Lesson No. 3.

The western portion of the city is not even supplied with a fire alarm. No fire bell was rung or other public alarm given except by outcry in the neighborhood until a resident thereof ran down to one of the engine rooms. Even with they were, if there had been a bell near the fire by which instant alarm could have been given, precious minutes oculd have been saved and the fire combated ere it had got so far beyond control and thousands of dollars saved. Lesson No. 4.

How long shall this state of things continue?

Young Men's Club.

Precident. After the election the club interest. adjourned to S. R. Radoliff's restaurans where the officers "set em up" to an oyster supper.

The club is modelled after those in large cities but is intended to be hightoned, excluding intoxicating drinks and gambling. It has effected a lease from the Yacht Club for the upper room of their club house which will make a very nice meeting place and it has been partially fitted up and furnished for the purpose, with chairs, benches, tables, ands, and various games, among which are cards, backgammon, check ers, seega, ring-a-peg, tiddledy Winks,

The room is 32x83, (large enough for dance if one is wanted) airy, being out in the river a moderate distance from the shore, with a dozen amply large windows three on each side, giving copious light and ventilation. It will be cool and breesy and a very pleasant place in summer. While a large stove makes is comfortable in winter, and oil curtains to the windows add to the cheerful appearance.

It is at present lighted only by lamps but electric lights will soon be put in
