WASHINGTON CITY.

Seeing the Sights-So-Called Faith Doctor-A Misnomer-Cures-Methods-Comments.

Washington, March 19.h, 1892. This morning, as per expectation on nant governor and polled a larger yesterday, we started out on a tour of observation.

The sleighs were cutting about merrespondent says: "The government the heavily laden cars. Not possessing

and sliding one step forward and two backward. Do you remember our lamented citizen. Daniel Standard We asked have you seen D. Tourse I want no private opinions about it, I want legal evidence, such as the authorities at Washington City re Congressman Chain, of Texas, two backward. How then did you cure. Every case he would describe that when Moore's School History of the control of the contro

Ob. I finally turned round mam. But we entered the hall, quite a neat rather low and stout man and in years negroes present on the front row of seats and half dozen ordinarily ap pareled white men at the register, in the opposite side from us, in earnest

onversation Mr. Bates, "I am from the South" said was called upon at a political meeting unexpectedly for a speech, and in his counter marched, and charged like embrassment bawled out "Mr. Chair-trained veterans. It was magnifi-but not to hear." It is needless to say he ment speak for hear. But never before or since did he receive such ap

plause. He yet survives. To return to Mr. Bates he answered I am glad to hear it and will help you as far as I can. Question. Does Dr. Henion believe in and practice faith cure? Answer. He does not. Ques-tion. Then how does he heal and cure? Answer. By magnetism and swith medicine. Question Can be cure all diseases? Answer. No, he cannot and does not pretend to; for instance he can't put a new lung in any one or give a new leg or an arm. We then asked about various diseases some of which he said emphatically, he could cure and

others he could not The hall was cold and we both hung close to the register. It finally began to fill up with a motly crowd— Black spirits and white,

Red spirits and gray, Mingle, mingle, mingle,

greatly predominating

Now Dr. Henion appears on the stage and speaks a few words. Imagine a man apparently in age about forty five, height 6 feet, weight 200 pounds, splendidly formed, head covered with black hair, beard full and also, black cravat white, voice and manner of speaking reminding one of Dr. Chisholm the celebrated oculist of Baltimore, thus yeu have Dr. Henion. There boldness in his ass moved about the stage with stately and the ease of an accustomed He is a native of Rochester. New York, a regular physician and some from a family of that profession.

The first patient is called up from the audience, a negro woman. What's the trouble with you? asks the doctor. Misery in the back and side, answered Misery in the back and side, answered the woman, and have been two years. The doctor now commenced feeling about for the pain with his hands, then turning the woman suddenly round and round and giving her hard pushes fold her to go and she came down a well woman and it is known there are but few of that kind in the world.

Next a white woman went up for whom it was said, she came with her brother's gold watch from Virginia to raise the means to obtain the doctor's a business trip.

Mr. J. J. Disosway's father in law,
Mr. N. W. Sohenok, of Brooklyn, is said the woman one eye and nearly so the other. The cause was stated by the doctor who said the sight could be restored though not with one sitting. His hands were kept on her forehead and in a few minutes the woman arose from the obair observing, I can see, and

ome down. Next a very fat mulatto woman

the "B" was a small letter, but in no W. E. Clarke from Mr. E. G. Rathbane, case was the final "e" added to the

words in that same document which Mr. Clarke has written his reply to the were misspelled by the person who

Of course the people of New Bern seeking to ascertain the original and correct name of the city as was given to it by its devoted founder, the official records and Baron De Graffenried's cor respondence show that the name must remain New Bern. If, however, the name should be adopted as Newbern it will be a new name and it will be no longer the city which De Graffenried named, but it will henceforth be a city which was named by some member of the Legislature of 1723! Both of the school histories of North Carolina wil spelling, "New Bern," because it was so ordered by the State Board of Edu

That there may be no further doubt in the matter we append the following extract from "the manuscript of Chris topher De Graffenried, copied from the ved in the office of Secretary of State at Raleigh:

"They (the palatines) arrived in the county of Albermarle on the River tler Col. Pollock, of the Council of North Carolina, he took care of them, supplying them with all necessaries, sed pro pecunia, for money, and put them into great boats to cross the sound and enter the county of Bath, where they were located by the Surveyor-general on a tongue of land between Newe' and Trent rivers, called Chatawks, where afterwards was founded the small city of New Bern."

This is an axact copy, following lan guage, punctuation, and italics. settlers, by any other name or style of and thus the name should remain if the memory of its scholarly and distin-guished founder is to be perpetuated. To Truckers, as is most truly desired by the people of North Carolins.
