He said that will redound to his honor and glory

Hancock Street M. E. Picnic.

Hancock Street Methodist Sunday school with full attendance made an early start yesterday morning on the steamer Trent for Adams Creek to spend the day in picnic pleasures. They arrived at their destination at 10:45, and were joined by the Sunday school from Smith's Creek and the two united as one body, dining and mingling together in enjoyable recreation.

Those who attended pronounce the place a grand one for a pionic and happiness of the day, and extend thanks to Mr. A. Lee for his efforts in contributing so largely to bring this re-

Singing, with music accompaniment added to the attractions of the trip

Everything passed off as charmingly in all points as a picnic could and all came back perfectly delighted.

Pecan Culture.

Mr. Stephen Jewett, of Cronly, who is an enthusiast on pecan culture, but highest bidder, at the carries a level head all the same, called to see as Monday and had with him studying dentistry at Baltimore, re-turned home on the steamer Neuse of the ordinary, common wild-wood nut of this and other States to the most improved varieties. Among the North Carolina samples he had some very fair sized nuts; as he had also from Florida, Louisians and Texas, but the daisies er Newberne of the N. N. & W. Direct line for New York.

Miss Lura Hughes left on the steam er Neuse to visit Mrs. Edmond Strudwick of Norfolk.

Louisiana and Texas, but the daines were from the orchards of Mr. Stnart, of Missiasippl, some of which weigh forty to the pound and are about the size of great big hickory nuts. These are of the paper shell variety.

The samples exhibited show the great

improvement that culture has made in this nut, and the adviseability of planting the best seed by those who do the future of pecan culture, and believes that it will not only prove a who have been attending school, came gage in it, but of benefit to the State as faith in what he advocates and don't advise others to do what he is not will ing to venture upon himself.-Wilmington Star,

Many of our farmers with abundance of land would act wisely in starting a grove of these handsome and produc tive trees. After setting they would be little expense and in a few years give good returns, as they bear abundantly and the nuts find ready sale at remun erative prices.
