ONE evening as Mohammed after a weary march through the desert, was camping with his followers, he overheard one of them saying, "I will loose my camel and commit it to God." The prophet immediately exclaimed, "Friend, tie thy camel and commit it to God." We cannot expect an indigent Providence to make up for our neglect of proper effort. How great a pleasure it is to discern how the most wise God is providentially steering all to the port of his own praise and his people's happiness, while almost the whole world is busily engaged in managing the mill and tugging at the oar with quite an opposite end in view.

"A LITTLE knowledge may be a dangerous thing; but a young man in Boston is now kicking himself because his lack of a little knowledge of Latin had placed him in a ridiculous position, which was cruelly made public by the Boston Saturday Evening Gazette. The young man's cousin, a wagging physician, had written him a prescription for a sore throat, the ingredients of which were simply aqua pura and chlorid of sodim. The patient took this to a drug store, where a rather too accommodating clerk put it up for two dollars—a high price for a little vial of salt and water.

LOCAL NEWS.

Mrs. E. S. Hughes of Abilene, Texas, arrived last night to visit relatives in the city.

All candidates nominated at the county convention are good men and worthy in every respect the positions proffered them.

The ladies and gentlemen composing the choir for the Fife meetings are requested to meet at the Presbyterian lecture room tomorrow evening at eight o'clock.

St. Paul's W. E. Church of Goldsboro has ordered a new pipe organ. The Argus says it will be a superb instrument and the finest in the State. It is expected to be erected by the 25th of June.

We were shown specimens of fine potatoes yesterday from the farm of Mr. T. J. Leary of Rivardale. The fine weather has been causing them to grow very fast and shipping of the earliest will soon commence.

There will be a meeting of the citizens of New Berne at the court house on Monday night at 8 o'clock to give expression to their disapproval of method and means resorted to in the late election for councilman of the first ward.

Mr. J. K. Witt has put a neat ornamental fence of galvanized pipe with marble posts and base around the lot of Miss Fannie Taylor at the right of the main cemetery walk near the gate. It is one of the handsomest enclosures in the cemetery.

Mrs. Gen. Robert Ransom of Columbus Ga. will be present at the Confederate Memorial Services here Tuesday, the subject of the address then to be delivered being the services of her distinguished husband as a soldier. Mrs. Ransom arrived last night and is the guest of Mrs. I. Patterson.

The public are cordially invited to attend a "Rose Show" and Lawn Party to be given next Thursday evening at Mrs. Henry B. Bryan's. This will be given by the Young Ladies' Aid Society of Christ church, and they hope to make it a beautiful and enjoyable occasion for all that attend. There will be no charge for admission.

The county convention was largely attended and the business was transacted harmoniously. After the meeting adjourned the various township executive committees went into session and elected J. W. Biddle Chairman of the Co. Ex. Com. and G. L. Hardison Sec. A motion was adopted that in future eight members should constitute a quorum.

Consolidates on the 15th.

The consolidation of the Clyde and Old Dominion Steam lines for carrying on their business will go into effect on the 15th of this month. The new organization will be known as the Norfolk, Wilmington & Charleston line. It will put on tri-weekly boats, more if needed from both New Berns and Washington to Norfolk and will connect with all other lines at Norfolk.

The consolidation is made for the purpose of giving better transportation facilities with the same tonnage.

Boys and Tobacco.

The Norfolk Virginian gets right at the point when it says that the use of tobacco among boys is contagious and that they look upon it as something smart.

The Boston Journal calls attention to the disagreeable fact that the use of tobacco is quite prevalent among the young. Many school boys not only smoke, but chew. The example of one youthful advocate of the tobacco habit is contagious among a crowd. It goes with certain false ideas of what constitutes manliness, and the practice is among the most hurtful elements of young life.

Something should be done to turn the boys from this vile habit. If it cannot be done by advice or example, let parents apply the rod with such a vigor that shall be effective and salutary.

A Nuisance.

Many congregations are guilty of the irreverent and indecent habit of putting on overcoats and wraps during the sanctuary. A New York pastor tried to break the habit; he had the music cease after a few strains had been played. The men in the audience were then surprised and found in all sorts of grotesque attitudes; some were grasping for hats and canes, others were seen with one arm through the sleeve of their overcoat and the other sticking out to feel the other sleeve. Their strange gymnastic postures were of course to others as they were embarrassing to themselves.

