MR. GORMAN has been formally re-elected to the United States Senate.

IT is reported at Washington that the Government of Great Britain will take steps to bring about a better feeling between the United States and Chili.

dentally drowned in the river at not even the silver States them-crossing and recrossing, in the going to and from the city of New Berne. The that place on the morning of the selves .- World. 19th instant.

ONE of the new evangelists who is attracting attention is Fannie Edwards, an eloquent 15-year old Louisville, Ky., girl, who is now preaching with success to the Tennessee mountaineers.

As was expected, Senators George and Walthall were returned to the Senate by large majorities. the vote standing George, 101; Barksdale, 53; Walthall, 135; Clark Lewis, 21; Hooker, 4, and Acorn, 1.

THERE is a Treasury watch dog in Mr. Holman's resolution-none in Mr. Holman's resolution—none to R. R. Johns.

The problem of the work required of this work required of this billion billio have been "put to sleep" before now.

THE Republicans of Louisians have nominated a full State ticket. By the Democrats having two tickets in the field, the Republicans may manage to get in and endanger Democratic success in the Presidential election.

MR. CLEVELAND seems to be the first choice of most of the Democrats who have been mentioned as possible Presinential candidates. Gov. Pattison, Gov. Russell and Senator Palmer have expressed themselves in his favor.

WE again refer to our neighbor the Norfolk Virginian. It is one of the best of papers, is Democratic to the core, and is as generous to North Carolina as to its own loved State. The excellencies of Journalism are displayed in the columns of the Virginian.

THERE is a sharp rivalry between the President and the Secretary of State in claiming the idea of reciprocity, but it is not noticed that there is any such rivalry in claiming credit for the appointment of Egan. The Egan responsibility is a heavy one.

THE calling of a National Convention by the Prohibition party is now the quadrennial evidence that the party still exists. It exists, however, only as a fad; as a National issue it is defunct. It could not even be used to put cold water on the heads of the fiery enthusiasts who are rushing into war with Chill,-World.

THE reduction of the cotton acreage by 20 per cent., as recommended by the Memphis convention, is generally approved by the cotton State newspapers, and seems to be a wise proposition. It is estimated that it would reduce the crop fully a million bales below the excessive production of the year. It would probably nor it more than that figure.-

THE masses of the Chilians, it is said, fully believe that there will be war with the United States and expect aid from Eugland. Representatives of their Govern-

VEW ADVERTISEMENTS Big Ike-When? Virgil S. Bryan-Removal. J. S. Basnight-Lodge notice. C. E. Slover - Maccaroons, etc. W. B. Boyd-Important notice.

The Fair is just one month off. cooler on the immediate opast.

pon payment of cost.

The erection of Mrs. Sudie Herring ton's double dwelling on Metcalf street. adjoining the residence of Capt. Geo. or in lieu of a free ferry, to charge such public places may be used they shall be W. Wallson, one portion of which is to be occupied by herself and the other by her brother-in-law, Mr. Ed. J. Matthews, was begun yesterday.

A pleasant musical entertainment by tonight at the Y. M. C. A. hall. About two dozen of the little folks are to participate. There will be some recitations. The money raised will be for the benefit of the church. Attend, enjoy yourself, and help forward the good cause.

A good many names have been handel in for copies of the Journal's Fair edition, but there is chance for many more. Notwithstanding our repeated requests for names of people whom our ditizens would like to have a copy of this issue, some who have given us lists have seemed to fear they might contain too many names. So we say again, give us a list of all you would like to have a copy. We have plenty of them and we will send them where desired. Send in the names at once.

Measrs. Jones & Co.'s barrel factory at Union Point is busily engaged making truck barrels in advance for the shipping season. They have eight coopers now employed and expect to morease the number a little later in the season. They inform us that they have enough staves, heads and hoops prepared for 15,000 barrels, and since Monday morning, at which time the work of putting them together was Aunie L. Coward. begun, they have finished 800. They are of flour barrel size and shape, and each one has four ventilated staves.

We acknowledge the receipt from the Historical Publishing Company, of Philadelphia, of a handsome clothbound copy of the valuable work, "Footprints of the World's History," by the resowned writers and historians, William S. Bryan and John Clark Ridpath, LL D. It narrates wonderful, curious and beautiful events. recorded in the best literature of Europe and America, from the earliest eges to the present time, embracing strange incidents, wonderful descriptions and remarkable facts in the lives of celebrated historical characters, rulers of nations, great generals and their battles, heroes in morals and

A NEEDED ENTERPRISE. Petition for a Steam Ferry Across

Nense River.

The following potition to the County ment are in England now seeking Commissioners to establish a Free recognition for their Government. Steam ferry or one which will charge a mere nominal price across Neuse has WHEN this country goes to war been signed by nearly 200 of the best there need be no fear that it will and most progressive men of the city. not be united. But it is not united Until a bridge is built, which event apin favoring a threat of war to pears to be too remote to be considered, Strength, intelligence, riches and could be entered into at this time. civilization have some obligations. Our business men are realizing the importance of securing better communicaagainst czarism and the suppres. which is tributary to New Berne and sion of debate under Speaker Reed also with that which lies near midway was a protest of principle, and the between New Berne and some other principle applies to a Democratic Berne more easily accessible is to exmajority. The temptation to pay sure an increase of trade and an extenthe Republicans back in their own sion of the territory from which it is to coin is a strong one, but it should be secured. To neglect this is to endanbe firmly resisted .- New York der the continued holding of certain trade which we now have, for developments are in progress at other points tary sewers for public and private use Balsama, Sarsaparillas and all kinds of which have a tendency from one cause and giving the said city of New Berne tinctures, but they did me no good and or another to turn it saide and it is an option to purchase said sewers.
