hopes of the other world grow brighter, the place called home, New Berne, befather-in-law of Mr. Croom, so said there sons, if you should see them, the place called home, New Berne, befather-in-law of Mr. Croom, so said that you have heard from meaning that we are all very well. It was at the house of Mr. Smith, the John Stanly as the time and until his master's death, that, the difficulty of.

My kindest regards to your family. mindful he is ever of the bonor of our curred which led to the duel and the death of Thomas J. Stanly by the pistol of Louis D. Henry and not at a party at In this house of America, whose history is to be studied and whose traditions are venerated.

Stanly was born, then the property and James B. Hughes Absord the law the high studied and whose traditions are venerated.

Stanly was born, then the property and James B. Hughes Absord the law the high studies are too the ground is the stately brick in his profession. Unfortunately in mansion of Dr. James B. Hughes. The feebled he din, at this time, coping a old wooden dwelling in which their this community of his valuable and ars in America in the field of bellesletters, and has won for himself the tives and friends and to the State, was assistance, his rapid responsible accidentally destroyed by fire some health would be userred, years before the war. Mrs. Sasith's pectedly met with a much warmer high character of Syrup of Figure reception than she could have contempurposely avoided by the Cal. Fig. plated. As we may speak of the Stanly's again will only add here that Mosta kidneys, liver and bowels, cleansing was a tenant of the writer for acveral the system effectually, but it is not a years. He lived to be very old. We cure all and makes no pretensions that have a letter written by himself and his every bottle will not substantiate. photograph. He read regularly and closely the newspapers, taking a deep interest in and keeping up with passing events. The elder citizens of Newbern are aware of the confidence reposed in him by Mr. Stanly, who had Moses

emancipated many years before his death. The dignified manners of the master the servant never attempted to imitate. But his example of honesty "Just think how unhappy the little and truthfulness, politeness and gen-savages must be," said a Sunday school tility were never forgotten and gamed for Moses the respect of every class of our citizens. He risked himself for good or evil, with, as he delighted to term them "our people" beyond the federal lines. Not the presence of the Cobwigger—Did your wife give you nore for Christmas than you expected?

Terwilliger—Rather, It was referred. young master did not forget the faith-ful old servant to his father and family. In his will Mr. Stanly left him a com-fortable house which he enjoyed for the remnant of his life. First and last Madison Squeer—I am very glad you liked it. [Thinking of his rival.] Errr, Moses affirmed so far from his master, Moses affirmed so far from his master. ly repeated, he was in Philadelphia when the quarrel commenced and

when the younger Stanly was a tittle child. But it is not probable if the misunderstanding between Stanly and Henry had occurred at Judge Gaston's t would have been allowed, for so trivial cause, to have had its melon-choly termination. It will be recollected Mr. Graham who was the second of John Stanly in the duel with Governor Spaight, was the uncle of Henry and Gaston and the elder Stanly were intimate, personal and political friends-The principals in the quarrel were both very young men, one studying law with his uncle and the other will his broth-No two men could ever meet on the field for less cause. The honor of neither was involved. Moses stated on his masters return he met his brother James G. Stanly and his first words were "Why did you not stop the boys They were beyond his reach before he knew the object of their absence from Newbern and hence the impossibility. Mrs. Croom's brother bearing his father's name Nat Smith met and wounded Dr. Isaac W. Hughes in a duel on the Virginia line. The Doctor

ecoming implicated through a friend. Never having contemplated any such osoffict he was totally unprepared for it, yet between the finger of scorn and the hazard of his life he preferred to Lady Finger Apples, choose the latter, knowing in that period of our history, there was no escape from one or the other. It is as before the time of skaking fists, making Sour Pickles. ugly faces and calling each other hard names, all to be withdrawn as soon as over and then for the love feast with no one dropped out by the deadly bullet. Our fathers did not understand that way of settling insults, which caused much greater caution in offering them. But they did understand courtesey, hos pitality and gallantry, which their sone are fast forgetting and of which our sons will have no knowledge unless there is a radioal change in the conduct of those now growing up around us.
Dr. Hughes opposed wrangling and
bickering. If fight he must, fight he
would and about is there was no equivocation, thus it was ever perilous to provoke him. Some of those doubtlessly, who attempted to prove within his reach, their freedom by their impertinance without regard to age, position or sex could tell how they were taught by the end of his cane better behavior than they were accustomed to exhibit before on the streets. If outspoken and fearless in the expression of his convic-tions among the afficent, with the indigent he was forbearing and consid-
