A Blissful Anticipation!

Being very grateful to the people for are estisfied he would be pleased with their past patronage and support, and disposed to write can address me as the place. The specimens of the finest thinking they would like to know breeds of poultry that are annually exconcluded to write a short sketch of lina is a State Poultry Association my life. I do not do this with any self which should be organized withou, pride or conceit, but hoping that some good may come out of it. Many a poor boy whose circumstances are strained and surroundings are such that the future looks only dark may be encouraged to make an effort hearing what a poor country boy has done. So while this may cost me some consider-able effort and loss of sleep, yet I shall spare no pains or time in giving a true history of what my life has been so far. Of course it is useless to mention my name for all know that there is not another man on earth that would atsame Big Ike whose purchases at 40, 50, and 671 cents on the dollar bring so much profit and causing so many smiles to the poor of our land.

Grapes in Wake County. In a few days the shipment of grapes from this market will begin. The grape-growers association has already ordered 80,000 backets and will need 0,000 more. The shipments from here will approximate half a million pounds. As the peach crop in Maryland and Deleware is very abort, there are fine prospects for good prices for grapes. Near Southern Pines there is a vine yard with ten acres of Niagara grapes. That is the fashionable grape, just now, and a man from the North has paid \$350 an acre for the product of the ten acres.-State Chronicle.

Some Foolish People

Allow a cough to run until it gets beyond the reach of medicine. They often say, "Oh, it will wear away," but in most cases it wears them away. Could they be induced to try the successful medicine called Kemp's Balsam, which is sold of a positive guarantee to cure, they would
