**THE FUSION TICKET.**  
 A Republican here of State prominence, tells me to-day that he has been twice offered a place on the "fusion ticket," as Attorney General. This is an important admission. It shows how the Republicans and Third party are becoming a double team, with only one object, the defeat of the Democracy, and with no scruples as to the means to that end.—Raleigh Correspondent of the Wilmington Messenger.

It would seem from the above that there is to be a Fusion ticket in North Carolina. One for which Third Partymen and Republicans will vote at the approaching State election. Republicans are certainly in favor of it.

The Raleigh Signal, leading Republican paper, is vigorously opposing the nomination of a Republican State ticket. In its issue of July 21, ten reasons are given why the Republicans should not nominate a State ticket; among these reasons are the following:  
 "Because it would draw the party lines and cause a straight party fight."

"The State Convention of the Peoples' Party is now called to meet on August 16th, to nominate a State ticket, and it would be a blunder worse than a crime if the Republicans should do any thing to embarrass the revolt of the People against the Bourbon Democrats."  
 "The Peoples' Party intend to make a determined effort to elect their ticket for Presidential Electors and Congressmen. If the Republicans have no State ticket in the field the line between the Bourbon Democrats and the Peoples' party will be sharply drawn and the Republican candidates for Electors will have a decided plurality of the votes, and several Republican candidates for Congress will be elected."

"Ninth—The result of no State ticket would not only give the Electoral vote of the State to the Republicans and secure the election of several Congressmen, but it would secure the crushing defeat of Mr. Elias Carr and the balance of the Bourbon State ticket and permanently disrupt the Democratic party."

In a nut shell—the Signal expects, by a fusion of the Peoples' and the Republican parties to give the Electoral vote of North Carolina to Harrison and to secure the crushing defeat of Elias Carr and the balance of the Bourbon State ticket."

Forewarned, forearmed. The Signal does a signal service to the people of North Carolina in thus announcing its purpose. There are hundreds, yes thousands, of men schooled in Jeffersonian principles, who for one reason or another opposed the nomination of Mr. Cleveland and are still indig-

posed to support him—who will never consent to a fusion with Republicans that will result in giving the Electoral vote of North Carolina to Harrison, the election of Republican Congressmen and the crushing defeat of Mr. Carr and his associates on the State ticket.

Very many Democrats are unfortunately prejudiced against Mr. Cleveland, but when they come to consider the obligations of party, the terrible results that would follow the election of Harrison and a Republican Congress, and the riot and ruin that would result from the return of Republican domination in North Carolina, they will lay their prejudices on the altar of patriotism and stand fast by the Democratic colors.

These men are mortified at the miscarriage of favorite measures and feel the resentment natural to human nature, but they infinitely prefer Democracy and Cleveland to Republicanism and Harrison.

To this alternative it must come at last, and it is not in us to doubt the fidelity of North Carolinians in the supreme hour of her destiny.

The fusion of the Republican and People's parties will solidify the Democracy.

What judgement would have been pronounced upon the Confederate soldier who could say "I am a Confederate, but I will not follow Lee!" Many a soldier believed that Jackson was the superior General, but not a man grounded his arms and abandoned his colors because of that belief. Cleveland is our Leader, and it becomes every man belonging to the great Democratic brotherhood to step in to ranks and swell the tide of Democratic victory.

Above all, let every man be true to North Carolina. Sanction nothing and oppose every thing that militates against the State ticket. Give all thought of fusion with the Republicans a wide berth, and future generations will rise up and call you "blessed!"

QUIET having been restored in the Cour d' Alene district of Idaho, the Federal troops will be withdrawn. Over 300 miners have been arrested and turned over to the civil authorities.

**The Lame Walk.**  
 Pitiful indeed is the condition of those who are confined to their beds or chairs unable to walk. How grateful all such must feel when they recover from their helplessness. B. B. B. (Botanic Blood Balm) has made more than one lame person happy.

Mrs. Emma Griffiths, Unita, Tenn., writes: "My little boy had scrofula so bad his knees were drawn up and his knees stiff, and he could not walk. He derived no benefit from medicines until I tried B. B. B. After using it a short time only he can walk and has no pain. I shall continue its use."

