**LET** well enough alone. North Carolina is getting there.

**WAITING**, waiting. Waiting to hear from Minneapolis.

**CROPS** are said to be splendid all over East Carolina.

**WELCOME** to Arizona and New Mexico. Two new States added to the Democratic column.

**THE** paper manufacturers of the country have combined with a capitalization of \$14,000,000.

**We** want no "dark horse," but if we must have one let him be a genuine Black Hawk with a 2:11 record.

**THE** New York Hill delegates have held a meeting and resolved to stick to the last. True shoe-makers, the last one of them.

**AN** umbrella company formed Saturday at Albany, N. Y., with a capital of \$8,000,000. It is understood to be the beginning of a trust.

**We** don't know who is to be our Presidential standard-bearer, but we do know that Elias Carr carries our State flag, and that is enough to enlist of enthusiastic devotion.

**A** cyclone destroyed a church in MeCook, Neb., Saturday burying sixty children, several teachers and the pastor beneath the ruins. Many were injured but none killed.

**THE** one term idea will be made the law of the land just as soon as we have a President who does not want a second term, and also have a few thousand office-holders who are anxious to go into some other business.

**We** are not able to attach the same significance that some of our contemporaries and some correspondents do to Col. Polk's resignation, for his paper, of the organization of the State Alliance, in order that it may be freer to advocate the cause of the Third party. It has been nothing but a Third party organ for two years past and, if we understand it, that is all it proposes to be in the future. Drive on—Charlotte Observer.

**THE** towns of Titusville and Oil City, in Western Pennsylvania, nearly destroyed by fire and floods Sunday. Oil creek, upon which they are situated, was flooded by cloud bursts and several oil tanks burst and the oil floating down upon the inundated towns caught fire. The two towns are eighteen miles apart and the two elements destroyed everything between the two. In Oil City alone 150 deaths were caused. The exact number of deaths in the entire district cannot be ascertained. From 40,000 to 45,000 people lived between the two towns in the narrow valley of Oil creek where now all is desolation.

**MINNEAPOLIS CONVENTION.**

**Balloting Delayed—Work of Committees—From Harrison to Blaine—Ohio for McKinley.**

MINNEAPOLIS, June 8.

Balloting will hardly begin before Friday.

Up to 11 a. m. committee on credentials had not passed on a single contested seat.

The convention was called to order at 11:40 a. m., and Nebraska presented the convention with a gavel.

The chairman of the committee on credentials said he could not hope to report before tomorrow.

Secretary Thompson, of the committee on platforms, says that the committee would not get through until late tonight.

Two members of the Minnesota convention "hopped" from Harrison to Blaine in the morning.

McKinley took the platform and was cheered. He was conducted to the chair by Fessenden, Spooner and Mahone.

The chairman of the committee on permanent organization reported McKinley as permanent chairman.

One of the Ohio delegation says if Harrison is not nominated on the first ballot then they will go solid to McKinley.

McKinley said this convention will present candidates and a platform that will meet the approval of the country, and he predicted success. He spoke in great praise of the protection tariff and its results, and said there was a full and honest ballot in all parts of the land.

Bingham of Pennsylvania submitted the report of committee on rules. The committee made the rules of the Fifty-first Congress the rules of the Convention with necessary modifications. Adopted.

Chairman Foraker, of resolution committee, asked further time. Granted. He was cheered by the convention.

Convention adjourned till 11 a. m. tomorrow.

**Superior Court.**

In yesterday's paper we announced the verdict of the jury, awarding \$500 damages to Mr. Nelson Whitford in the case of Nelson Whitford vs. City of New Berne. The verdict was rendered after court adjourned. Yesterday the defendant moved for judgment notwithstanding the finding of the jury. The motion was denied. A motion was then made for a new trial, but the motion was overruled and judgment rendered for plaintiff. The defendant appealed.

The following cases were disposed of yesterday.

Wm. Foy vs. The Board of Commissioners of Craves county. Judgment in favor of defendant, that plaintiff is not entitled to recover any amount. Plaintiff submitted to a non suit and appeals to Supreme Court.

Hyatt Smith Co. vs. Gray. Judgment and appeal.

Windfield vs. Stinson Lumber Co. Judgment: compromise and settled. L. J. Moore for plaintiff, P. H. Pelletier for defendant.

Conner vs. A. & N. C. R. Judgment for plaintiff for \$15. Moore for plaintiff; Clark & Clark for defendant.

Kennedy vs. A. & N. C. R. Judgment for plaintiff. Moore for plaintiff and Clark & Clark for defendant.

Same vs. same. Judgment for plaintiff. Same counsel.

Lovett vs. Kinsey & Gates. Judgment that defendant retain the property and are the owners thereof. L. J. Moore for the plaintiff.

Gugginheimer & Rheinart vs. M. H. Sultan. Judgment for plaintiff for \$851 and the costs. Moore for plaintiff, Pelletier for defendant.

