THE Democratic National Campaign committee elected Don M. Dickinson chairman.

ALL opposition to Congressman Livingston's nomination in the Fifth Georgia district has been withdrawn.

THE Kolb men in Alabama are making large claims and talking of a contest, but there is nothing that can be done to change the result of the vote.

THE accounts say that 10,000 people were destroyed by the recent most awful volcanic eruption on Great Sangir Island in the Malay Archipelago.

THE Peoples' party convention of Nebraska succeeded in nominating a ticket late Wednesday night. The platform as adopted denounces most everything from the State militia to the World's Fair.

THE South needs, first of all, a radical reduction of the tariff on the articles it must consume. The way to get this is not to vote for Weaver or for Harrison, but for Cleveland and tariff reform.—Louisville Courier Journal.

THE Republican State convention of West Virginia attempted to nominate Secretary Ekins for Governor, but the Secretary, as chairman of the convention, refused to put the motion. The convention then nominated Thos. E. Davis.

WHILE the Third party is still a shorn in the Democratic side in a few States of the South and stumbling block to the Republicans in a few States of the West, it seems to have about reached the extent of its growth as "the great party of the people."—Washington Star.

SUPREME JUSTICE SOMERBY, of the Order of the Iron Hall, issues a circular letter to the members. The application for the appointment of a receiver of the order has been continued until Monday. It is said that jealousy of Supreme Justice Somerby by some other officials is the cause of all the trouble.

THE St. Louis Globe-Democrat, Rep., remarks that Col. Streater, of the Pennsylvania National Guard, who suspended private Iams by his thumbs and had his head shaved and then drummed him out of camp, is a Democrat. But he is a heartless brute, all the same. His politics neither magnifies nor diminishes his brutality.

THE editor of the Peoples' party organ of Alabama has the Secretary of the executive committee arrested on the charge of beating him out the election tickets and the secretary has the organ editor arrested for libel.

THE Alabama election, impartially viewed, is simply an indication that the loud noise made by the leaders of the Peoples' Party is chiefly bluster, without votes to back it. In so far as it is a straw, it shows that the wind has not changed, at least in Alabama. It will serve to check the growth of the new party in politics "nothing succeeds like success," and it will relieve the minds of both Democrats and Republicans of a vague apprehension of peril from the presence of Third party candidates in the field.—Phil. Ledger.

LOCAL NEWS.

NEW ADVERTISEMENTS.

Mr. Geo. D. Bowden put a marble pavement down in front of his residence yesterday.

There were three more conversions at the Church of Christ last night. The baptism will take place at the foot of Broad street this morning at 9 o'clock.

Commissioner of Immigration J. T. Patrick, desires some heads of rice to exhibit North. Who of our farmers will send him a bundle or two of selected ones.

Bessie Roper, infant daughter of Mr. and Mrs. L. F. Roper, died Friday night at the residence of her grandfather, Mr. J. H. Crabtree. The funeral was held yesterday.

A long felt want at the post-office is to be supplied—a window exclusively for the sale of stamps. It was being made yesterday. Major S. D. Pope has been added to the post-office force to serve at the stamp window.

The meetings at the Church of Christ to date have been with increasing interest, and the sermons have been splendid and instructive. The meetings will continue through this week if no longer, and everybody is cordially invited to come out and hear.

We notice a number of the cities of the State making loud complaints about the scarcity of fire. New Berne keeps well supplied. Our citizens here delivered daily at their doors at half a cent per pound and the ice factory is shipping away car loads of it daily. Twenty tons per day is the amount the factory is turning out.

Rev. Jas. F. Butt has returned from Hunting Ground camp meeting, which was a grand success. Some accessions to the church of the very best people there. On Wednesday night there were forty-two persons, who came forward and asked for prayers for their conversions. Rev. D. Rone, Robertson, Starling, Crraway and Butt preached.

The colored Fair opens tomorrow with good prospects. Many exhibits have been sent in in all the departments—enough to ensure that the Fair this year will surpass last year's. There were 650 exhibits sent in up to Friday—a still larger number since then, mostly live stock, and some other exhibits will be sent up on Monday morning. The procession of various orders, trades and companies will assemble in front of the court house at 9:30 o'clock, and after parading the principal streets will march to the Fair grounds for the opening exercises.

