PROPRIETOR OF

"The measles is raging around this vicinity. Some of the colored people say no need stop visiting for the Lord will send it just where He wants it to go. We must say that but few colored persons have so far escaped its visits when it gets on a plantation. We must say that the bridge at Trenton and the bridge at the Muscle shell on the Core Creek road is certainly well dotted with little patches. We have heard it often said that a patch long side of a patch looked neighborly but a patch upon top of a patch looks a little badly. We don't think there is much economy in such whole sale patching and besides strangers who pass over these bridges will conclude that we are certainly too poor or too stingy to repair our bridges. There is a large crowd attending court all are complaining of the low price of cotton. Married at the brides home near Trenton Wednesday the 28th of October Mr. E. C. Kellum and Miss Maria Jones. Mr. J. C. Parker officiating. Many years of happiness attend the happy couple. Judge Boykin we learn gave a very impressive charge to the grand jury today. There is no representative here today for papers only Dr. Hyatt Herald of Health the agent is pushing it with all his might Every family ought to have a copy as it treats of Physiology Hygiene Preventive medicines. Shiloh's Catarrh Remedy. A marvellous cure for Catarrh, Diphtheria, Canker mouth, and Headache. With each bottle there is an ingenious nasal injector for the more successful treatment of these complaints without extra charge. Price 50c. Sold by New Berne Drug Co. The ruins of Bluebeard's castle are said to still remain in a lone-some mountain road near Interlaken, Switzerland. For Over Fifty Years. Mrs. Winslow's SOOTHING SYRUP has been used for children teaching. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. Twenty Five cents a bottle. Sold by all druggists throughout the world.