Duffy & Sultan vs. Harrison, Adm. Judgment for plaintiff. Clark & Clark for plaintiff, Thoms and O'Hara for defendant.

**Coming and Going.**

Mr. Sam'l M. Brinson left yesterday morning to attend the commencement exercises of Wake Forest college.

Mrs. T. J. Turner and child left to visit her sister, Mrs. O. T. Randolph, of Kinston.

Mrs. L. H. Outler returned last night from Goldsboro where she has been visiting her daughter, Mrs. Bertha Watkins.

Prof. Jos. Kinsey, of La Grange, came down last night on a short business trip.

Mr. Jos. House, of Kinston, came down to attend court.

Mr. John L. Albertson, of Kinston, was in the city on business.

Mrs. J. D. Mayo and children, and her sister, Miss Annie Roberts, of Georgetown, S. C., arrived to visit their cousin, Mrs. G. E. Wadsworth.

**Very Good—Don't Miss It!**

The literary exercises of the New Berne Collegiate Institute last night were very good. We will speak further of it tomorrow and also the musical entertainment of the previous evening.

**The Homeless Man in New Berne.**

As well as the handsome, and others are invited to call on any duggist and get free a trial bottle of Kemp's Balsam for the Throat and Lungs, a remedy that is guaranteed to relieve and cure all Chronic and Acute Coughs, Asthma, Bronchitis, and Consumption. Large bottles 50 cents and 25 cents.

**Quick Work.**

Mr. J. F. Taylor has been hustling since he was burned out on May 5th. Determining to rebuild at the west side of the market dock farther than Middle street extended he had the portion of the dock needed for his use filed in immediately, foundations laid, and his new, a two-story building, 45 x 60 feet built, ceiled, painted, furnished with shelves and counters, and he commenced receiving goods by schooner and the 6th of June and will in a few days more be ready to meet all his friends with a cheerful countenance and a big stock on hand. Each enterprise in the face of disaster is commendable.

Mr. Taylor expresses his gratification at the celerity with which Mr. J. B. Lane, the contractor who built the store performed the work and also with the satisfactory character. The upper part occupied by Mr. Sam'l Parsons as a sail loft was ready for use and Mr. Parsons was in it inside of 20 days from the time of the fire.

**To the Ladies of the State.**

The World's Fair committee who have in charge the culinary department desire those ladies in North Carolina who possess the reputation of having made superior jellies, jams, marmalades, pickles, etc., to get them to prepare some samples for the Chicago exhibition. The committee are anxious to learn the names of such parties, and would like to have those who are willing to aid the committee in this undertaking to send their names to Dr. H. B. Battle, chairman of the committee, at Raleigh, N. C. The committee will furnish handsome jars to all such with instructions, etc. We therefore ask the patriotic ladies to assist in this great enterprise and send in their names at once, as the season is now here for work of this kind.

It is the desire of the committee that in the North Carolina department there shall be an admirable display of the choicest preserves, pickles, etc. There are some notable housekeepers in the State and New Berne has some of them as all know, and here is a great opportunity for them to show their skill.

**Convention of Oystermen Suggested.**

We are glad to see the oyster law being discussed. Winter before last the oystermen around here did well; but last winter they did not do anything. We do not understand the subject well enough to form any opinion, but we believe there should be some change in it and that too if possible before another season. We would suggest that a convention of oystermen be called to meet some time this summer at Beaufort or Morehead City, and form some plan, by which the oystermen can be able to get to work this winter. Let every newspaper in Eastern North Carolina agitate this question and hold primary meetings throughout the several counties and send the reports of the convention to see if any important points can be made.—Spartan News correspondent Morehead City News.

**Improved Country Roads.**

A movement which should meet with the approval of the people of Anson county, Va., is embodied in a plan adopted by the supervisors of that county at a recent meeting for macadamizing the Middle-brook road from Staunton to the county line, a distance of eighteen miles at an estimated cost of \$15,000. The carrying out of this plan, which is greatly to be desired, would doubtless result in a permanent system of improved roads for the country.—Ex.

### LOCAL NEWS.

**NEW ADVERTISEMENTS.**

Howard—Think naught a trifle. C. E. Slover—Old Irish potatoes.

The first peaches of the season have made their appearance in the city.

Prayer meeting at the Church of Christ will be held tonight at eight o'clock.

Mr. R. B. Nixon will soon move his law office into the building on the north side of Pollock street one door from Middle. Mr. W. E. Snelling, contractor, is now remodeling it for him.

Architect Simpson is building a good dwelling for Messrs. O. Marks & Son on Johnson street adjoining the former residence of Mr. Geo. Allen; it is being erected on the vacant portion of the same lot. The old dwelling will be moved 25 feet further back from the street, remodelled and improved.

