THE New York Herald was not much force in the late election. Perhaps it has more care for the log the Exporeligious than the political situs. tion. At all events it is sound in the following: Now the contending factions in the Presbyterian Church should get together, shake hands, forget the animosities of the late and thereay campaign, and charge all together at the houts of Satan.

Evidently the body of the church hereabouts is opposed to continuing Positive Proof From the Colonial Rethese debates, which tend to make worldings laugh and skeptics sneer. It's a sheer waste of good talent.

A TELEGRAM from the Japanese Mr. Tateno, the Japanese minister, giving an account of the earththd 28th of October. It seems from this authenticated report that the damage caused by the earthquake was confined almost entirely to the prefectures of Aichi and Gifu, the former of which is on the sea about 170 miles from Tokio, and the latter immediately to the west. Nagoya is the chief city in Aıchı prefecture, and had a population of 150,000. There are no very large cities in the Gifu prefecture. No mention is made of any damage in mention is made of any damage in any parts of Japan. According to the telegram received by Mr. Tateno, 9,500 persons were killed, 9,000 were injured, 75,000 houses were totally destroyed, and 12,000 were badly damaged.

The Value of Money.

Men of unlimited means hardly appreciate the value of just one dollar, but with the poor every dollar means so much toll and so much effort. It is a much toil and so much effort. It is a comfort to know that the poverty stricken invalid can derive so much good from so little expenditure, when they invest their dollars in B. B. B. (Betanio Blood Balm).

W. C. McGanhey, Webb City, Arkansas, writes: "B. B. B. has done me more good and for less money than any other blood purifier I ever used. I owe the comfort of my life to it."

A. P. McDonald, Atlanta, Ga., writes: "I had a running ulcer on my leg. Several doctors failed to do it good. Three bottles of B. B. B. effected a ourse. B. B. also cured my brother of a running sore."

David Thurman, Atlanta, Ga., says: "I was a constant sufferer for many many years with Scrofula and Eczema. A few bottles of B. B. B. entirely cured me."

John M. Davis, Tyler, Texas, writes:
"I was subject a number of years to

Y. M. C. A. Week of Prayer.

These meetings this week promise to be of more than ordinary interest. The opening service Sunday afternoon, in the Association's rooms conducted by Dr. Clark, though not largely attended, was charactered by deep and serious feeling, and evinced an earnest determination to employ the time in active

Christian work. On Sunday night a large audience gathered in the Presbyterian church and the pastor. Rev. C. G. Vardell. preached a plain and forceful sermon to young men, urging them to take heed to the call of Christ. and "arise" from the stupor of death, and the entanglements of sin, and come over upon the Lord's side for their own salvation, to the help of society, their country, the church and the world.

Last night the devotional room of the Asociation was much better filled than on the previous day. Rev. R. A. Willis of the Centenary M. E. Church, con ducted the meeting and delivered an impressive discourse which was attentively and seriously listened to by the audience.

It being brought to the notice of the meeting that others desired to attend but were prevented by their occupao'clock and it was also decided to postpone the beginning of the regular meeting a little by letting a few minutes song service preceds it.

The meeting tonight will be conducted by Rev. Rufus Ford, of the Baptist Church, Subject: "May I come as I Solicitor Geo H. White's law office, on