GRAVEN COUNTY DEMOCRATIC CONVENTION.

Every Township Represented—Delegates, Resolutions, Etc.

The regular Democratic convention of Craven county was held at the court house, Saturday. A large delegation was present, and all business was transacted harmoniously.

Meeting called to order by M. Manly, and G. L. Hardison was elected temporary secretary.

Committee on credentials appointed by the chair as follows: E. Whitford, Wallace Whitehurst, W. D. Lane, J. W. Conner, J. H. Hunter, H. H. Perry, O. H. Guion, A. Wadsworth. Committee reported every township represented.

After some discussion of a contest in the sixth township the report was adopted as submitted.

Messrs. E. H. Meadows, Josiah Tingle and W. W. Clark were nominated for permanent chairman. Mr. Meadows receiving the highest vote was declared elected.

G. L. Hardison was elected permanent secretary.

The election of county officers was next taken up:

For the House, Messrs. M. W. Carman, J. A. Jackson, E. W. Wadsworth, Stephen Bragaw, J. W. Lane, R. W. Smith and Chas. Reizenstein were nominated. Mr. Reizenstein having received the largest vote was declared elected. After extending thanks for the honor Mr. Reizenstein asked to be excused and Mr. E. W. Wadsworth was elected in his stead. Made unanimous.

For Sheriff, the present incumbent, W. B. Lane, was renominated.

Register of Deeds, J. W. Biddle.

For Treasurer, Thos. Daniels and T. A. Green were put in nomination. Mr. Daniels receiving the majority of votes was declared elected. Made unanimous.

For Coroner, Dr. R. S. Primrose.

For Surveyor, G. W. Wilcox.

On motion, the following delegates were elected to the State convention: G. J. Dudley, R. W. Smith, S. W. Latham, Stephen Whitford, Jos. Kinsey, Ross Richardson, J. W. Conner, B. E. Williams, J. S. Fisher, D. Rowe, J. C. Thomas, M. W. Carman, J. A. E. Wadsworth, W. W. Clark, O. H. Guion, F. M. Simmons, Jas. A. Bryan, C. E. Foy, M. DeW. Stevenson, L. H. Culler, E. H. Meadows, Jas. W. Biddle, S. H. Gray, Chas. Reizenstein, C. R. Thomas, F. Ulrich, S. R. Ball, J. J. Wolfenden, J. A. Patterson, C. S. Ball, T. A. Green, L. J. Moore, Geo. Slover.

Delegates to the Senatorial and Congressional conventions to be appointed by the chairman at a later date.

Messrs. F. M. Simmons, H. H. Perry, J. W. Biddle and Joseph Kinsey were appointed committee on resolutions, who reported as follows:

Resolved, That this convention stand by the candidates and will not bolt the same.

And further resolved, That all Democrats keep off of all Radical bonds.

Resolved, That a committee be appointed to ascertain from the management of the A. & N. C. R. whether or not special rates over said road can be obtained for the delegates to the State Convention to be held at Raleigh on the 15th day of May, 1892.

(Committee appointed by chair, consisting of C. R. Thomas, F. M. Simmons and Nathan Tisdale.)

Whereas, Craven county is the owner of a large amount of the capital stock of the A. & N. C. Railroad, to-wit: about 1,800 shares thereof, for which it has paid an amount of one hundred cents in dollars as evidenced by the heavy taxes paid by us on this account for many years past and which we will have to pay for many years to come,

Resolved, That outside of the interest which a people always have in the public highways which penetrate the section in which they live, we have and feel in this property the additional interest of joint ownership, purchased and paid for from the hard earnings of all our people, and fair representation in its management is a right which no State administration can justly withhold from us.

Resolved, The right to manage our own is admitted by all men everywhere and while this property does not belong to any county or person, it was built and is owned chiefly by the State and some of the counties along its line and we desire it to be our own, inasmuch as the State, possessed as it is under the charter of supreme power in the selection of President and Directors of this road cannot fairly use that power to practically exclude these interested counties from participation in its management and thus to over to the committee which contributed nothing to its construction and owns no part of its stock.