Mirtle M. Tanner, Boonville, Ind., writes: "I had blood poison from birth. Knots on my limbs were as large as a hen's eggs. Doctors said I would be a cripple, but B. B. B. has cured me sound and well. I shall ever praise the day the men who invented Blood Balm were born."

The curtain of the future is always drawn.

**Health in Old Age.**  
 Edward Collison, Queens, N. Y., says: "I commenced using BRANDRETH'S PILLS over fifty-five years ago. I first bought them in London, and have continued using them since I came to this country in 1836. I am now over seventy-five years old, hale and hearty, and attribute my wonderful health to the persistent use of BRANDRETH'S PILLS. Occasionally I have a bad cold or severe attack of rheumatism, indigestion or biliousness, but four or five doses of BRANDRETH'S PILLS always cure me. When ever my children have had sick with scarlet fever, measles, acid stomach, disordered digestion or constiveness, a few doses of BRANDRETH'S PILLS restored their health at once."

Charlatanism keeps pace with civilization.

**Opening the Canal.**  
 The most acceptable proposition that can be made to persons troubled with chronic constipation, is to open that important canal—the bowels. That proposition can be carried out by the parties interested if they resort to Hostetter's Stomach Bitters, the most effective, most genial alterative extant. It is the mistake of many otherwise sensible people, that they resort to drastic, or, in other words, violent purgatives. Without exaggeration, this is highly injurious, since such medicaments weaken the bowels besides convulsing both them and the stomach with pain. Relief sought from the Bitters comes freely enough, but they never produce pain, excessive action, or subsequent weakness of the bowels. Liver and kidney trouble, malaria, dyspepsia, lack of stamina and a tendency to rheumatism, are remedied by this pleasant substitute for drenching cathartics.

They most assume who know the least.

**The Population of New Bern**  
 Is about nine thousand, and we would say at least one-half are troubled with some affection on the Throat and Lungs, as those complaints are, according to statistics, more numerous than others. We would advise all our readers not to neglect the opportunity to call on our druggist and get a bottle of Kemp's Balsam for the Throat and Lungs. Trial size free. Large bottle 50c, and \$1. Sold by all druggists.

**BIG IKE'S**

**COLUMN.**

KEEPING EVERLASTING AT IT BRINGS SUCCESS.

Advertising is the key note to success. The most successful merchant in the whole county will tell you so. There is no merchant in the town of New Bern who can afford to put as many dollars in advertising as Big Ike, because he sells therocks and trusts no living man.

By selling for Cash enables me to put five times as much in advertising as the credit man does, hence the people need not think Big Ike is investing all his profits in advertising.

Will soon be time for the Colored people to have their Fair. Remember Big Ike will give the person who trades the largest amount with him a Five Dollar Bill (during the week). The customer who trades the next largest amount during Fair week will get a prize of Three Dollars, next largest Two Dollars. So you see Big Ike will give Ten Dollars during Fair week in solid cash.

I fear very few colored people read the JOURNAL. To my white friends who peruse Big Ike's two columns I trust they will inform their colored friends of the treat laid up in store at Big Ike's during Fair week which will be Aug. 8, 9, 10, 11 and 12, '92.

To every reader of the JOURNAL, you can save your subscription if you trade the amount of Ten Dollars with Big Ike during the year, hence the JOURNAL cost you nothing.

Do not your wife and children often ask you the question when you return home from New Bern, Did you see Big Ike? Don't your children often say let me go to town with you; I want to see Big Ike.

Any person who is not really able to subscribe to the New Bern JOURNAL, that desires to read Big Ike's ads, can send him their names and Big Ike will send them THE WEEKLY JOURNAL for six months free of charge. This offer stands good for thirty days.

Not the fire bell, but Big Ike's Auction Bell. When he opens his auction sales on 8th of August and exclaim to the people in mighty thundering tones.

Thirty days means thirty years. And thirty years means never—Save your wife and children tears. By paying cash forever.

I have the largest Stock of Clothing in the City of New Bern bought at 50, & 55c on the dollar of New York Cost. Ask yourself the question, It is not to my interest to examine Big Ike's stock before I buy.

Is it my desire to reduce my two shops to one, I can conduct the two in one building. I prefer having an eye over my business, so you can get some bargains by looking over my stock.