F. D. Somerby, Supreme Justice of the order of Iron Hall is sending out a circular letter in regard to the pending suit by Indianapolis members for a receiver to be appointed in which he claims the solvency of the order, its ample ability to meet all liabilities, and that the Supreme Sitting is fully prepared to meet the issues and to protect the interests of all members. He also affirms that he is prepared to meet the charges brought against himself individually. He says the business of the order is going on as usual and that it is justly and lawfully entitled to come out victorious.

Though the call for the meeting at Morehead on the 10th, inst., next Wednesday, was addressed only to the Boards of Commerce, etc., of this State, we see that the importance of the move is appreciated elsewhere, as the following extract from the Richmond Dispatch shows: "On the 10th instant there is to be held at Morehead City a meeting of North Carolina and other Southern business men, and we observe that there will be present on the occasion a number of Northern capitalists, whose purpose is to look into the advantages the South has to offer for investment in manufacturing, milling, and other industrial enterprises, Richmond ought not to be unrepresented at that meeting." Any Virginia people who choose to attend will receive a North Carolina welcome. Let every one come who feels like it.

\$5 Reward. For a heavy gold ring, lost in New Berne, July 26, 1892, having the following engraved in it: R. A. C. to E. M. H., Feb. 28, '90. Call at Journal's office.

PEOPLES' PARTY CONVENTION.

A County Ticket Nominated and Delegates Elected to the State, Senatorial and Congressional Conventions.

Pursuant to call the Peoples' Party Craven county convention assembled at the court house at noon yesterday to make nominations and transact the other regular business of the convention.

The meeting was called to order by Chairman W. H. Smith and a committee on credentials appointed consisting of J. L. Taylor, G. D. Conner, John A. Jackson, J. Latham, C. L. Wetherington and E. D. Russell.

The committee retired to get their report in readiness and in their absence, Mr. J. F. Gwaltney addressed the meeting giving many financial statistics of the county.

The committee made their report on the 48 delegates to be adopted. Mr. W. H. Smith was made permanent chairman and Mr. G. L. Hardison, secretary.

Mr. Smith in his remarks accepting the chairmanship said that if the Peoples' Party could not elect its ticket it would make showing enough to cause congress to concede its demands.

Eight delegates to the State Convention which meets in Raleigh on the 10th inst, were elected as follows: Chas. S. Norton, C. B. Stubbs, J. F. Gwaltney, C. L. Wetherington, C. C. Bell, E. D. Russell, W. H. Smith and N. F. Weeks.

A committee of seven on Platform and Resolutions was appointed consisting of John A. Jackson, J. W. Kennedy, Geo. D. Conner, Stephen Toler, J. L. Taylor, H. W. Wetherington and C. L. Wetherington. After remaining out some time they submitted the following report which was adopted:

The Peoples' Party of Craven county in this their first convention, invoking upon their actions the blessing of Almighty God, puts forth in the name and on behalf of the people of this county, the following preamble and resolution of principles:

The conditions which now surround us justify our co-operation as we have received no help in the past and have no hope of receiving any in the future from the two old parties. They seem to have agreed together to ignore the needs of the laboring class of people.

Believing that the cause of reform, now organized, will never cease to move forward until every wrong is righted and equal rights and equal privileges established for all the men and women of this country. Therefore be it

Resolved, That we, the Peoples' Party of Craven county adopt the platform as adopted at the Convention held at Omaha, Neb., July 4th, 1892.

Be it further Resolved, That the revenue, derived from a graduated income tax, should be applied to the reduction of the burden of taxation now levied upon the domestic industries of this county. C. L. WETHERINGTON, Chmn. J. A. JACKSON, Sec'y.

The following were elected delegates to the Senatorial convention which meets at Kingston on the 31st inst: W. B. Morris, John A. Jackson, John W. Conner, H. P. Griffin, L. C. Wetherington, W. H. Smith, L. C. Thomas, T. H. Smith, G. L. Hardison, S. Augustus Wilson, G. T. Eubank, Drew Dixon, John H. Sutton, A. T. Whitehead, Mr. W. H. Smith, chairman of the convention, was endorsed for the Senate.

