the road a suburban terminus. The company have the matter under carefu consideration, but as yet it is impossi ble to obtain more definite informatio on this point.

The Land Company propose within the next few days to send out a number of authorized agents along the pro-posed route of the road which it is to build for the purpose of soliciting sub-soriptions from the towns, town-ships

There are premiums for the largest and counties through which the road is to pass. These agents will also have in charge the matter of obtaining rights of way for the road. They will naturyields and also for best exhibits of cotton, tobacco, com, wheat, oats, rye, rice, peas, beans, barley, ground peas, ally anticipate receiving donations from localities anxious to obtain the grass seed of various kinds, hay of nine varieties and vegetables, root crops, road. Subscriptions to the company's stock will also be accepted, the suborip-

tions being payable in land or timber At a very early date the company prooses to send out engineers who are to ocate and map out town sites along the line of the proposed road. The South Carolina Land Company

is organized under one of the most liberal charters ever granted a similar corporation in this State, and it propo-ses to engage extensively in all the es to engage extensively

lines of business which logitimately ome within its province. The cap tal stock of the company is placed at \$1,000,000, with the privilege of in-creasing that amount to \$5,000,000 if deemed advisable and necessary by the stockholders and directors.

PROGRESS OF THE WORK IN NORTH CAROLINA.

Mr. Charles P. Hower, the general Inancial agent of the South Carolins Construction Company, an organization closely identified with the Norfolk, Wilmington and Charleston Railroad Company, is stopping at the Charleston Hotel. Mr. Hower has recently been over the entire route of the new road, and he was asked by a Reporter for

over the entire route of the new road, and he was asked by a Reporter for information concerning the progree made along the line of his travels. He said that the rights of way throughout Norrh Carolinas have all virtually been secured, that the people of that State are giving his company enthusiastic encouragement and sup-port. In some sections large tracts of land have been voluntarily contributed by people anxious to see the big enter-prize brought to a successful comple-tion. Winton Township, in Hertford County, N. C., has recently held a meeting in the interest of the road and voted a subscription to the stock of 425,000. In the early part of next week meeting have been arranged for in Colerain and Windsor townships, in Berile County. Each of these town abips will be asked to subscribe \$15,000, and the company already has the assur-ance that that amount will be voted by them. It isn't hard to find the reasons for the continual stream of people in our store. It's easier than finding anything on a map. And we always have things of special

Mr. A. S. Moscoe, who is mayor of Windsor N. C., and who is likewise a hirector in the railroad and land com-paulse, has individually suscribed \$5,-000, and the town council of Windsor recently held a meeting, at which they not only gave the railroad all rights of way through the town, but subscribed in addition ten acres of land in their momporate limits as a site upon which the company would area its dupon which