Resolved, That we reaffirm our allegiance to the Democratic party as established by Thomas Jefferson, and we believe the platform adopted by the last Democratic State convention contains a true declaration of the principles and purposes of that party as applied to the questions and issues involved in the approaching campaign.

Resolved, That we contemplate with alarm the possibility of a return to power in our State, county and municipal governments of the Republican party with all its attendant evils of incompetency, extravagance, corruption, class legislation and favoritism, monopolistic and centralizing tendencies.

Resolved, That the success of the Republican party in North Carolina involves the overthrow of that system of county government which has rescued the counties of the eastern section of North Carolina from the carnival of fraud, speculation and bankruptcy into which they had been plunged, and restored them to credit and a sound financial basis, and we appeal to the good people of North Carolina, as our only hope in this crisis against these impending dangers, to compromise their differences and again stand solidly together for the honest and competent government of the State.

A resolution of thanks was tendered

the chairman for his services and impartial rulings, also the secretaries for services.

Meeting adjourned after having been in session three and a half hours.

City Council Proceedings.

May 6th, 1892.

Board convened after recess this 3 p. m. Mayor Manly in the chair. Present, Councilmen Ellis, Manly, Lovick, Crawford, Richardson, Miller and Bell. The Board proceeded to canvass the returns of the election held May 2, which resulted as follows:

Second ward, Basil Manly received 75 votes.

Third ward, A. T. Kennedy received one vote, S. R. Street received 93 votes.

Fourth ward, V. A. Crawford received 105 votes.

Fifth ward, I. Wayne Eubank received 211 votes, J. L. Rhem received 147 votes, Fred Douglas received 60 votes.

Basil Manly, S. R. Street, V. A. Crawford and I. Wayne Eubank were duly declared elected from their respective wards.

The first ward was now taken up, and as the returns were protested by one of the judges of election, on account of 12 illegal ballots with device thereon, the city attorney was called upon for his legal advice, under which advice, and the statement of Mr. C. S. Bell, one of the judges of the first ward, that he signed the returns believing and thinking the rejected ballots were legal, it was moved by Councilman Lovick that Mr. William Ellis, having received 74 votes, Mr. J. J. Baxter receiving 60 votes, that being a majority of the legal ballots, be declared elected which motion was adopted, and the Mayor declared Mr. William Ellis elected councilman from the first ward.

Board took a recess to 8:30 this evening.

W. D. WALLACE, City Clerk.

Hay in this Land of Ours.

The Argus man overheard a conversation yesterday morning between two gentlemen on the interesting topic of "how to make farming pay." The two gentlemen in question were Messrs. J. F. Southerland and A. T. Winslow.

Mr. Southerland said that he had the fattest horse in the county, and that he fed him entirely on crabgrass hay; that he sold \$700 worth of hay last fall; a number of cattle and horses all winter and had a plenty now for all his uses and all his own raising.

Mr. Winslow says, "Yes, I counted over two hundred stacks of hay in our field last year. How do you cure it?"

Mr. Southerland answered, "I don't lay it on the ground. In this country the land is moist and porous and the dampness goes up into the hay out of the ground and ruins it. I never let my hay lay on the ground more than one night, and often I don't do that."

I put down cord wood and shook it on top, and then when I stack it I raise it off the ground and give the air a chance to blow under it. I've got one hundred acres that I'll guarantee any man that he can make \$25 an acre clear on by putting it in grass. People talk about the West, and other rich sections, but, as far as my part, I believe that if we would quit grubbing, plant what is needed, use thrift and common sense and practice economy, that this would be the best and richest country in the world."

It struck The Argus man that there was a world of wisdom in what he had thus unexpectedly overheard and he concluded to print it.

"It is better to wear a gold watch than a gold watch."

"If you cannot afford both by all means get the suit. We are constantly getting new goods. We may have what you want now. We would call attention to a wool under shirt for summer wear—very light—and they are recommended by some physicians as the proper thing to wear. Gauze and Barbrigan Shirts and Drawers. New Cellars, Cuff and Handkerchiefs. AT HOWARD'S.