It was decided to run a full county ticket. The following are the nominees: House of Representatives, John A. Jackson; Sheriff, C. L. Wetherington; Register of Deeds, J. F. Gwaltney; Coroner, Amos Conner; County Surveyor, left open; Treasurer, C. C. Bell.

The following were elected delegates to the Congressional Convention, which meets at Fayetteville on the 13th inst.: John A. Jackson, Chas. H. Sutton, Geo. D. Conner, Jas. Taylor, J. F. Gwaltney, John A. Sutton, E. D. Russell, W. H. Smith.

The convention adjourned and immediately the township committees met and organized the following county executive committee: W. H. Smith, chairman; G. L. Hardison, secretary; J. A. Jackson, township No. 1; L. H. Thomas, No. 3; W. C. Caskey, No. 5; J. L. Taylor, No. 6; B. E. Williams, No. 6; G. D. Conner, No. 7; J. C. Moore, No. 9.

FOR BIBLE STUDY.

The Institute for Elders and Deacons and for Bible Study Opened at Red Springs, N. C., Aug. 4.—The Institute for Elders and Deacons and for Bible study was opened here under the authority of the Fayetteville Presbytery Tuesday afternoon. It is the first of the kind ever held in this State. Its program embraces ten days and three services each day, and covers well nigh every point needed to quicken the latent energies and define the characteristics of a conquering Church.

The ablest and most learned of Biblical scholars, both at home and abroad are engaged. The meetings are conducted under a spacious tent, near the famous Red Springs. The congregations have increased each day and are larger than expected. A choir of nearly 200 voices, under the leadership of Rev. Arthur P. Smith, of New York, thrills the great assemblages with such singing as has never been heard in this section. At the close of the first day 153 Elders and Deacons had been enrolled. As this tabernacle is being written 1,000 people are listening to the Word. The meetings will continue till next Wednesday.

Proposals. Sealed proposals will be received for thirty days for the construction of a Boiler for the Atlantic Steam Fire Engine.

For further information apply to the chairman of the fire department committee. Wm. Ely. Chairman F. D. Conner.

No Appropriations Unless Closed on Sunday.

The Senate of the United States has done itself great credit and honored the country in making all appropriations to the World's Fair conditional on the closing of the Fair on Sunday.

The action was taken as an amendment to the bill making the last appropriation of five million dollars, and at first it applied to this alone. But on motion of Senator Quay an amendment was adopted making the condition apply to all appropriations. Senator Quay deserves the thanks of the Christian and American Sabbath loving people of the country. The vote of the Senate was very decided, and we hope it will adhere to its position under all circumstances. The House has also passed the bill.—Christian Advocate.

The Ram's Horn says: "The real motive behind the desire to open the World's Fair on Sunday is money."

Dr. Blackall on North Carolina Politics.

Dr. G. W. Blackall, of North Carolina, passed through Atlanta a day or two ago, making only a brief stay with his brother, Maj. T. H. Blackall.

To a reporter of The Constitution he said: "The situation in North Carolina is not all satisfactory to us. Heretofore everything was all right and we knew the democracy was safe. Now everything is in doubt. The third party has made many encroachments on our ranks and is going to give us trouble in several of the congressional districts. I think there is no question but that the democratic nominee for governor will be elected, but we will have a hard fight in some of the congressional districts, and the outcome as regards the congressional race is very uncertain. I hope that we will be able to carry the State for Cleveland, but I am by no means confident about it.

The campaign is being admirably managed under the direction of Hon. F. M. Simmons, the brilliant young democrat from New Berne district. He has developed a remarkable capacity for management, and if we carry the State we will owe it more to his splendid judgment and his excellent power of organization than to anything else."—Atlanta Constitution.

"You'll be dead a long time, therefore buy now."—ANON.

This is a homely saying but very true. Now is the time to buy. We have some special bargains in sample goods consisting of towels, handkerchiefs, top shirts, men's undershirts and about a dozen blankets in the lot. These goods are sold cheap and for cash. We have just received a new lot of neckwear in nice goods, at 50c. See our oil shades at 45c. They are worth double the money.
