Homestead Affairs,
PITTTBURG, Pa., July 25.—
Hugh O'Donnell, the leader of
the Homestead strikers, charged
with murder, was released this
morning on \$10,000 bail. Hugh
Ross, Martin Foy and Peter
were also released on bail.

Frick passed an easy night, and is considered out of danger. Bergman's landlord has been arrested as an accomplice in the attempted murder.

Non-union men are joining the strikers which increases their confidence.

opposition to the public policy policy which President.

Cleveland had enunciated as respects what may be called the

After using it a short occurrence in the world for a time only, he can walk and has no pain. fly, which has been settling on I shall continue its use." the eruption of a painful skin disease, or among the germs of writes: "I had blood poison from birth. scarlatina or some similar in- Knots on my limbs were as large as fectious malady, to devote its hen's eggs. attention to a person quite well.

A Blissful Anticipation!

Being very grateful to the people for their past patronage and support, and thinking they would like to know something of my former history, I have concluded to write a short sketch of my life. I do not do this with any self pride or conceit, but hoping that som good may come out of it. Many a poor and surroundings are such that the future looks only dark may be en-couraged to make an effort hearing what a poor country boy has done. So while this may cost me some consider-able effort and loss of sleep, yet I shall while this may cost me some considerable effort and loss of sleep, yet I shall spare no pains or time in giving a true history of what my life has been so far. Of course it is useless to mention my name for all know that there is not another man on earth that would attempt so much for his friends, that the same Big I te whose purchases at 40,50, and \$27, control with the control workshops.

If ign and low, fich and pour, the another daughters to support themselves in the support themselves in the state of five the circle of the support court of said county, hereby notifies all persons have obliged to stifle their lives in the state of said Monroe Rountree, to present them to his attorney, and workshops.

State of North Carolina—Craven county.

THE WORLD'S FAIR BUILDING.

To be Erected by North Carolina at Chicago.

The North Carolina World's Fair collecting committee and the Lady Assistants have selected the design for the North Messrs. Glenn Brown and Willis E. Hall, of Winston, whoby the way, have achieved an profession of architecture in the South. It was chosen in lieu of the Tryon palace, it being found that it would not be Why Cleveland was Beaten in 1888, possible to reproduce the latter Accordingly, so for as could with its proper proportions on party in the campaign of 1888, compliment to Messrs. Brown & Hall. The design is a beautiful piece of work and will undoubtcompliment to Messrs. Brown & Harrison, was distinct and piece of work and will undoubt-simple. It set itself in direct edly meet with universal admira-

"protected interests" of the is 130x60 feet over all, a broad country and the pension agents.

It turned to those two powerful and wide-spread organizations, saying to one: "If you will elect over all, a broad the raimers Aliance make it their headquarters, and take with them home for their sons and their daughters, such beautiful hats, boots, shoes, clothes and rings, our candidate to the presidency appearance. In the comb of and return us to power you can of the porch roof the North Carcome to Washington and de olina State seal, made of some mand such an increase of your composition, will be placed. The protective duties as you shall interior of the building will be see fit; and we will see thas it is finished in native North Cargiven to you."

It then turned to the army of claim agents in and about the Pension Office, saying to them:
"If you will elect our candidate to the presidency and cause the administration of the country to of the building little out offs. In different parts administration of the country to of the building little out offs.

Illiusned in native North Carman, I shall be like Big Ike as near as I can, So people can talk of the good that I do, And wear pretty things that I sell them, too.

Now, said Baby Ruth, as she sat by his side, administration of the country to of the building little cut-offs come into our hands, we will and niches for flowers, plans,

The stair case leading to land as you see bars your way gallery will start with a single to it." The result was that by a flight 20 feet wide, the approach narrow vote President Cleve- to which will be gracefully lane was defeated and General arched over, with two smaller Harrison elected to succeed him, arches on each side, opening into small conservatories. The main stair stops at a height of about eight feet from the floor. the record shows that it was as From this landing springs on good as its word. Its promises each side of the 20 foot stair, were carried out. The protected two smaller stairs, 10 feet wide each, which carry you through ton, and in due time the McKin- two arched entrances on to the ley tarff bill was reported and passed. In it the demands of every producer, so far as appears, who wished to fatten ladies' and gentlemen waiting at the expense of the consumer room, s two toilet rooms being on were gratified. He had but to the first floor. The roof will be sk, and it was given.

On the other hand the horde supported by turned columns
