and ice cream was a caution to an old HISTORICAL PUB. CO, Phila, Pa ong-man. I enjoyed myself all right,

for the oysters were prime, and the ice cream wasn't bad, considering there isn't a restaurant in town where such an article can be had. But I hadn't To-day only, some handladies, and get acquainted with folks. Some STERLING SILVER

Bloom's lunch counter down at the head of the market wharf, but I can't get to see the girls whenever I like; and it seemed to me like as if a grand chance had been lost for an enjoyable

society affair, just to give the young people a send off, and at the same time let an old soldier come to the front once more. A good deal of money might have been made too, if the affair had

been held in some public hall or spa-cious parlors with good music and a profus ion of flowers, where the elite their best togs. Just imagine old Slocum waltzing up to the prettiest wall flower on the line and leading her out to trip; the light fantastic hop-

scotch before an admiring crowd ! I left in these old veins yet. Any man that can't stand up on the floor at 60 menths, and by that time, was com-pletely cured and have never had any mud in his blood.

There may be good reasons I trow for the whyness of the what, but I can't see into them at the present writing. I

may later on. Fact is I never was so disappointed in all my born days, though I would nt have minded it, perhaps, if some duffer had not spilled soup on my claw hammer. As matters stand now, I feel that I shall be ever grateful to the kind old lady who rushed out to the cab just in the nick of lime to save my life.
