrats of Cincinnati who kept the word of promise to our ear and brake it to our hope. Men whose spleen is TRNAL is published larger than their hearts and whose ambition mounts bigher than their patriotism, can never be relied upon with safety. Campbell wounded corruption in Circionati and it turned and stung bim.

Gov. Bois is probably re-elected in Iowa, and this great western State, which a few years ago was Republican by 60 000 majority, may be regarded as safely Demo

Maryland, as was expected, gave a very large Democratic majority.

Present indication, and we know they may be different tomorrow, instify the conclusion that the

GREAT MAGAZINE.

The Century's Programme in 1892-A Dr. C. C. McLendon has some of New "Life of Columbus"-Articles for Farmers, etc.

THAT great American periodical, The Century, is going to outdo its own unrivaled record in its Association at Wardsville about porgramme for 1892, and as many 12 miles from here last Saturday of its new features begin with the November nunber, Lew readers. should commence with that issue. In this number are the opening "The Naulahka,"

a novel be Rudyard Kipling, the famous author of "Plain Tales from the Hills," written in collaboration with an American writer, Wolcott Balestier. It is the story of a young and one hair out for \$100. Now is man and a young woman from a your chance to lay in a supply.

"hooming" Colorado town, who go Prof. W. H. Shapard to India, he in search of a wonderful jeweled necklace, called "the Naulahka" (from which the story takes its name), and she as a physician to women. The novel describes their remarkable adventures at the court of an Indina maharajah. Besides this, The Century will print three other novels The farmers are busted on pea during the year, and a great unmber of short stories by the best American story-writers.

The well-known humorist Edgar of the Department of Agriculture, cuss "The Farmer's Discontent,"

"Cooperation," etc., etc. have arranged with the managers of the World's Fair to print articles on the baildings, etc.

One of the novels to appear in 1892 is

A story of New York Life by the author of "The Angiomaniacs," and the magazine will contain a great deal about the metropolis during the year,-among other things a series of illustrated articles on "The Jews in New York." In November is an illustrated description of "The Players, Club," founded by Edwin Booth, and one of the features of the splendidly illustrated Christmas (December) number is an article on "The Bowery.".

To get The Century send the yearly subscription price (\$4.00) to The Century Co., Union Square, New York, N. Y.