Mr. J. F. Prettyman is having a steam tug built to be used in connection with his saw mill opposite the city. The New Berne Iron Works have the contract to build the boiler for the steamer and have received the iron for it. This firm has quite a reputation for the superiority of their marine boilers and deservedly so.

The Andrews Manufacturing Company, of New York, are putting in new fittings for the Citizens Bank of New Berne, and when finished it will be very handsome and convenient for the transaction of the bank's large and rapidly increasing business. For the next few days while the work is in progress the bank will conduct its business in the director's room at the rear.

We have received from Mr. B. F. Melton of Jones county, who spent several years at school in this city and was for some time Superintendent of the Sunday school of the Church of Christ in this city, an invitation to attend the commencement exercises of the College of the Bible, Kentucky University, in which he is now a student for the ministry.

The Wilmington Messenger has lately been receiving constant complaint about subscribers not getting their papers. Being satisfied that the papers were left and that they were being stolen a detective was put on the watch and a boy caught stealing them from the different residences. He had taken six when arrested. He was intending to sell them and confessed to having made a regular business of it.

The sewerage company has been moving lively lately in the construction of the system and intend to do so more rapidly. They are advertising now for two hundred more hands. With such a force as the additional number will give them it will not take long from the time the ditch is dug for the pipe before it will be laid and the dirt thrown back. With weather and all else favorable it will be but a short time before the entire line of system will be completed.

The exercises of Trinity and Wake Forest college which have been in progress several days, each end today, the Baccalaureate sermon of the former was preached yesterday by Bishop W. W. Dunoon, of Spartanburg, S. C., and of the latter by Rev. Carter Helman Jones, Tenn. The graduation exercises of each take place this morning, and will be followed by a senior concert tonight at Trinity and by a social reunion at Wake Forest.

The congregations that have been gathering to hear Evangelist Fife in Goldsboro are said by the Argus to be the vastest that ever assembled there some of them exceeding by several hundred the largest of the Pearson congregations there four years ago. Up to Tuesday morning there were 140 converts and 125 backsliders reclaimed. At a meeting held for the colored people the great tent was thronged to its utmost. It is stated of the singing at this service that over a thousand colored people took part, making it the grandest volume of chorus singing ever heard there and that it could be heard all over the town and far out into the country.

**Truck Quotations.**

Palmer & Elvinsburg wired the following New York quotations last night: Cabbage 75c, to \$1.00; beans, half barrels, \$2.00 to \$2.50; blackberries 9 to 12c; huckleberries 14 to 18c; potatoes \$2.50 to \$3.50.

The following was received from J. S. Chamberlains & Co., Boston: Green beans \$1.75; potatoes, choice, \$2.00 to \$2.50.

**THE TEACHERS' ASSEMBLY.**

Useful Information for Teachers and the Public.

In reply to a great many letters of inquiry received every day by the officers of the Teachers' Assembly concerning the arrangements which have been made with railroads in regard to the assembly certificates this season Hugh Morson, President, and E. G. Harrell, secretary, give the desired information to the public as follows: The railroad rates are the same as heretofore; only about one and a quarter cents a mile tickets are on sale from June 15th to July 31, good to return until July 15th. The annual fees for membership are \$3 for males and \$1 for females. These amounts are not to be sent to the secretary, as heretofore, but at his special request the railroads will issue a membership coupon to the railroad ticket, and all who attend the assembly pay the fee to the railroad agent with the price of the ticket.

When you reach Morehead City the secretary will take up the coupon and send an official certificate of membership with charge. This certificate alone will secure for the holders the rate of \$1 per day for board at the Atlantic Hotel and free admission to all the exercises of the Assembly, special lectures and entertainments. To all former members of the assembly who have paid \$2 to the railroad for certificate coupon the secretary will return \$1.00 when ticket is presented at Morehead City. This new plan of tickets is an excellent one and saves much trouble and delay—nothing to do now but buy the railroad ticket and go to the assembly.

This is going to be the largest and best session of the Teachers' Assembly. The program is a most excellent one, comprising some of the most attractive features in the way of instruction and entertainment that can possibly be provided in an educational gathering. The Atlantic Hotel and the assembly building are thoroughly repaired and repainted, while there are many pleasant improvements for enjoyment on the sound or in the sun.

The teachers cordially invite every friend of education in North Carolina to meet with them in the assembly, to enjoy all the privileges and pleasures with the teachers and upon precisely the same terms. The program has been prepared with a special view to the benefit and amusement of both the teachers and the public.

The assembly opens on June 21 and continues in session two weeks. The celebrated orator and humorist, Frank Beard, has been engaged for June 23, 24, and 25, and Rev. Thomas Dixon will lecture on July 2 and preach on Sunday, July 3. A number of other noted speakers are on the programme for other days during the session. The inter-collegiate oratorical contest and the instrumental music contest for gold medals will be very enjoyable and spirited occasions and are exciting wide-spread interest.—Raleigh Chronicle.
