The police department is just now being flooded with letters from soldiers inquiring about regulations governing appointments.

If the Democratic party, whose political prognosticators early foot up a majrity in the new electoral college, depart from the path of wisdom and sacrifice their opportunity to the spirit of faction, it will be the most stupider course...

"SOME of the representative Hebrews of the United States are indignant over an article in the last number of a well-known review, in which 'The Jew as a soldier' is treated in a manner which reflects upon the bravery and patriotism of the Hebrews as a race.

MR. CRISP AND THE HOUSE COMMITTEES. Mr. Crisp must stand acquitted of any charge of partiality in the make up of House Committees.

He has given thirty-four chairmanships to Northern States and twenty-two to Southern States. The Speaker has placed at the head of committees no less than fourteen representatives who were his active opponents in the late contest.

The chairman of the Ways and Means is Springer of Illinois; of Appropriations, Holman of Indiana, Foreign Affairs, Blount of Georgia; Elections, O'Farrall of Virginia; Rivers and Harbors, Blanchard of Louisiana; Judiciary, Osborn of Texas.

North Carolina has fared well at the hands of the Speaker. Every member has a place on the Committees. Henderson is chairman of the Committee on Post-offices; Cowles, on Mines and Mining, and Bunn of Claims.

CHRISTMAS.

Yesterday we spoke of Christmas as its origin and significance; today we enter upon its realization.

Let church bells ring out their merry chimes, commemorative of that blessed day when wise men saw His star in the East and came to worship Him.

Higher and grander, it was God's gift-day. And, what a gift! He gave His Son to be the Redeemer of the World!

Let us make the children happy; happy in the companionship of friends and associates; happy in all that Christmas means to young hearts and joyous spirits.

On this blessed day, let old age forget its decrepitude, and look with unclouded vision on the peerless radiance of the Star that rose over Bethlehem to reign over the world of the ascendant.

Let Poverty rise, superior to its wretchedness, and see, in the angels of Charity, beatific visions of the beautiful beyond in the City of our God!

Thank God for Christmas: for the event it commemorates, and the happiness it brings!
