

THE JOURNAL.

Thanks and heart-felt gratitude from starving men in Russia are the reward of those who contributed to the Indiana's cargo. The Osmangah is soon to sail, and the hand of charity should remain open. Seed wheat is sadly needed in the famine-stricken districts, and for this cash is necessary. Benevolence has no country, and surely the appeal of the destitute peasantry who till Russia's refractory steppes will not go unheeded.

The Cleveland tidal wave seems to be setting in from all directions and promises to engulf all opposition to the people's choice. Even in New York it is stated that some of the most prominent friends and adherents of Senator Hill are deserting his craft like rats and seeking refuge in the Cleveland ark of safety. The Democratic masses are evidently determined to have some voice in this year's Presidential nomination, and Democratic principles are bound to assert themselves over machine methods. —Richmond Times.

The Work of the North Carolina Women at the Florida Fair. The Lady-Managers appointed to collect specimens of work of the women of North Carolina, for exhibition at the Columbian Exposition, to be held in Chicago, desire to be placed in communication with experts in all lines of woman's work, both usual and unusual.

They invite correspondence and suggestions on all subjects pertaining to the work they have in hand. For the better prosecution of the details of this work, they have arranged it into the following Divisions. The name and address of the Lady-Manager in charge is given with each Division, so correspondence on the various subjects can be addressed to the lady in charge of that Division, and thus expedite work:

DIVISION A.—Colonel Display, Curios, ancient and modern. Mrs. GEORGE W. KIDDER, WILMINGTON. DIVISION B.—Drawing, Paintings, Etchings, Crayon Work, Pottery and Home Decorations, Wood-Carving, Sculpture, &c. Mrs. CHARLES PRICE, SALISBURY. DIVISION C.—Needle work, Taxidermy, Father work, Leather work, Fish-Scale work, &c. Miss STELLA DIVINE, WILMINGTON. DIVISION D.—Press work, Literature, Inventors and Inventions, Statistics, &c. Mrs. ROBERT R. COTTON, FALKLAND.

The competition at Chicago will be both National and International, and the standard of excellence is necessarily very high. Consequently the Lady-Managers urge upon the women of the State to endeavor on this occasion to excel any former efforts in their respective lines of work.

The Chairman of the Committee, Mrs. ROBERT R. COTTON, will take pleasure in replying to inquiries on any subject not mentioned in the above classification, which relate to the subject.

His Personal Experience. Hon. James W. Husted, while serving his sixth term as Speaker of the Assembly of the State of New York, writes: "State of New York, Assembly Chamber, Albany, Jan. 16, 1890.

I desire once more to bear my testimony to the value of ALCOCK'S POROUS PLASTERS. I have used them for twenty-five years past, and can conscientiously commend them as the best external remedy that I have known. Years ago, when thrown from a carriage and seriously injured, I gave them a thorough trial. In a very short time the pain that I was suffering disappeared, and within a week I was entirely relieved. On another occasion, when suffering from a severe cough, which threatened pulmonary difficulties, which I was recommended to go to Florida to relieve, I determined to use the plasters again. I applied them to my chest and between the shoulder blades, and in less than a fortnight was entirely cured. On still another occasion when suffering from an attack of rheumatism in the shoulder to such an extent that I could scarcely raise my arm, I again resorted to the plasters, and within a very few days the rheumatism entirely disappeared. I have them constantly by me, whether at home or abroad. My family as well as myself have found them to be a sovereign remedy, both for external and internal troubles. I never had but one kidney difficulty in my life, and the application of the plasters cured me in a week. I desire, as I said before, to bear my testimony in a public way to their efficacy, and I know of no better way of doing than by giving you my personal experience."

Only the quickening of conscience can hasten repentance. Democratic Ex. Committee. The Democratic Executive Committee of Craven County, met March 26th, 1892. The following action was taken: Resolved, That the Democratic Convention of Craven County be held Saturday May 7th, 1892, at 11 o'clock at the court house in New Berne.

Resolved, That the primary meeting for the selection of delegates to represent the several townships in the county convention be held Saturday, April 24th, 1892. The Township Executive Committees are requested to hold the meetings on the above date. MARY MANLY, Chairman. S. R. STRAIN, Sec'y.

SWANSHORO, N. C.

Farmers—Fishermen—Truck—Schools—Hotel—Swanboro's Advantages and Needs—Political. We are having very pretty weather now. This is court week and most of the citizens have gone courting. Some might have court business, while others might go for fun, to see and to be seen.

Farmers are busy now, most of them are done planting corn, others are grubbing because they have more to plant. Fishermen have been the best off for a long time, but now the fish are getting scarce, and the buyers took advantage of the fisherman bargaining with them for a low price the balance of the season, \$5 per hundred, was the price agreed on, when they could get \$8 just as well.

Our people are well, very little sickness at any time—a few cases of measles only, and one or two cases of Grippe. Dr. E. W. Ward and wife from Pollockville were in the village this week, the doctor is well. He tells me there is planted on his place on New River, 80 acres in Irish potatoes, 8 in garden peas, 4 in beans, and more in cucumbers, squash, tomato &c.

New River is the place to live now, facilities for transportation are very good, and the lands are adapted for trucking. Miss Ida Gaskill from Carteret County is teaching school here now; so is Rev. J. L. Keene, but have good schools we believe, and yet there is room for one or two more.

