Mr J. W. Stewart returned from the west last night where he has just pur chased a choice supply of horses. They arrived a listle later in the night by special train. Among the number is fine thoroughbrei that was honored with a whole car to himself.

On account of the increased number sttending the Prosbyterien Sunday school it has been found neccessary to put an addition to the Lecture room building in which it is held. It will be an ell placed opposite the Superinten-R. C. Kahoe's residence. It will be fitted up with all modern Sunday school appliances and be divided by movable parcitions into six rooms. giving each class occupying it a place to itself. The work will begin at an

The State Sunday School Convention, which is to meet in New Berne the last three days in March is quite an important religious gathering, representing di evangelical denominations and every sounty in the State. A number of prominent Sanday school works: some from other States will be in atten dance. The interest in and attendance upon the convention is annually on the increase. The Craven county Sunday School Convention to nominate dele gates to it will meet in this city March 10th. Each Sunday school in the county can send as many delegates to the county convention as it chooses.

Repairing "Clap-Trap" Buildings. There are some miserable unsightly, lecayed buildings in New Berne, consplouduely situated in or very near some of the best localities of the city. A portion of them are regular eyesores, and a constant menace in some instances to adjucent valuable property. I would not be amiss to call some of them nulsances and an injury to the city, and if the authorities could right-fully and without working hardsh p. concemn and pull them down is would b . a ben-fis to New Berne,

The owners of buildings prominently wasted which are unfit for conspicuous them by others that will be a credit to the neighborhood and a benefit to the city. Especially ought they to bear this point in mind when the old hulks positions ought to endeavor to replace each a condition requiring extensive

Is is well also to consider the san points when erecting new buildings, and let them be, whenever possible

Right now there are some old rat trap concerns in the bears of the city being opaired. The sconer they are pulled lown and converted into firewood the

CITY COUNCIL PROCEEDINGS. Sundry Matters - Water Works-Reports.

F-bruary 2. 1893. Board met in regular session Mayor Manly in the chair, present Councilmen Manly, Lovick, Bell, Richardson, Miller, Crawford and Oden.

Minutes of last regular and special meetings read

On motion cost was remitted against Simon Johnson and S. A. Edwards on payment of regular tax.

Reports of committees were received. On motion, disting foot of George street for taxes for back years was re-

ferred to city attorney. Procuring the services of a city engineer was left with sewerage and

water works committee. The proposal of Mr. Wm. O Clarke to construct and operate a system of water works was, on motion, referred to the committee on water works.

Motion carried to reconsider the action of the Board at meeting Jan'y 5th, in regard to practical engineer of New Berne Steam Fire Engine. On motion the credentials of Mr. P.

A Willis were referred to the Fire Dep's committee and city attorney to investigate and report. The following was adopted

Whereas, H. H. Tooker had in course of erection his house on East Front street at the time the fire district was extended, resolved that all action against him to discontinued and a not pros be entered.

EDITOR JOURNAL:-The North and Northwest during the winter months do not call for money by the hundred of thousand. So any one who could use to an advantage one, two, three, four fore, six, seven, eight, sine or ten chousand dollars, would find it to his interest to borrow it from the Eastern Building and Loan Association of Syracuse, N. Y.
The Rustern has already loaner

New Berne, N. C., General Agent.

"All, as they say, that glittere is not rold."-DEYD

This saying is very true, but there is nothing to matter with a two dollar and a half gold piece, a large amount of money, which have since been found at the places designated in which is is placed.

Right now there are some old rat trappurposes. Bend them by mail, one mind the large amount of the crime. Boyd telling how and why he wrecked the train and celling where he had hid some watches and two dollar and a half gold piece, which have since been found at the places designated by Boyd.

The railroad men say there is no doubt at the people to think that the man who mail, the people to think that the man who mail, the black crime was at large in the city. purposes. Send them by mail, committed the directed to Box 4, New Berne, N. in the city. O. Do not use the quotations that we have used in our advertisements for the last six months. See us for J. M. HOWARD.

DETECTIVE HANEY'S WORK.

Fastened to the Guilty Man.

was discovered as follows:

Besides making the arrest, the Atlanta detective-for that's what he is-has secured a full, free and complete

and the detective who trailed him to detective of Gainesville, Ga.

Immediately efter the terrible wreck occurred, the Richmond & Danville road offered a reward of \$10,000 for the

made, and in a day or two that section of North Carolina was overrun with

But Haney, who was then, as he is now, doing the secret work for the Richmond & Danville, was upon the He. like others, was mystified, but.

the case.

HANEY'S GOOD FURTURE. called-threw him in company with a Danville, who gave him a starter on the story again. At first Haney smiled at the team hand's story, but decided, nevertheless, to investigate it. Almost at the first step he was astonished at his discoveries, and then, dropping everything else, went down to hard work Within a few days Haney be right track, but realized that he had . Point after point was taken up by Haney, until he located the man upon whom his suspicion had been directed.

Two weeks ago Haney uscertained that a man in Statesville had in heposeesion a package which Boyd had left with him

Two days later the detective knew the contents of that package.

Tha't what Haney found it to be. Then the custodian of the package was taken into the secret and Boyd. with whom he held frequent converse tions, was more closely watched that ever by Haney and more assiduously courted by his "banker" Boyd, it appears, had every o nfidence in the man who held the stuff, and one night, when closely questioned, told how he come to have it
