SAM JONES

To Lecture in New Berne the Second Night of the Fair.

We know it will be gratifying to our readers generally to learn that the New Berne Young Men's Christian Association has secured the services of the distinguished lecturer Rev. Sam P. Jones, to deliver a lecture here on the night of Tuesday, February 23d. This will give our citizens and visitors to the Fair as easy an opportunity to listen to this great man as they will in all probability ever have. Tickets will soon be placed on sale and until they are, if those desiring to secure reserved seats will leave their names and number of their wanted with Mr. H. L. Walton, the secretary, at the Association rooms, or at the New Berne Drug Company's or Mr. C. Green's drug store, they will be given their choice of seats when the tickets are placed on sale.

THE POULTRY DEPARTMENT.

Increasing Interest—New Exhibitors—A Word to our Breeders. Unless "all signs fail" the New Berne Fair is going to have a remarkable poultry exhibit. Another firm of breeders Messrs. Johnson Bros. of Merry Oaks, Chatham county have expressed an intention of making an exhibit. Messrs. D. W. Harrell & Co., of Edenboro whom we recently announced as coming to exhibit have not said what they will bring but they breed barred Plymouth Rocks, American Dominiques, white Leghorns and black Langhans. Mr. B. A. Fox, of Island, Va., proposes to bring 100 barred Plymouth Rocks, 100 brown Leghorns, and 200 young Leghorns. He says he wants to make a fine display of the world's best. Because there is this promise of those large exhibits from professional fancy poultry men let no local breeder feel in the least diffident about his own exhibit. Let every one show. The grand success in the Poultry Department last year could not have been attained without the general hearty cooperation of a good number of exhibitors. Do not rely upon the exhibit of others but make sure of your own by bringing what you have. It will be wanted and needed. We desire to show what we have as well as see what others have Mutual examination and comparison insure to result beneficially. Coming and Going. Dr. and Mrs J. M. Manning of Durham, who have been visiting at Capt. John A. Richardson's, returned home yesterday. Mr. J. M. Patrick of Institute, who has been visiting his relatives in the city returned home. Rev. Mr. Hines of Croatan, passed through yesterday morning en route to Fayetteville to attend the State Alliance Convention as a delegate from Craven County Alliance. Mr. H. L. Gibbs returned last night from a visit to the Supreme Court at Raleigh. Col. J. D. Whitford returned from a business trip to Raleigh. Mr. E. S. Street returned from a trip after a new supply of horses. Mrs. Mary E. Edwards returned from a visit to her daughter, Mrs. J. W. Hamilton, at Durham. The steamer New Berne of the O. D. line brought in the following passengers: Mrs. Edward Bull returning home from a visit to relatives in Connecticut; Mr. and Mrs. Arthur Fuller of Boston on a pleasure tour. Mr. J. J. Pursell and his sister Miss Belle Pursell en route to spend the remainder of the winter at Miss Sarah Davis, Beaufort. Mr. T. B. Brass of Boston and Mr. X. J. Butterfield on business trips and Mr. D. W. Lewis on a prospecting trip.