Mr. Geo. Smith and family have moved here, and will understand, open the hotel for the summer pretty soon. We wish we could say something good about Swanboro, and we could if we had a B. R. hero, we can say one or two good things however, it is the healthiest place in the State, and the prettiest place, if fixed up a little, all that is wanting is for some one or two more moneyed and brained people to come here to live, but how are they coming? They must walk or ride on a private conveyance, or come from Morehead City in a boat, which they could do if they wanted to, or were encouraged a little, but no encouragement is offered emigrants to come to Swanboro, and capitalists don't know what kind of a place it is, so it stands on its own bottom and is a very shallow one too at times.

Politics are beginning to boom, last week we noticed a boom for our neighbor B. W. Humphrey, Esq., for the Senate, 9th district. We are not in favor of the "Squire very much, and we don't believe he wants the place either, we are in favor of taking a man from Craven County for one, and from Greene for another, Onslow and Carteret are all right any way. Cleveland and Hill are raising a muss surely. Our choice for President is neither Hill or Cleveland, though we prefer Cleveland to Hill. We believe Hill sold out Cleveland in New York, and we have never had any confidence in him since. He is nothing in our estimation but a political trickster demagogue, and while we would like to vote for Cleveland, in our view of the matter, it would be very imprudent to nominate him, for Hill would sell him again, if he had money enough, so let us take some one else, we had plenty of them if "Big Ike won't have it."

The Homeliest Man in New Berne As well as the handsomest, and others are invited to call on any druggist and get free a trial bottle of Kemp's Balsam for the Throat and Lungs, a remedy that is selling entirely upon its merits and is guaranteed to relieve and cure all Chronic and Acute Coughs, Asthma, Bronchitis, and Consumption. Large bottles 50 cts. and \$1. mar22 deod weow

In the flutter of excitement the flight of time is unheeded. The First Step. Perhaps you are run down, can't eat, can't sleep, can't think, can't do anything to your satisfaction, and you wonder why all this. You should heed the warning you are taking the first step into Nervous Prostration. You need a nerve tonic and in Electric Bitters you will find the exact remedy for restoring your nervous system to its normal healthy condition. Surprising results follow the use of this great Nerve Tonic and Alterative. Your appetite returns; good digestion is restored, and the Liver and Kidneys resume healthy action. Try a bottle. Price 50c. at F. S. Duffy's drug store.

A show of opposition is very apt to be an exhibition of folly. Some Foolish People Allow a cough to run until it gets beyond the reach of medicine. They often say, "Oh, it will wear away," but in most cases it wears them away. Could they be induced to try the successful medicine called Kemp's Balsam, which is sold on a positive guarantee to cure, they would immediately see the excellent effect after taking the first dose. Price 50c. and \$1. Trial size free. At all druggists. mar22 deod weow

MY HORSE.

My horse I sometimes think of; where is he? Companion in the war for many a day. His graceful, glossy flanks of ruby bay. His delicate head, with eyes that beamed on me Good-naturedly and friendly, or in play? Fleet-limbed and full of courage for the fray. Enduring in the march, though long the way: Through hunger, dust and thirst; whose loins I doubt he lives. Myself an somewhat gray. And man has twice the travel of a horse. I'm glad I think of him without remorse. For kindly was he used in service long. I'm glad we parted friends, I heard his neigh Over the peach field, like a farewell song!

Raise Your Own Mules And Horses. The farmers of the cotton States can make 200 to 300 per cent. (\$75 to \$150 each) by raising mules and horses. Ootton the past two years has brought loss instead of profit. Mr. H. C. Ezell Wilkerson Tenn., near Nashville, advertises in the Cultivator first class imported jacks and jennies and stallions of the best breeds. He is a first-class and reliable breeder. Write him for price list, and go into the stock raising business at once. —American Cultivator.

Palo Alto. Humphreys' Veterinary Saleman crossed the continent to visit PALO ALTO, the stock farm of Governor Stanford, the home of SUNOL, ANION, PALO ALTO, &c. After presenting proper credentials and exhibiting the list of prominent stock owners who are using the Specifics, Mr. Reynolds, the Superintendent and Mr. Marvin the Trainer, consented to his treating SUNOL and PALO ALTO, as they were suffering from lameness. After thoroughly testing the Specifics on these and other cases, Mr. Stanford's business Manager and attorney, Mr. Lathrop, placed an order for HUMPHREYS' VETERINARY SPECIFICS, probably the largest ever given for Veterinary medicines alone. This completes the list of prominent stock owners who have adopted the use of HUMPHREYS' VETERINARY SPECIFICS. Veterinary Manual mailed free on request. Address Humphreys' Medicine Company, Cor. William and John streets, New York.

Who who would exert influence must exercise judgment. Shiloh's Consumption Cure. This is beyond question the most successful Cough Medicine we have ever sold. A few doses invariably cure the worst cases of Cough, Croup and Bronchitis, while its wonderful success in the cure of Consumption is without a parallel in the history of medicine. Since its first discovery it has been sold on a guarantee, a test which no other medicine can stand. If you have a cough we earnestly ask you to try it. Price 10c., 50c., and \$1. If your lungs are sore, chest, or back lame, use Shiloh's Porous Plaster. Sold by New Berne Drug Co.

Never let your curiosity get the better of your discretion. For Over Fifty Years Mrs. WISLOW'S SOOTHING SYRUP has been used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. Twenty-five cents a bottle. Sold by all druggists throughout the world. jns13&wlv
